Jesus A Life:

How Jesus Met Life Questions (Classic Reprint) Harrison Sacket Elliott, 2015-07-13 Excerpt from How Jesus Met Life Questions The title of this book exactly explains Its purpose and viewpoint This is not a book about the Bible but is intended as a guide through personal study and group discussion to a direct study of the New Testament record to find how Jesus met life questions The topic or problem of each chapter is stated in present day form The individual students and the group members are challenged to consider for themselves both the present day issue and the issue Jesus faced to see how Jesus met the problem Each one is asked to reach his own conclusion as to what Jesus ideal really was and to apply this heroically in relation to the present day problems as he meets them It is hoped that those who use the book will read and study the records of Jesus life eagerly open mindedly as if coming to them for the first time Earnest attempt has been made not to bias in any way the thinking and conclusions of those who use the book There is no particular set of ideas regarding the life and teachings of Jesus which the author is attempting to set forth The purpose is to get others to form ideas of their own rather than to adopt those which may appeal to him Only such modern questions have been introduced into each chapter as seem in their real issue and problem to be the same as Jesus faced and upon which it seems fair to go to the life of Jesus for direct help as to his viewpoint A major question at present is whether Jesus ideals and principles will really work in the modern world In answering this question too often Jesus life and teachings are warped to confirm some opinion that a person already holds or some current idea of that for which Jesus stood is accepted An earnest attempt has been made here to stimulate open minded reading of the records so that each individual or group may come to his own viewpoint as to Jesus attitude and idea on the problem in hand Each chapter has three sections After a brief introductory statement of the problem or question of the chapter the Bible references are printed out The Moffatt translation is used not as a substitute for the use of one s own Testament but for comparison and to bring the challenge of a new translation This is followed by Suggestions for Personal Study These are questions upon the Scripture intended to lead the reader to discover the issue or situation in each reference and to find the big Ideas for which Jesus stood These Suggestions in seven sections can be used for daily study in the Morning Watch or followed in a study of the chapter at a single sitting if preferred About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Jesus a Life Andrew Norman Wilson, 1992 **The Life** J. Letters and Papers from Prison Dietrich Bonhoeffer,Isabel Best,John W. de Gruchy,Lisa E. Dahill,2010-06-01 Despite Dietrich Bonhoeffer's earlier theological achievements and writings it was his correspondence and notes from prison that electrified the postwar world six years after his death in 1945 The materials gathered and selected by his friend Eberhard Bethge in *Letters and Papers from Prison* not only brought Bonhoeffer to a wide and appreciative readership especially in North America they also introduced to a broad readership his novel and exciting ideas of religionless Christianity his open and honest theological appraisal of Christian doctrines and his sturdy if sorely tried faith in face of uncertainty and doubt This splendid volume in many ways the capstone of the Dietrich Bonhoeffer Works is the first

Impeccability and Temptation Johannes Grössl, Klaus von Stosch, 2021-04-13 In Christian theology the teaching that Christ possessed both a human and divine will is central to the doctrine of two natures but it also represents a logical paradox raising questions about how a person can be both impeccable and subject to temptation This volume explores these questions through an analytic theology approach bringing together 15 original papers that explore the implications of a strong libertarian concept of free will for Christology With perspectives from systematic theologians philosophers and biblical scholars several chapters also offer a comparative theology approach examining the concept of impeccability in the Muslim tradition Therefore this volume will be of interest to scholars and graduate students working in analytic theology biblical scholarship systematic theology and Christian Islamic dialogue
