Jesus According To Paul:

Jesus the Lord according to Paul the Apostle Gordon D. Fee, 2018-01-02 Representing the fruit of a lifetime of study this work from a revered evangelical scholar provides a concise summary of Paul's teaching about Jesus. Over the years Gordon Fee has written and taught extensively on Paul's understanding of the person of Christ. In this handy volume he offers the results of his exegetical work in a form accessible to any interested reader of Scripture. The book includes a foreword by Cherith Fee Nordling.

Jesus According to Paul Victor Paul Furnish, 1993-12-09 Paul's letters are the earliest surviving Christian writings and therefore the earliest documentary evidence for what Jesus's followers knew and said about him. The present volume deals with questions frequently asked about Paul: Did he know Jesus personally? If not, then how much did Paul know about Jesus and how did this information come to him? Where in his letters does Paul make use of Jesus's teachings, how does he employ them, and what kind of authority does he accord them? Above all, why does Paul place so much emphasis on Jesus' death and resurrection? How is he able to proclaim these as saving events? Finally, a closing chapter considers how several writings in the Pauline tradition variously continued and altered the apostle's own interpretation of Jesus. Because these Pauline understandings of Jesus have remained so influential across twenty centuries, the more fully they are appreciated, the more one is helped in understanding Jesus today.

Paul and Jesus James D. Tabor, 2013-11-26 Draws on St Paul's letters and other early sources to reveal the apostle's sharply competing ideas about the significance of Jesus and his teachings while demonstrating how St Paul independently shaped Christianity as it is known today.

Paul, the Interpreter of Christ A. T. Robertson, 1921

Pillars of Paul's Gospel John F. O'Grady, 1992 An introductory overview of Paul's letters to the Galatians and Romans that integrates the influence of this apostle's personality and history. Can be used as a companion text to the Paulist Bible Study Program.

Jesus, Paul, and the Gospels James D.G. Dunn, 2011-05-03 This compact theological primer from a widely respected scholar offers a well integrated and illuminating approach to a variety of basic issues in the study of the New Testament. Provided by publisher.

Paul, the Apostle of Jesus Christ Ferdinand Christian Baur, 2021-05-28 Baur's Paul the Apostle of Jesus Christ was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul. It lays the basis for modern Pauline scholarship. The first part, The Life and Activity of the Apostle Paul, consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles. While the author of Acts passed on historical traditions about Paul, he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul. The second part, The Epistles of the Apostle Paul, is divided into three main sections: the authentic epistles of Paul (Galatians 1 and 2, Corinthians, Romans, the deutero-Pauline epistles Ephesians, Colossians, Philippians, Thessalonians, Philemon, and the Pastoral Epistles 1 and 2 Timothy, Titus). In the first two parts, Baur's historical critical skills are at their finest. The third part, The Apostle's Theological Framework, draws the elements of Pauline theology into a

magnificent synthesis where the influence of Hegel and Schleiermacher is evident The earlier English translation is no longer adequate Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek Baur on Paul truly becomes available in English for the first time Paul and Jesus David Wenham,2002 It has been fashionable in New Testament scholarship to view the apostle Paul as a religious freelancer who corrupted Jesus teachings David Wenham has written convincingly against this view and in this new book he introduces readers to the true Paul Rooted in a thorough knowledge of the New Testament this book fulfills two important purposes First it provides a superb introduction to Paul himself Wenham describes Paul s early life shows the importance of his conversion and follows him on his missionary journeys Second the book explores Paul s relation to Jesus Writing in dialogue with those who wish to distance Paul from Jesus Wenham shows just how important the ministry and teaching of Jesus were to Paul s own thought and evangelism What emerges from a study of Paul s epistles is a man who drew extensively on the traditions of Jesus and faithfully worked to spread his message to the rest of the world *Two Men, Two Acts, Two Results* J. A. Youngberg,2011-02-01 The purpose of this book is to set forth the gospel of grace the good news concerning Christ and Him crucified and that alone It is sent forth with the prayer that through the reading of these pages many will be led out of darkness into the glorious light of God s love and that the Lord s people will be further equipped to render unto Him effectual service having a more thorough working knowledge of the gospel of grace so important in true Christian testimony all in all that our blessed Redeemer and Lord may be glorified from the Preface **Paul** F.B. Meyer,2017-01-30 Of the many Sacred Biographies I have written this has been by far the most interesting For days and weeks together I have lived in the company of this glorious man but only to feel that he transcended all one s loftiest conceptions Like some great mountain range the more his character is traversed the more it grows on the imagination From the Preface **Did St Paul Get Jesus Right?** David Wenham,2011-10-19 Was St Paul a distorter of Jesus original message or a faithful follower Over recent years some critics of Christianity have claimed that while Jesus was a gifted teacher and a man of unparalleled kindness St Paul was the true founder of Christianity which he based on a delusional mistake the idea that Jesus was God This theory has found its way into academia churches newspapers and most recently novels In *Did St Paul Get Jesus Right* respected New Testament scholar David Wenham looks at the historical evidence for such claims Comparing the life and message of Jesus with the writings of St Paul he offers a thoughtful exploration of their relationship concluding that far from imagining Christianity Paul was the messenger of an inherited faith Spirituality According to Paul Rodney Reeves,2011-09-28 Rodney Reeves contrasts easy spiritualities of serenity and retreat with the apostle Paul s vision a cross shaped spirituality for fools making their way through life s trials Responding to Paul s invitation follow me as I follow Christ Reeves discovers an ancient spiritual path in the letters of Paul *Dying and Rising with Christ* Terrance Callan,2006 Sydney and Alex are classic LDS high school sweethearts Sydney is an A student trying to decide between scholarships and Alex is a quiet jock preparing to

serve a mission But finding out on the eve of graduation that Sydney is pregnant changes all their plans Now they both journey to rebuild their futures and their lives but it may rip them apart forever Christianity According to St. Paul Charles Archibald Anderson Scott,1961 *The Origin of Paul's Gospel* Seyoon Kim,1984 **Reading Paul** Michael J.

Gorman,2008-01-01 Explores the central themes of Paul s gospel Gorman places special emphasis on the theopolitical character of Paul s gospel and on its themes of cross and resurrection multiculturalism in the church and peacemaking and nonviolence as the way of Christ Gorman also offers a distinctive interpretation of justification by faith as participation in Christ From publisher description *Paul on the Cross* David A. Brondos, Even as theologians and others have become more critical of classic theories of atonement Brondos maintains biblical scholars have continued to understand Paul s soteriology based on the language and categories of a thousand years later In this vital volume he draws the theological consequences of the new perspective on Paul for our understanding of the meaning and efficacy of Jesus death Paul says Brondos understood Jesus death primarily as the consequence of his mission of serving as God s instrument to bring about the awaited redemption of Israel in which Gentiles throughout the world would also be included For Paul Jesus death is salvific not because it satisfies some necessary condition for human salvation as most doctrines of the atonement have traditionally maintained nor because it effects some change in the situation of human beings or the world in general but because God responded to Jesus faithfulness unto death by raising him ensuring that all the divine promises of salvation would be fulfilled through him Jesus death forms part of an overarching story culminating in the redemption of Israel and the world it is this story and in particular what precedes and follows Jesus death on the cross which makes that death redemptive for Paul

The Epistle of Paul to the Romans Abiel Abbot Livermore,1861 **Commentaries on the Epistles of Paul to the Galatians and Ephesians** Jean Calvin,1854 *Paul and His Life-Transforming Theology* Roger Mohrlang,2013-02-12 Here is a concise inviting introduction to the greatest of the early Christian missionaries the Apostle Paul his life his letters his thinking and the life transforming gospel he proclaimed Readers will find this book academically stimulating theologically rich and personally challenging It highlights the ways Paul s life and thinking differ from and challenge the life and thinking of Christians today Written in nontechnical language for both Christian students and general Christian readers this book the result of a lifetime of studying and teaching Paul s letters will be helpful to all students and teachers of the Bible who want a deeper understanding of Paul his theology and the implications of his powerful letters for Christians today
