## **Jessops Landing:**

Jessop's Landing Edward G. Cooper, 2001-05-09 Ross and Martha Jessop moves into the Northwest Territory and builds a homestead in harsh but beautiful land. Land that took Ross's loving wife but gave him a son Frank and a daughter Patience. And Patience it took to raise her. Adopting an orphan cougar which became her protector for life. The story follows the young girl from birth to marriage with her protector always close by to oversee the family and yet remain free. A trial of an innocent man shows that justice exists in this remote area of the North where men have to be hard to survive. See how one man keeps his family together without the help of a woman raising Patience from infancy. Her older brother's feelings of rejection leads him to run away from home and Ross finds him to be trapped by a bear yet protected by a cougar. **Mourning Mist** Jay Stafford, 2011-06-09 At the start of the American Civil War three best friends all teenage boys yearn to serve in the Confederate Army but are turned away for being too young. But as soon as they are old enough and brave enough the boys now on the verge of becoming men join a Southern army unit headed for battle. They are willing to sacrifice everything for what they believe. Low on supplies and with diminishing morale the Confederate States of America sees itself pressed in on all sides by the advancing Union forces. They find themselves encamped outside of Mobile Alabama the most fortified American city at the time. Their camp soon becomes the stage for the final great battles of the war. Pitted against each other in bloody conflict are Americans from farms cities and small towns north and south of the Mason Dixon Line. Ben Josh and Caleb along with thousands of other Southerners engage the Northern military might at Fort Blakely in a battle that will set the United States on a new uncertain course. In a few short months the boys become men as they experience patriotic zeal comradeship and horrors that human beings should never encounter. These young men find themselves locked in a

sympiotic struggle for survival As they mature as individuals so does the nation For a young nation on the brink of union can its citizens leave behind a country struggling for its identity to search for a country united in its quest for greatness
