Jeremiah (ICC) William McKane, 1986 Praise for Jeremiah this is the commentary to purchase cherish and meditate upon day and night I feel that McKane is due a standing ovation from all the other players currently operating in Jeremiah Studies for his most accomplished achievement This is the Jeremiah commentary for ages to come Journal of Theological Studies Bloomsbury Publishing **Jeremiah 1-25** Lawrence Boadt, C.S.P., Lawrence E. Boadt, 1982-07-01 **The Understanding of Adultery in the Hebrew Bible** Alexander Izuchukwu Abasili, 2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for today's couples Antiquities of the Jews William Brown, 1826 **Jesus, Paul, Luke-Acts, and 1 Clement** David L. Balch, 2023-06-19 In this book the author draws on two original sources on a Greek biographer historian and rhetorician Dionysius of Halicarnassus as well as on Pompeian domestic art and architecture Generally NT scholars read texts but Greeks and ancient Romans loved beauty The walls and floors of their houses were decorated with thousands of colorful frescoes and mosaics art that two millennia later is still on display in Pompeii Christians lived and worshipped in those typical houses relating the art to NT texts generates many intriguing new questions What stories myths did Greeks and Romans see every day What were their sports and how violent were they Many NT scholars know as much or more Latin than they do Greek and they therefore cite the Latin historian Livy rather than the Greek Dionysius who wrote a century before the first Christian historian Luke Dionysius rhetoric expressed values shared across cultures by Greeks Romans and Jews e g by the historian and rhetorician Josephus some values that Luke also shares Dionysius makes clear that cities and ethnic groups had to praise how they treated emigrant foreigners questions handled differently by Josephus and by Luke This enables new interpretations of Jesus inaugural speech in Luke 4 and of Peter's second Pentecost speech in Acts 10

Deconstruction and Reconstruction in Yhwh's Universal Project Louismary Ocha, 2022-01-27 Taking its bearing from the mission statement in prophet Jeremiah's vocation narrative Jer 1 10 the book examines YHWH's events of deconstruction and reconstruction in Israel of the Old Testament Through the analysis of the six verbs namely pluck up pull down demolish destroy build and plant the book gives a different dimension to the common impression that Jeremiah is a

prophet of woes and laments thereby limiting his prophecies to only oracles of destruction hence total annihilation Rather it investigates Jeremiah s prophecies as flying with two wings oracles of judgement and oracles of salvation In other words the oracles are not only against the nations but also for the nations With the exile of the Israelites and their restoration to the land in view according to the book of Jeremiah YHWH continues His creative and restorative acts and depicts the divine full involvement and control of Israel s history In like manner the book portrays the abiding divine presence in the history of humankind in general Therefore Israel is only used to form a bridge of YHWH s concern for the nations hence the entire humanity As YHWH sets the history of Israel in motion so He performs for the rest of humanity The goal of which has always been for the good and salvation of humankind of which the culmination is in the person and advent of Jesus Christ [Psalms and Prayers](#) Bob Becking, Eric Peels, 2007 Psalms are to be seen as prayers it is as testimonies of faith and despair By applying a multi dimensional matrix of methods the authors of these essays open perspectives on new insights in these ancient hymns **ESV Systematic Theology Study Bible** Crossway Bibles, 2018-01-22 Theology should first and foremost be rooted in God s Word The goal of the ESV Systematic Theology Study Bible is to demonstrate how all Christian doctrine arises from the pages of the Bible Created to help readers understand how Scripture forms the basis for our understanding of God humanity sin salvation and eternity this study Bible features over 400 short in text doctrinal summaries connecting Christian beliefs to specific Bible passages 25 longer articles explaining important theological topics in greater depth and introductions to each book of the Bible that highlight the unique ways each book contributes to the whole of Christian theology Created by an outstanding team of editors and 26 contributors this resource has been created to help Christians better connect what they believe about God with the very words of Scripture **Who Really Wrote the Bible** William M. Schniedewind, 2024-06-18 A groundbreaking new account of the writing of the Hebrew Bible Who wrote the Bible Its books have no bylines Tradition long identified Moses as the author of the Pentateuch with Ezra as editor Ancient readers also suggested that David wrote the psalms and Solomon wrote Proverbs and Qohelet Although the Hebrew Bible rarely speaks of its authors people have been fascinated by the question of its authorship since ancient times In Who Really Wrote the Bible William Schniedewind offers a bold new answer the Bible was not written by a single author or by a series of single authors but by communities of scribes The Bible does not name its authors because authorship itself was an idea enshrined in a later era by the ancient Greeks In the pre Hellenistic world of ancient Near Eastern literature books were produced preserved and passed on by scribal communities Schniedewind draws on ancient inscriptions archaeology and anthropology as well as a close reading of the biblical text itself to trace the communal origin of biblical literature Scribes were educated through apprenticeship rather than in schools The prophet Isaiah for example has his disciples Elisha has his apprentice This mode of learning emphasized the need to pass along the traditions of a community of practice rather than to individuate and invent Schniedewind shows that it is anachronistic to impose our ideas about individual authorship and authors on the writing of the

Bible Ancient Israelites didn't live in books he writes but along dusty highways and byways Who Really Wrote the Bible describes how scribes and their apprentices actually worked in ancient Jerusalem and Judah *An Intertextual Analysis of Zechariah 9-10* Suk Yee Lee, 2015-02-26 This book conducts an in depth study on the ideas about future salvation in Zechariah 9-10 In accommodation of the allusive character of the text Lee uses the methodology of intertextual analysis to examine the markers in the text Having established the moments of intertextuality Lee investigates the sources and their contexts analyzing how the intertexts are used in the new context of the host and exploring how the antecedents shape the reading of the later text Thus Lee argues that Zechariah 9-10 leverages earlier biblical material in order to express its view on restoration which serves as a lens for the prophetic community in Yehud to make sense of their troubled world in the early Persian period ca 440 B C These two chapters envision the return of Yahweh who inaugurates the new age ushering in prosperity and blessings The earlier restoration expectations of Second Zechariah anticipate the formation of an ideal remnant settling in an ideal homeland with Yahweh as king and David as vice regent reigning in Zion The new commonwealth is not only a united society but also a cosmic one with Judah Ephraim and the nations living together in peace
