DiMaggio -Softbound Edition Morris Engelberg Marv Schneider, Having met the challenge of a posthumous collaboration with the great Robert Jordan to complete his classic bestselling fantasy series The Wheel of Time with three 1 New York Times bestsellers in a row Brandon Sanderson is at last free to return to the decade spanning task of creating his own multi volume epic one that he hopes will make a comparable mark on the field That epic is The Stormlight Archive and it began in 2010 with Tor's longest most elaborately embellished novel ever The Way of Kings In that first volume we were introduced to the remarkable world of Roshar a world both alien and magical where gigantic hurricane like storms scour the

surface every few days and life has adapted accordingly Roshar is shared by humans and the enigmatic humanoid Parshendi with whom they are at war Among those caught up in the conflict are Brightlord Dalinar Kholin who leads the human armies his sister Jasnah a renowned scholar her student Shallan a brilliant but troubled young woman and Kaladin a military slave who by the book's end had become the first magically endowed Knight Radiant in centuries In *Words of Radiance* their intertwined stories will continue and as Sanderson fans have come to expect develop in unexpected wonderfully surprising directions The war with the Parshendi will move into a new dangerous phase as Dalinar leads the human armies deep into the heart of the Shattered Plains in a bold attempt to finally end it Shallan will come along hoping to find the legendary perhaps mythical city of Urithuru which Jasnah believes holds a secret vital to mankind's survival on Roshar The Parshendi take a dangerous step to strengthen themselves for the human challenge risking the return of the fearsome Voidbringers of old To deal with it all Kaladin must learn how to fulfill his new role as leader of the restored Knights Radiant while mastering the powers of a Windrunner With this second book the *Stormlight Archive* grows even more richly immersive and compelling Sanderson's fans old and new are likely to lift it at least as high on the bestseller lists as its predecessor
