Little Buttercup and Jenny Wren, by the author of How to enter into rest Buttercup, Harriet Hamilton, 1873 **Prayer at Full Throttle** Robert Bakke, 2013-10-03 Performance is the missing link between hope and a miracle Unanswered prayer has long been a frustration for Christians They sit idly by waiting for God to

respond as they want Him to without seeing the results they'd like. What they don't realize is that prayer is not an entitlement program. The Bible says you will receive from God based upon your faith and that faith without works is dead. In essence, prayer without works won't work. So the next time you need a miracle, try following your prayer with the performance of corresponding actions. Roll up your sleeves and earn your miracle. If that sounds theologically crazy to you, read through this book and see real life and biblical examples of its truth. You'll learn that the road that leads to miracles is paved with your personal performance. Welcome to the full throttle world of performance based prayer. You may want to fasten your seat belt. Your prayer life is about to go for a ride. www.robertbakkeministries.com **21 Days of Grace** Kathy Ide, 2015-06-01

Christians have long loved devotionals but today's Christians are also developing a strong love for fiction. They want to read stories about characters they can relate to who experience situations similar to their own and learn from those examples how to live out their faith. For them, life lessons are more easily absorbed this way. 21 Days of Grace fits all of these needs. It is a collection of engaging inspirational short fiction stories written by new, intermediate and well known authors including Angela Hunt, Deborah Raney, Cindy Woodsmall, Cecil Murphey, Robin Bayne and more. Like Jesus parables, these stories deal with important life issues in a subtle, unpressured manner. And as Jesus did, the authors follow up with life applications based on the stories, suggesting how the inherent lessons can be applied to the reader's daily life. **Sunshine Jenny, and Other Stories. [With Illustrations.]** Isabel Reaney, 1878 **Storytellers** John A. Burrison, 1991. Presents 260 of the rural South's best stories collected over a twenty year period with their roots in Anglo, Saxon, African American and Native American traditions. 2016 a Prophecy William C. Grace, 2007-10. Will the year 2016 flow effortlessly through its four seasons into the year 2017? The answer is no. This book is a personal account through the eyes of a Christian of foretelling prophesying and God's ultimate victory to come. In 2003 there were God-given words, numbers and a vision. They made no sense whatsoever for a long time; they just did not stack up. Not until the happenings of 2004. In the autumn of that year, an horrendous yet powerful spiritual battle between God and Satan took place in a corner of rural England. The events are both witnessed and recorded; they show only a glimpse of the most awesome power of God to come through Jesus. Indeed, the meaning of what was given and encountered would not become fully clear until 2007. How does all this thread together? What is meant by the foretelling, prophesying, the coming of the messenger and that battle between good and evil? What will happen in 2016? The explanation for what is to come in that year can be found in this book. Shroud Over Paradise G. J. Giddy, 2010. A young English girl arrives in Australia searching for her birth mother. Her initial investigations indicate she has to wait six months at least on what may have happened to her mother. Finding the weather too cold for her liking in the New South Wales town of Goulburn, she heads north to the warmer climates of Queensland to the tourist hot spot, Surfers Paradise on the Gold Coast. It doesn't take long for her to taste the addiction of drugs and after a torrid start ends up in the care of two inseparable nuns who are trying to solve crimes to raise money for the orphanage. *Praying the Scriptures for Your Adult Children* Jodie

shepherding care **The Floater** Thomas Wayne,2017-10-25 Allen Beamer had been interested in New Age since he had had a few episodes where his spirit seemed to float around in his room during twilight sleep He had noticed that while he was out of his body he was connected to a silver cord Sometimes he dreamed that he was flying high over his house or to places he had never been He always seemed to wake up with a jerk and the feeling of falling After some research on the subject he began experimenting with what he found was called astral projection Little did he know the dangers that he would encounter during his astral journeys and those whom he would meet on the way He met up with a Jamaican conjurer who warned him not to project too far and told him that if his silver cord was severed he would not be able to return to his body In one of his projections his cord was broken and he was caught in limbo unable to get back Jenny his former girlfriend was the only other person who knew where he was She had to make a decision whether to project herself to find him or leave him to be trapped forever to roam the earth in his spirit body The Charleston newspaper obituaries had been full of people in a certain area of town who had just died in their sleep for apparently no reason Was it an epidemic or had their silver cords been broken and they could not get back
