Jerome K Jerome A Critical Biography:

Jerome K. Jerome Joseph Connolly, 1982 Biografie van de Engelse schrijver 1859 1927 **Three Men in a Boat and Three Men on the Bummel** Jerome K. Jerome, 2008-11-13 Three Men in a Boat describes a comic expedition by middle class Victorians up the Thames to Oxford and provides snap shots of London s playground in the late 1880s Three Men on the Bummel records a similar escapade some ten years later when the trio cycle through the Black Forest at the height of the new bicycling craze **The Victorian Comic Spirit** Jennifer Wagner-Lawlor, 2017-11-22 This title was first published in 2000 Comedy and humour are not words most associate with the Victorian period yet their culture was rife with laughter and irony The 12 essays in this volume reanimate this comic spirit by exploring the humour in its social context While previous studies of humour in the period focus on the age s own ongoing interest in the old distinction in comic theory between wit and humour this volume aims to show how inadequate this distinction is in accounting for the many types of Victorian comic representation The essays turn from linguistic or psychological analyses of humour towards the social production of humour and the cultural dynamics which underlie it Three Men in a Boat J. K. Jerome, 2005 Relates the adventures and mishaps of three late Victorian gentlemen and a dog on holiday on the Thames With picaresque digressions and asides Jerome depicts the group s attempts to keep themselves afloat and cope with the English weather **The Rise and Fall of the Victorian Three-Volume Novel** Troy J. Bassett, 2020-02-07 Utilizing recent developments in book history and digital humanities this book offers a cultural economic and literary history of the Victorian three volume novel the prestige format for the British novel during much of the nineteenth century With the publication of Walter Scott s popular novels in the 1820s the three volume novel became the standard format for new fiction aimed at middle class audiences through the support of circulating libraries Following a quantitative analysis examining who wrote and published these novels the book investigates the success of publisher Richard Bentley in producing three volume novels the experiences of the W H Smith circulating library in distributing them the difficulties of authors such as Robert Louis Stevenson and George Moore in writing them and the resistance of new publishers such as Arrowsmith and Unwin to publishing them Rather than faltering the three volume novel stubbornly endured until its abandonment in the 1890s **The Doctor and the Detective** Martin Booth, 2013-05-10 A biography attempts to separate the life of the Edinburgh doctor from his fictional consulting detective from London This entertaining smart biography of Arthur Conan Doyle presents a modern day interpretation of the man who contrary to his best efforts will always be known as the creator of the great detective Sherlock Holmes Doyle was however much more as Booth shows us in this intriguing study of a man who thrived on the times in which he lived While Holmes fans will be captivated by the various tidbits that offer insight into their hero s creation others will be fascinated by this living embodiment of the Victorian masculine ideal Praise for The Doctor and the Detective If we wish to find our way to the essential man we need look no further than this work P D James bestselling author of A Certain Justice An attractive and well
