## **Jesus A Biography:**

*Jesus* Paul Johnson, 2010-03-04 From the bestselling author and acclaimed historian a powerful portrayal of the life of Jesus Is Jesus relevant to us today Few figures have had such an influence on history as Jesus of Nazareth His teachings have inspired discussion arguments even war and yet few have ever held forth as movingly on the need for peace forgiveness and mercy Paul Johnson's brilliant reading offers readers a lively biography of the man who inspired one of the world's great religions and whose lessons still guide us in current times Johnson's magisterial and revered book *A History of Christianity* is a masterpiece of historical writing on religion and in his new book he returns to focus on a central figure in one of the world's dominant religions Johnson's intelligent and conversational style as well as his ability to distill complex subjects into succinct highly readable works make this book the ideal match of a major historian with a major subject The result is an accessible biography and an insightful analysis of how Jesus is important in the present era **Jesus: The Unauthorized Biography** Martyn Whittock, Esther Whittock, 2021-05-21 By bringing together all of the available evidence on the life of Jesus Christ of Nazareth this book offers a compelling biography of His time on Earth Looking at sources such as the gospels inscriptions early Church writings the apocryphal gospels and more readers will be able to vividly visualise Jesus life and his First Century Jewish cultural context If you've ever wondered about the impact of Jesus social class on his ministry the influence on His disciples of contemporary resistance movements or the prominent role of women in the disciple community then allow this book to challenge and deepen your understanding of the Jesus described in the Bible **Jesus a Biography** Schonfield Hugh J. (author), 1901 Jesus Armand Puig i Tàrrach, 2011 Presents a comprehensive historical narrative to answer many of the most intriguing questions about Jesus This book highlights Jesus most profound and distinctive features from his purposeful identification with the sick and poor and his relationship with his devoted followers to his astute trust in God's care of human history *The Mormon Jesus* John G. Turner, 2016-04-25 For two centuries Jesus has connected the Latter day Saints to broader currents of Christianity even while particular Mormon beliefs have been points of differentiation From the author of the definitive life of Brigham Young comes a biography of the Mormon Jesus that enriches our understanding of The Church of Jesus Christ of Latter day Saints Jesus - a Biography Hugh J. Schonfield, 1948 **Jesus** John Dominic Crossan, 1994 This is an outstanding book both popular and intelligent Accessible language and direct dramatic narration a compelling portrait of Jesus Publishers Weekly A portrait that both takes in the contemporary background and yet accounts for Jesus distinctiveness New York Times Book Review Photos **Rabbi Jesus** Bruce Chilton, 2002-02-26 Beginning with the Gospels interpretations of the life of Jesus have flourished for nearly two millennia yet a clear and coherent picture of Jesus as a man has remained elusive In *Rabbi Jesus* the noted biblical scholar Bruce Chilton places Jesus within the context of his times to present a fresh historically accurate and revolutionary examination of the man who founded Christianity Drawing on recent archaeological findings and new translations and interpretations of ancient texts Chilton

discusses in enlightening detail the philosophical and psychological foundations of Jesus ideas and beliefs His in depth investigation also provides evidence that contradicts long held beliefs about Jesus and the movement he led Chilton shows for example that the High Priest Caiaphas as well as Pontius Pilate played a central role in Jesus execution It is however Chilton s description of Jesus role as a rabbi or master of Jewish oral traditions as a teacher of the Cabala and as a practitioner of a Galilean form of Judaism that emphasized direct communication with God that casts an entirely new light on the origins of Christianity Seamlessly merging history and biography this penetrating highly readable book uncovers truths lost to the passage of time and reveals a new Jesus for the new millennium **Jesus, a Biography** Hugh Joseph Schonfield,1939

*Jesus* Hugh J. Schonfield,Stephen A. Engelking,2012-11-12 It is somewhat surprising and illuminating to discover for how many people the Prophet of Nazareth has been little more than a theological concept with a semblance of humanity I have chosen the ambitious description of biography for this life of Jesus because that is the class of writing to which it is intended to belong My book is not designed to serve any theological or propagandist purpose whatsoever I have attempted to take the subject out of the domain of purely religious literature though I know how difficult it is and has been for myself to acquire the unbiased and detached viewpoint which is vital to such an experiment I cannot pretend that I have always succeeded but I believe that I have gone further in this direction than any of my predecessors The name of Jesus is so intimately bound up with an exalted faith which is daily operative for thousands that the task of him who would remember only that his function is to relate the story of a Galilean Jew who lived nearly two millenniums ago and claimed to be his people s Messiah is no enviable one **Jesus the Messiah, Biography of the Word** John R. Mitchell,2004-09-09 PREMISE One worships God by recognizing that we cannot recognize God We can only recognize what He does for us We can recognize how He exists in the beauty of our world how He opens our hearts with love for our fellow man how He opens our minds to learn of Him and by His power we find meaning in our devotion to His will and purpose ENDORSEMENT As a professional educator in the field of religious studies I have spent my life both as a teacher and as a student reading books about the Bible and the history of Christianity I have already read a plethora of books about the historical Jesus and his life The search for the historical Jesus has been a task taken up by many scholars during the last two thousand years and there is no sign that interest in this particular area of Biblical research is likely to wane anytime soon The difficulty I have found is that professional Biblical scholars and theologians usually consciously or unconsciously have an agenda that they wish to promote These items of agenda are fairly transparent and are easily recognizable One can often guess the conclusions of their research long before reaching the end of the book More often than not these texts are really only revisions of similar books written not all that long ago It was with more than a fair amount of skepticism that I agreed to read John Mitchell s manuscript *Jesus the Messiah Biography of the Word* I had only recently become acquainted with John when he informed me that he had been working on a book about the life of Jesus Expecting little more than an amateur exegete s attempt to employ some kind of

simplistic critical approach to the character of Jesus as found in the New Testament I was overwhelmed by the expertise demonstrated by his writing A layman with a background in mathematics and engineering John's approach to the task of describing the life of Jesus is as refreshing as it is comprehensive I was challenged by his attention to detail and his exhaustive search for an accurate account of Jesus life and ministry His precision humbled this professional scholar and college professor I could not help but remember that God's greatest revelation did not come as a priest or scribe but as a carpenter's son from Galilee Similarly the first accounts of Jesus life came not from the established clergy but from the laity It is therefore well worth while whether you are a professional scholar or just a curious Christian to read my friend John R Mitchell's Jesus the Messiah Biography of the Word Jon Carlock Professor of Religion and Philosophy Bethel College McKenzie Tennessee

**SUMMATION POINTS** Jesus the Messiah Biography of the Word is a simple straightforward adaptation and correlation of the Gospels of Matthew Mark Luke and John and other referencing material for research An examination of the first three known as the Synoptic Gospels agrees mostly to content and order but follow a generalized chronology The chronology for events in the creation of the Biography has been rendered to be a smooth flow between gospels Events have been added or expanded to provide the detail that must surely have taken place over the span of Jesus life The Gospel of John seems to have been written independently of the other three although John as an eyewitness filled in the details that were needed for several events Mark was not known to be a follower of Jesus during his ministry And of course Luke never saw Jesus as he was a physician in a distant city and who became a follower of Paul Paul of course was not a disciple of Jesus and it is not known if he ever saw Jesus As Jesus life and ministry of events were in a chronological order the Biography brings together the four gospels into one cohesive and suggested chronology of events Some events have [The Biography of Jesus Christ](#) Jeremiah O. Opusunju,2013-07 In this timely classic you will find complete and accurate revelations and information on Who Jesus Christ really is the doctrine of trinity and the mystery of the oneness of God What he did at his first advent the effect of his death on earth and on the Law of Moses What he is currently doing including the revelations of the mystery of Christ in you the hope of glory When and what he is coming back to do including the proclamation of the year of God's vengeance as well as a ten and half year program of events beginning in November 2020 heralding the return of Jesus Christ Surely the present world systems and the governance of the earth is about to change Page 4 of cover

**The Messiah: An Illustrated Biography of Jesus Christ** Jacques Duquesne,2007-09-25 Few stories have captivated the world's imagination as much as the biblical account of the life of Jesus Christ From the Nativity to the Sermon on the Mount the Last Supper to the Resurrection artists continually revisit these New Testament tales exploring their religious symbolic and dramatic values This gorgeous book replete with images from throughout the history of art retraces the life of the Nazarene as it has been handed down to us elaborating the major episodes of his life through excerpts from the Gospels pictorial representations and explanations of significant themes and symbols Through the text and illustrations making up this handsome volume the story

of Christ and the acts that mark his short life take on their full weight and the reader comes to understand their significance in the context of the ancient world as well as today This exquisitely produced book and insightful text sheds new light on the life on one of the world s most influential figures      *Son of Man* Henry H Harris,2015-07-01 Would You Like to Know Jesus as Those Closest to Him Did There are many books describing the life and times of Jesus This biography puts no words in Jesus s mouth other than his own those recorded in the Bible by Matthew Mark Luke and John This account of Christ s ministry years unfolds in chronological order and stands you squarely next to Jesus as he walks a path that leads to a cross putting flesh and blood on his experiences and teachings *Son of Man* A Biography of Jesus arranges the Gospels in a narrative arc with a clear beginning middle and end It reorders the nonlinear storyline of the Gospels and tells the story chronologically to help you see how and maybe more importantly why things unfolded as they did To create the you are there feel it is written in present tense and Jesus s story is told in the context of his culture The geography climate politics racism social norms religion traditions economics morality language and customs of the second temple era play key roles in this narrative What emerges is a holistic historically accurate dramatization that provides a 360 degree view of Jesus and his world Through this book you can take a trip through time and sit at the feet of the Son of Man No fictionalized elements or dialog have been added All events and quotations are taken from the texts of Matthew Mark Luke John and Acts All of Jesus s recorded words and actions are included and duplicate accounts have been harmonized Recent books about the life of Christ have been skeptical of the Bible and have used Jewish and Roman texts as their primary sources Religious and secular history books provide valuable insights into Jesus s world but to understand the man himself the best sources are the ancient narratives written by Matthew Mark Luke and John An appendix is included to help Bible students study Jesus s ministry years chronologically pericope by pericope For deeper research Old Testament passages that are relevant to each event are cited If you are a student of Jesus s life and times or a follower of Jesus and his teachings you will find yourself looking at Jesus with new eyes and new understanding And you will gain a greater appreciation for what it must have taken for Jesus to do what he did embody the Son of God in the Son of Man Harris s work takes complex events in the life of Jesus and explains them in the same simple way Jesus often explained complex events to the people of His own day This is a fresh look at Jesus in a way that benefits both old scholars new believers and those who are just curious Easy to pick up Hard to set down TONY LISTON pastor of Adventure Christian Community Davenport Iowa At first I thought A biography of Jesus why Henry Harris has done a marvelous job of pulling together the Gospel accounts adding both commentary and color that in a very reader friendly style invites us to take a freshly prepared look at the old old story As a pastor I can see giving out copies to new converts and seekers letting Jesus s life story kindle in them a desire to discover more in the treasure chest that is the Bible RICK LAWRENSON pastor of Nags Head Church Nags Head North Carolina *Son of Man* is grounded in the Gospels and bolstered by just the right amount of cultural context but is not afraid to take some risks to tell the story of Jesus in a modern

and intuitive way This makes it a great read for the beginner who desires a fuller more chronological account but also for the veteran who wishes to see the story with fresh eyes ED TAYLOR pastor of Quest Church Arlington Heights Illinois
