

The background of the cover is a dramatic, high-contrast portrait of Jesus. The face is rendered in a dark, almost black tone, with a strong light source from the upper left creating a bright, golden-yellow glow on the forehead, nose, and cheek. The hair is dark and wavy. The background behind the face is a fiery, textured wash of golden-yellow and red, suggesting a divine or intense light. The overall mood is solemn and powerful.

Jesus A Psychological Biography

Allan Hugh Cole Jr.

Jesus A Psychological Biography:

Jesus Donald Capps,2010-05-01 This intriguing investigation of Jesus is approached from a psychoanalytic perspective and strongly informed by current historical Jesus research *New Trends in Psychobiography* Claude-Hélène Mayer,Zoltan Kovary,2019-08-06 This volume offers insights into contemporary trends and perspectives in psychobiographical research It applies new theoretical and methodological frameworks and presents discourses on psychobiography from transdisciplinary backgrounds and various socio cultural contexts displaying the new state of the art new trends and themes in psychobiography The book outlines psychobiography's outstanding contribution to psychology from 36 internationally reputable authors It also presents the ideas of five outstanding psychobiographers through interview excerpts This book is a must for researchers lecturers and practitioners in the field of psychology and social sciences interested in the use of new psychological theories and methodologies in life span research **Transforming Shame** Jill L McNish,Richard L

Dayringer,2014-02-25 Explore shame's revelatory and transformative potential within Christianity and the Church Learn to understand shame to allow for positive change in your clients and parishioners This book explores psychological spiritual and theological aspects of shame and shame's transformative potential It will help pastoral care givers and mental health workers to identify shame issues and become agents of healing By examining shame in the gospel accounts of the life ministry and death of Jesus it shows that shame is a vital part of what defines us as human and how shame can draw us into the mystery of our relationship with God From the author This book develops the thesis that shame is a necessary and ontological part of the human condition Shame can become pathological undergirding and dominating the entire personality making it impossible to feel oneself either part of the collective or an individual in one's own right Transformation of shame is a large part of the psychic meaning of the Christ event what Christianity is about Transformation of shame is the experience of grace The great saints and icons of Christianity have used the Christ event to transform shame and experience grace The more completely they have done this the deeper their experience of unity with God With *Transforming Shame A Pastoral Response* you'll explore the phenomenological meaning of shame the psychological meaning implications and etiology of shame shame in the context of scripture and Christian theology the methodology for contextualizing theories of depth psychology in theology and religious experience human defense mechanisms to shame shame's usefulness in coming to a deeper understanding of personal identity the role of the institutional church in helping its people find meaning in shame and experiencing the grace that comes from shame's transformation how to address the Church's role in fostering toxic shame With practical examples drawn from pastoral ministry and a thoughtful interdisciplinary approach this book will help you understand both the psychology and the spirituality of shame and make the essential connections between the two Extensive references and a handy bibliography point the way to further reading on this fascinating subject A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's

physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Biography: An Historiography Melanie Nolan, 2023-04-03 Biography An Historiography examines how Western historians have used biography from the nineteenth century to the present considering the problems and challenges that historians have faced in their biographical practice systematically This volume analyses the strategies and methods that historians have used in response to seven major issues identified over time to do with evidence including but not limited to the problem of causation the problem of fact and fiction the problem of other minds the problem of significance or representativeness the problems of perspective both macro and micro and the problem of subjectivity and relative truth This volume will be essential for both postgraduates and historians studying biography

Handbook of Early Christianity Anthony J. Blasi, Jean Duhaime, Paul-André Turcotte, 2002-08-27 The Christian movement emerged amidst complex social tensions power politics ethnic diversity economic stress and cultural changes Both biblical scholars and social scientists find that a social scientific study of early Christian phenomena yields fascinating results However biblical scholars are sometimes unaware of the breadth of the useful social scientific concepts and techniques and social scientists sometimes lack the most basic background in literary research methods The Handbook of Early Christianity provides a much needed overview for biblical scholars and social scientists alike Drawing on perspectives from anthropology archaeology economics history literary analysis psychology political science and sociology the Handbook shows the myriad and complementary approaches that shed light on Christianity s formation and early development Twenty seven chapters from leading scholars along with a comprehensive bibliography make this an essential reference for anyone wishing to understand the social dynamics of Christianity s birth

The Insurgency of the Spirit Robert E. Shore-Goss, 2020-10-06 The Insurgency of the Spirit taps multi disciplinary methodologies of post colonial biblical scholarship and anthropology liberation theologies indigenous studies grief trauma research and nature meditation writings to shape a constructive retrieval of the animist Jesus The vision that

emerges is one that sets forward an Earth loving Jesus who challenges Christians in particular to mobilize against the destructive relationship that exists between imperial religion and political systems **Killing Enmity** Thomas R. Neufeld, Thomas R. Yoder Neufeld, 2011-11 Shows that contrary to much scholarly opinion the New Testament is not inherently violent or supportive of violence instead it rejects and overcomes violence **The American Journal of Theology** University of Chicago. Divinity School, 1914 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged Understanding Psychosis Donald Capps, 2010-11-16 When a loved one is struck with psychosis people often misunderstand what is happening and why They may feel helpless or confused or frightened not knowing what to do with or for the sufferer or how to handle the situation themselves This book takes a look at psychosis and how it has been handled over the last century or so Beginning with a definition of psychosis and moving to a consideration of how people who suffer from it were once institutionalized and are now expected to be cared for at home the author traces the challenges families and communities face considers the plight of sufferers and what they experience and offers case examples throughout to illustrate the onset of psychosis the infringement it makes on personal and professional life and the toll it takes on sufferers and caregivers alike Capps covers the magnitude of the problem the treatment of sufferers the warning signs facts and realities of recovery treatments prevention and coping strategies for family members and caregivers Readers will come away from this work with a better understanding of psychosis in the context in which it occurs and what to do for themselves and their loved one as they navigate daily life the mental health system and family dynamics **Explaining Evil** J. Harold Ellens, 2011-02-18 In this three volume set international scholars from across a broad spectrum of scholarly fields examine the concept of evil throughout history and world cultures from religious scientific psychological and political perspectives The manifestation of evil has provided a convenient theme for popular culture entertainment ranging from the classic film *The Exorcist* to almost all of Stephen King's horror novels to video games such as *Resident Evil* Unfortunately dealing with and attempting to overcome the forces of evil is a pervasive problem in the real world as well *Explaining Evil* addresses incidents of evil from ancient times to modern day around the globe Concepts of evil within the big three religions Christianity Judaism and Islam are examined as well as in Chinese philosophy and Native American beliefs The political or national expressions of evil are explored such as the axis of evil that culminated in World War II These volumes identify the causes and effects of evil and suggest possible remedies to humanity's inescapable flaw *Winning Revolutions* J. Harold Ellens, 2013-11-26 The product of 35 senior scholars research these volumes examine the psychology driving the religious political and economic forces that cause turbulence and violence in human society Religious political and economic revolts have defined the human experience throughout history These kinds of universal turbulence continue to be the dominate source of human suffering and perplexity during the first decade of the 21st century What can

intensive study of the psychodynamics of cultural and social eruptions tell us that may serve to move cultures around the world beyond ongoing strife This work seeks to find out examining the spectrum of cultural and social eruptions from ancient Jewish Christian and Muslim revolutions to the modern day economic and political turbulence in Eastern Europe the Near East and Latin America The breadth of this three volume set ranges from the 12th century BCE to the current struggles in Iraq Afghanistan and Syria and from the irrational violence of the French Revolution to the genuine quest for liberty of the American Revolution and the Singing Revolutions in the Baltic States in recent decades Each volume is introduced with a description of its philosophical perspective and concludes with a brief summarization of the takeaways of the research presented

The Sign of the Cross Daniel Rancour-Laferriere,2011-12-31 This book presents a unique effort to create a new understanding of the Christian sign of the cross At its core it traces the conscious and unconscious influence of this visual symbol through time What began as the crucifixion of a Jewish troublemaker in Roman occupied Judea in the first century eventually gave rise to a broad spectrum of readings of the instrument used to accomplish such a punishment a cross The author argues that Jesus was a provocative grandiose masochist whose suffering and death initially signified redemption for believers This idea gradually morphed into a Christian sense of freedom to persecute and wage war against non believers however as can be seen in the Crusades wars of the cross Many believers even construed the murder of their savior as a crime perpetrated by the Jews and this paranoid notion culminated in the mass murder of European Jews under the sign of the Nazi hooked cross Hakenkreuz Rancour Laferriere s book is expertly written and argued it will be readable to a large audience because it touches on many areas of controversy interest and scholarship The work is critical but not unfair it employs psychoanalysis art history the study of the symbol of the cross in works of art religion and religious texts and world history generally The interweaving of these various themes is what gives this work its ability to draw in readers and will ultimately be what keeps the reader interested through the conclusion

A Spiritual Life Allan Hugh Cole Jr.,2011-04-19 This revealing collection presents a selection of twenty poets prophets and preachers who share their understandings of what makes a good spiritual life They draw on their professional experiences and as important grace us with their personal thoughts The result is essentially a textbook for spirituality courses exposing readers to the spiritual lives of a wonderfully diverse group of people with a wide range of Christian experiences Every reader is sure to find a perspective with which he or she can identify

Science, Religion, and Health Jay Harold Ellens,2016-11-10 Psychology and theology interface at four levels theory development research process data collection and clinical operation At each level they connect in the model of humanness anthropology forming and functioning there and in that model of humanness it is in personality theory that psychology illumines theology and that psychology illumines theology A theologian who does not take full advantage of the way psychology illumines theology is not serious about the work of theology A psychologist who does not take full advantage of the way theology illumines psychology is not serious about the field and practice of psychology Science Religion and

Health explains in readable style how that interface and mutual illumination works and why it is crucial for Christian psychotherapists and pastors

Intellect Encounters Faith - A Synthesis J. Harold Ellens, John Tracy Greene, 2014-10-21 Intellect Encounters Faith A Synthesis is a Festschrift crafted to honor a renaissance man a literary tribute to Dr Jay Harold Ellens that has been long overdue While attending the 2014 International Meeting of the Society of Biblical Literature at the University of Vienna July 6 10 Professor Ellens celebrated his eighty second birthday He is still a most engaged and active scholar practicing clinical psychologist and military chaplain with the rank of Colonel He publishes widely in Second Temple Judaism and works that are on the cusp between religious studies history of religions and psychology as well as spirituality He is a marvel to behold and is an excellent indefatigable Vorbild for both professional colleagues as well as an ever growing number of aspiring scholars he mentors He is the model of the modern peripatetic scholar The Festschrift acknowledges the major foci of Professor Doctor Ellens own work Psychology Religious Literature and Military History Moreover there are included in this volume several personal reflections by some of his friends and colleagues also The essays chapters contained herein are works of deep and broad scholarship Yet they are deeply personal tributes to a master pedagogue who has touched many lives in many walks of life All however reflect Professor Ellens influence on the contributors as if one is looking at them through their writings and seeing him The reader will find this a most informative volume and will return to it often as an up to date reference work on trends in religious studies psychology psychology of religion s and even the archaeology of the Second Jewish Temple period One will discover between these covers a rare and valuable reference work that honors a rare prolific and generous man

Humor Us Donald Capps, 2016-10-21 This book addresses the fact that Americans tend to live under a considerable amount of stress tension and anxiety and suggests that humor can be helpful in alleviating their distress It posits that humor is a useful placebo in this regard cites studies that show that humor moderates life stress considers the relationship of religion and humor especially as means to alleviate anxiety proposes that Jesus had a sense of humor suggests that his parable of the Laborers in the Vineyard has humorous implications for the relief of occupational stress explores the relationship of gossip and humor and suggests that Jesus and his disciples were a joking community It concludes that Jesus viewed the kingdom of God as a worry free existence

The Historical Christ Bruce W. Behrman, 2023-02-16 This book uses the recent findings of cognitive and clinical psychology to draw a picture of the historical Jesus The author uses recent research on conversational memory and clinical psychology in order to shine a light on the way Jesus was This book argues that Jesus suffered from manic depressive illness He identified with God He suffered from extreme mood changes and felt great compassion towards people All of these are mental states which may be triggered by manic depression Manic depression is not a dementing illness This author is not saying that Jesus suffered from a backward type of psychosis But manic depression when manifested in talented persons acts as a catalyst to trigger artistic creativity Many great artists and poets have suffered from manic depression Byron Schumann Tennyson van Gogh Fitzgerald

and Lowell to name a few It is among great poets and artists such as these that the author place the historical Jesus This book therefore argues that the writers of the Gospels when they record Jesus as asserting his divinity were conveying an accurate picture of him His assertions of divinity were not fabrications of the early church **The Gift of Sublimation**

Nathan Carlin,Donald Capps,2015-06-23 There is not and never was a monolithic masculinity there are and always have been multiple masculinities Today diversity with regard to gender and sexuality is beginning to be recognized and celebrated even while many religious denominations still resist these cultural changes This book offers pastoral interpretations of these social shifts in light of psychological principles applying them to topics such as the moral disapproval of masturbation the efforts of some churches to convince homosexual men to adopt a heterosexual orientation the dynamics of male envy of female longevity the homosexual tendencies of King James of England and Scotland and biblical portraits of God s body gender and sexuality The authors make a special use of the psychoanalytic concept of sublimation that is the redirection of sexual desires that are considered unacceptable or unworthy toward interests and aspirations that are considered acceptable and worthy While the use of psychoanalytic hermeneutics here is likely to raise various red flags for potential religious readers especially for those who have been informed that Sigmund Freud was hostile toward religion this book presents a rather different

Freud by focusing on religious sublimation The God-Image Lionel Corbett,2021-11-01 This book describes the development of images of God beginning in antiquity and culminating in Jung s notion of the Self an image of God in the psyche that Jung calls the God within Over the course of history the Self has been projected onto many local gods and goddesses and given different names and attributes These deities are typically imagined as existing in a heavenly realm but Jung s approach recalls them to their origins in the objective psyche This book shows how Jung s approach avoids many of the philosophical problems produced by traditional anthropomorphic images of God and describes the myriad symbolic ways in which the Self may appear independently of doctrinal images of God By focusing on the empirical psychological manifestations of the Self Jung s approach avoids arguments for and against the existence of a metaphysical God

Jesus A Psychological Biography Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Jesus A Psychological Biography PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Jesus A Psychological Biography PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Jesus A Psychological Biography free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Jesus A Psychological Biography Books

1. Where can I buy Jesus A Psychological Biography books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
