separating Canada from the conflicts and disputes indigenous to the Middle East and responds to the presence of the Arab Israeli conflict in the mainstream of daily life and politics in Canada **High River and the Times** Paul Voisey,2004-01-30

Founded in 1905 the High River Times served a community of small town advertisers and an extensive hinterland of ranchers and farmers in southern Alberta Under the ownership of the Charles Clark family for over 60 years the Times established itself as the epitome of the rural weekly press in Alberta Even Joe Clark the future prime minister worked for the family business While historians rely heavily on local newspapers to write about rural and small town life Paul Voisey has studied the influence of the Times on shaping the community of High River Foreword by Rt Hon Joe Clark PC CC **Portrait and Biographical Album of Jefferson and Van Buren Counties, Iowa. Containing Full Page Portraits and Biographical Sketches of Prominent and Representative Citizens of the County, Together with Portraits and Biographies of All ... Governors of the State** ,1890 Partisan Odysseys Nelson Wiseman,2020-04-23

Motifs or recurring elements in Canadian party politics speak to dominant ideas of the era Partisan Odysseys looks at how political parties have adjusted adapted and sometimes reinvented themselves in response to these cultural cues Scrum Wars Allan Levine,1996-08-08

The image of the scrum a beleaguered politician surrounded by jockeying reporters is central to our perception of Ottawa The modern scrum began with the arrival of television but even in Sir John A Macdonald's day a century earlier reporters in the parliamentary press gallery had waited outside the prime minister's office pen in hand hoping for a quote for the next edition The scrum represents the test of wills the contest of wits and the battle for control that have characterized the relationship between Canadian prime ministers and journalists for more than 125 years Scrum Wars chronicles this relationship It is an anecdotal as well as analytical account showing how earlier prime ministers like Sir John A Macdonald and Sir Wilfrid Laurier were able to exercise control over what was written about their administrators while more recent leaders like John Diefenbaker Joe Clark John Turner and Brian Mulroney often found themselves at the mercy of intense media scrutiny and comment **Do Conventions Matter?** John Childs Courtney,1995

National leadership conventions in Canada attract widespread public interest but with growing support for direct democracy and universal voting they may soon become a thing of the past In Do Conventions Matter John Courtney a leading authority in the field explores the party leadership selection process in Canada in an age of television dominated politics and assesses its uncertain future **Essays The Art of Description: Vol. I** Jim Johnston,2017-06-21

Essays The Art of Description is a magnificent vista of thrilling collectibles relics of Americana that might not quite make the grade for featuring in the Smithsonian or Cooperstown for that matter yet in many instances these are intensely appealing to an expansive audience beyond the world of collectingdom These are objects d'art most of them with fabulous heritages and many of them with compelling visual presence as well The catalyst in all this however **Portrait and Biographical Album of Morgan and Scott Counties, Illinois** ,1889 Just One Vote Ian Stewart,2009-04-30

On January 12 1986 Jim Walding was nominated as the New Democratic Party candidate for the

Manitoba constituency of St Vital Although Walding had been an MLA for fifteen years he had fallen out of favour with key elements in his party and won the nomination by only a single vote Walding went on in turn to bring down his own government by a single vote marking the only time in the history of Canadian politics that a majority government was brought down from within Combining data drawn from archives interviews and the media Just One Vote is a vivid and exceptionally detailed study of the nomination process Ian Stewart outlines the geographic social and political backdrop behind Walding s contested party nomination the unusual chain of events triggered by the contestation including the fall of the Pawley government and the NDP s defeat in the 1988 provincial election and examines the fallout from these events on Manitobans and Canadians *An Index to Legal Periodical Literature* ,1919 Portrait and Biographical Album of Morgan and Scott Counties, Ills ,1889 Brief biographies of governors and other representative citizens in Morgan and Scott Counties Illinois **Trudeau's Tango** Darryl Raymaker,2017-05-26 A chronicle of Pierre Elliot Trudeau s first term as prime minister and the attempt to bridge one of Canada s classic political fault lines Trudeau appeared to enjoy the encounter He stood his ground while escaping projectiles including a tomato In this insightful and lively history Liberal insider Darryl Raymaker recalls the attempt to broker a marriage from hell between the federal Liberal Party and Alberta s Social Credit government in the late 1960s Raymaker uses his deep connections and backroom knowledge to trace the tangled political relationships that developed when charismatic statesman Pierre Trudeau confronted the forces of oil and agriculture in Canada s west Part memoir part chronicle Trudeau s Tango provides a window into Canadian history politics economics and the zeitgeist of the late 1960s Trudeau s Tango is part memoir part documentary of the geographic cultural and political divisions that are a permanent fixture of Confederation The fact we held it together remains a world class achievement Compelling reading for any Canada 150 book club A fresh and lively account of politics with sharp elbows Holly Doan Blacklock s Reporter An excellent book about Alberta and the Trudeaus Warren Kinsella HuffPost Raymaker s book recalls a tumultuous political era with wry humour and a touch of anger Frank Dabbs Alberta Views A detailed chronology of the history and tangled political relationships of the Liberal Party at the national and provincial levels and its opponents in Alberta the once dominant Social Credit Party and then the Progressive Conservatives from December 1967 through November 1972 The account is filled with blow by blow descriptions of political events and encounters at the provincial level Recommended G A McBeath CHOICEMagazine **LIFE** ,1950-11-13 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use We've Got Blog Perseus Publishing,2002 An introduction to the phenomenon of Weblogs online journals and diaries and the people who keep them **Canada Year Book** ,1981 **LIFE** ,1950-11-13 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of
