Johann Zainer, the Elder and Younger Peter Amelung, Ruth Schwab-Rosenthal (trans), 1985 **Peter Amelung's Johann Zainer, the Elder & Younger** Peter Amelung, 1985 *Pilgrim and Preacher* Kathryne Beebe, 2014 Pilgrim and Preacher seeks to understand the numerous pilgrimage writings of the Dominican Felix Fabri 1437-8-1502 not only as rich descriptions of the Holy Land Egypt and Palestine but also as sources for the religious attitudes and social assumptions that went into their creation Fabri an Observant reformer and talented preacher as well as a two time Holy Land pilgrim adapted his pilgrimage experiences for four different audiences He produced the rhymed Swabian German Pilgerbuchlein for those who sponsored his first voyage the encyclopaedic Latin Evagatorium for his Dominican brethren the vernacular Pilgerbuch for the noble patrons of his second voyage and their households and finally the vernacular Sionpilger an imagined or virtual pilgrimage for the nuns in his care who were unable to make the real journey themselves This study asks fundamental questions about the readership for such works and then builds upon an analysis of Fabri's audiences to reassess the nature of piety and the place both pilgrimage literature and Observant reform had in it in late medieval Germany Pilgrim and Preacher is a study of reception yet one that departs from traditional approaches to pilgrimage literature which see pilgrimage writing merely as a body of texts to be classified according to genre or mined for colourful details about the Jerusalem journey This work combines the insights of both literary theory and historical studies with an original empirical contribution based on an analysis of the manuscripts and printed history of Fabri's writings setting them in their historical and cultural contexts Such an analysis allows us to understand better the working of the religious imagination amongst urban elites and women religious in the late middle ages By charting the influences of the Observance Movement within the Dominican Fabri's writings were intended for both his young novices to make them more effective preachers and for the religious women who could only go to Jerusalem via the imagination Pilgrim and Preacher also makes an important contribution to the history of the Dominican Observance movement and the wider currents that flowed between it and the civic and religious feelings of the age The Huntington Library Quarterly Henry E. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
