Dwight Pentecost, 2016-10-04 The life of Jesus Christ takes on fresh clarity and meaning in this masterful work by Dwight Pentecost The words the miracles and overarching message of the Messiah come alive in flowing and detailed chronology set against the cultural political and religious setting of his day The Words and Works of Jesus Christ will give you a new and deeply biblical understanding of Why Jesus came How he operated What he accomplished Above all you ll acquire a deeper appreciation for the love that guided his path beginning in a manger in Bethlehem leading through three and a half years of ministry that ended abruptly at the cross on Golgotha and blazing forth in eternal triumph at the resurrection Drawing liberally on the works of others who have written about Christ such as Alfred Edersheim J W Shepherd W Graham Scroggie and Frederick Faraar Dr Pentecost reveals in his own writing a familiarity with the subject that comes from years of teaching Yet he writes not as one who knows all there is to know about Christ but with the restraint of one who knows that Jesus is to be worshiped and adored as the great King and that no book can do more than begin to tell all the wonders of his being and his love Journey with him on this study of the life of Christ *Toward the Understanding of Jesus* Vladimir Gregorievitch Simkhovitch, 1925

Toward the Understanding of Jesus Vladimir Grigorievitch Simkhovitch, 1921 *The Sepulchre of Christ and the Medieval West* Colin Morris, 2005-03-17 The tomb of Christ at Jerusalem was a vital influence in the making of Western Europe Pilgrimage there influenced the development of society and its structures The desire to bring the Sepulchre to the West in copies or memorials shaped art and religion while the ambition to control Christ s tomb was a central objective of the crusades Western Europe responded to the loss of Jerusalem by creating a new pilgrimage to the East by making kingdoms holy lands for their subjects and by creating new pilgrim centres at home This book brings together social political and religious themes often considered in isolation *The Sunday Magazine* , 1889 **The Cross Was Hell** Loren James, 2006-07 *In the Shadow of the Temple* Oskar Skarsaune, 2025-08-04 Oskar Skarsaune makes a fresh contribution to our understanding of the development of the early church in its practice e g worship baptism and Eucharist and doctrine e g

Scripture Christology pneumatology This book offers the new perspective that Christians were in ongoing and deep conversation with Jews during the early centuries leading up to Constantine The common perception of a drastic parting of the ways after the destruction of Jerusalem in 70 A D has tended to distort our understanding of the succeeding decades and centuries of Jewish and Christian history Notwithstanding the fact that there were points of bitterness and strife the relationship is better viewed as that of a younger and older sibling There is much evidence of interaction between the early Christians and rabbinic Judaism both at the level of leadership and laypeople and this left its impression on the church Skarsaune gives us numerous fascinating episodic and topical glimpses into this untold story The Englishman's Greek Concordance of the New Testament; being an attempt at a verbal connexion between the Greek and the English texts, etc. [By George V.
