

Johannine Christianity

Gerd Theissen

Johannine Christianity:

Johannine Christianity D. Moody Smith, 2006-04-01 Brings together ten important essays on the sources setting and theology of the Gospel of John This book provides an overview of the setting for Johannine Christianity and a survey of the different approaches that scholars have used to integrate these three aspects of the gospel *Reconsidering Johannine Christianity* Raimo Hakola, 2015-04-10 Reconsidering Johannine Christianity presents a full scale application of social identity approach to the Johannine writings This book reconsiders a widely held scholarly assumption that the writings commonly taken to represent Johannine Christianity the Gospel of John and the First Second and Third Epistles of John reflect the situation of an introverted early Christian group It claims that dualistic polarities appearing in these texts should be taken as attempts to construct a secure social identity not as evidence of social isolation While some scholars most notably Richard Bauckham have argued that the New Testament gospels were not addressed to specific early Christian communities but to all Christians this book proposes that we should take different branches of early Christianity not as localized and closed groups but as imagined communities that envision distinct early Christian identities It also reassesses the scholarly consensus according to which the Johannine Epistles presuppose and build upon the finished version of the Fourth Gospel and argues that the Johannine tradition already in its initial stages was diverse *Communities in Dispute* R. Alan Culpepper, Paul N. Anderson, 2014-11-15 Presenting the best work on the Johannine Epistles from a world class gathering of scholars This anthology includes papers presented at the McAfee School of Theology Symposium on the Johannine Epistles 2010 Contributions on the relationship between the Gospel of John and the Letters of John Johannine theology and ethics the concept of the Antichrist and the role of the elder round out the collection This is a must have book for libraries and New Testament scholars Features Introductory essay places the collection in context Articles engage the work of Raymond Brown and J Louis Martyn Sixteen essays from the Book of Psalms Consultation group and invited scholars **The Christology of the Fourth Gospel** Paul N. Anderson, 1996 Johannine Theology Paul A. Rainbow, 2014-09-05 In this magisterial synthesis Paul A Rainbow presents the most complete account of the theology of the Johannine corpus available today Both critical and comprehensive this volume includes all the books of the New Testament ascribed to John the Gospel the three epistles and the book of Revelation **Johannine Faith and Liberating Community** David Rensberger, 1988-01-01 Building on recent developments in biblical studies David Rensberger explores new avenues of interpretation of the Fourth Gospel made possible by the rediscovery of its social and historical settings He looks to the first generation of readers and considers the range of meanings the Gospel might have held for them He sees that behind the spiritual there is the possibility of social and even political interpretations He discusses the relation of John s Gospel to liberation theology and to contemporary questions on the role of the church in the world *Cambridge History of Christianity: Volume 1, Origins to Constantine* Margaret M. Mitchell, Frances M. Young, K. Scott Bowie, **A History of the First Christians** , 2004-01-30 This work provides a survey

of the history of the earliest Christian church in the period up to the fall of Jerusalem It concentrates on the figure of Paul judicious and critical use of information in the Book of Acts Judaizing versions of Christianity and the Johannine tradition The approach steers a middle way between an over simplified account which fails to warn students where scholarly opinion is divided and an in depth academic study which attempts to document and discuss every hypothesis Wedderburn focuses on aspects of central importance the changing shape of church life and developing Christianity in relation to the Roman Empire and to Judaism This book seeks to draw together and make more readily accessible many new insights gained from an enormous range of recent scholarly studies in German and English and places them in the context of a more general account

Johannine Christianity in Conflict D. Bruce Woll,1981 **The Gospel of John in Christian History, (Expanded Edition)** J. Louis Martyn,2019-07-16 This collection of essays on John by J Louis Martyn gathers four additional Johannine essays into a single volume augmenting the three published earlier in *The Gospel of John in Christian History* 1978 In addition to the essays published in the third edition of *History and Theology in the Fourth Gospel* 2003 these two volumes preserve for later generations the complete set of Martyn published works on John In a timely way the publication of this volume follows the 50th anniversary of the publication of *History and Theology* 1968 which John Ashton regarded as the most important single Johannine monograph since the commentary of Rudolf Bultmann It also follows the 40th anniversary of the publication of his second Johannine book which serves as the core of the present volume From the Editor s Preface The Gospel of Thomas and Christian Wisdom Stevan L. Davies,2005 Discovered in Egypt in 1945 as part of the Nag Hammadi Library the Gospel of Thomas was long considered irrelevant to the study of Jesus teachings Stevan Davies influential *The Gospel of Thomas and Christian Wisdom* overturned this view and enabled the Gospel of Thomas to be taken seriously as a source for the earliest Christianity This Bardic Press edition brings a classic work of accessible scholarship back into print A entirely new forty page introduction discusses recent developments in scholarship looks at Thomas independence from the New Testament gospels discusses the role of Mary Magdalene in the Gospel Thomas and offers a variety of valuable insights A fascinating additional essay speculates that Thomas may have been used as an oracle text in a similar way to the I Ching

Reconsidering Johannine Christianity Raimo Hakola,2015-04-10 *Reconsidering Johannine Christianity* presents a full scale application of social identity approach to the Johannine writings This book reconsiders a widely held scholarly assumption that the writings commonly taken to represent Johannine Christianity the Gospel of John and the First Second and Third Epistles of John reflect the situation of an introverted early Christian group It claims that dualistic polarities appearing in these texts should be taken as attempts to construct a secure social identity not as evidence of social isolation While some scholars most notably Richard Bauckham have argued that the New Testament gospels were not addressed to specific early Christian communities but to all Christians this book proposes that we should take different branches of early Christianity not as localized and closed groups but as imagined communities that envision distinct early Christian identities It

also reassesses the scholarly consensus according to which the Johannine Epistles presuppose and build upon the finished version of the Fourth Gospel and argues that the Johannine tradition already in its initial stages was diverse

The Early Christians in Ephesus from Paul to Ignatius Paul Trebilco, 2007-10-17 The capital city of the province of Asia in the first century CE Ephesus played a key role in the development of early Christianity In this book Paul Trebilco examines the early Christians from Paul to Ignatius seen in the context of our knowledge of the city as a whole Drawing on Paul's letters and the Acts of the Apostles Trebilco looks at the foundations of the church both before and during the Pauline mission He shows that in the period from around 80 to 100 CE there were a number of different communities in Ephesus that regarded themselves as Christians the Pauline and Johannine groups Nicolaitans and others testifying to the diversity of that time and place Including further discussions on the Ephesus addresses of the apostle John and Ignatius this scholarly study of the early Ephesian Christians and their community is without peer

The Religion of the Earliest Churches Gerd Theissen, A major contribution to the theory of religion and early Christianity

The Gospel of John and Christian Theology Richard Bauckham, Carl Mosser, 2008-02-25 In recent years the disciplines of biblical studies and systematic theology have grown apart and largely lost the means of effective communication with one another Unfortunately this relational disconnect affects more than just these particular fields of study it impacts the life of the church as a whole The first St Andrews Conference on Scripture and Theology brought leading biblical scholars and systematic theologians together in conversation seeking to bridge the gap between them Due to its profound influence on the development of Christian theology John's Gospel is an ideal base for rekindling fruitful dialogue The essays here taken from the inaugural conference consider this Gospel from many angles addressing a number of key issues that arise from a theological discussion of this text John's dualism in our pluralist context historicity and testimony the treatment of Judaism Christology and more This is the beginning of a conversation that can only be enriched by variety and experimentation It is a signpost pointing towards a not too distant future when interdisciplinary conversation and collaboration between these two natural partners will become no longer occasional and surprising but a normal and essential element in the flourishing of both

Richard Bauckham from the introduction Contributors Paul N Anderson Stephen C Barton Richard Bauckham D Jeffrey Bingham C Stephen Evans Terry Griffith Martin Hengel Kasper Bro Larsen Tord Larsson Judith Lieu Andrew T Lincoln Jürgen Moltmann Carl Mosser Stephen Motyer Murray Rae Anastasia Scrutton Marianne Meye Thompson Sigve K Tonstad Alan J Torrance Miroslav Volf Rowan Williams

Christian Beginnings Geza Vermes, Penguin Books LTD, 2013-03-26 DIV The creation of the Christian Church is one of the most important stories in the development of the world's history but also one of the most enigmatic and little understood shrouded in mystery and misunderstanding Through a forensic brilliant reexamination of all the key surviving texts of early Christianity Geza Vermes illuminates the origins of a faith and traces the evolution of the figure of Jesus from the man he was a prophet recognizable as the successor to other Jewish holy men of the Old Testament to what he came to

represent a mysterious otherworldly being at the heart of a major new religion As Jesus's teachings spread across the eastern Mediterranean hammered into place by Paul and his successors they were transformed in the space of three centuries into a centralized state-backed creed worlds away from its humble origins Christian Beginnings tells the captivating story of how a man came to be hailed as the Son consubstantial with God and of how a revolutionary anticonformist Jewish subject became the official state religion of the Roman Empire div **The First One Hundred Years of Christianity** Udo

Schnelle,2020-06-30 Beginning as a marginal group in Galilee the movement initiated by Jesus of Nazareth became a world religion within 100 years Why among various religious movements did Christianity succeed This major work by internationally renowned scholar Udo Schnelle traces the historical cultural and theological influences and developments of the early years of the Christian movement It shows how Christianity provided an intellectual framework a literature and socialization among converts that led to its enduring influence Senior New Testament scholar James Thompson offers a clear fluent English translation of the successful German edition *Fire in My Soul* Soon Bong Choi,Jin Ki Hwang,Max J.

Lee,2014-06-26 Fire in My Soul pays tribute to the life and legacy of Dr Seyoon Kim who has taught as Professor of New Testament at Fuller Theological Seminary for almost two decades and is known internationally for his work on the origin of Paul's gospel This collection of essays in his honor revisits classic issues in Pauline studies and offers fresh insights on Paul's use of righteousness language in his letters the occasion and purpose of Romans the problem of universal sinfulness and justification by faith It also presents several exegetical studies on the use of the Old Testament in the gospels Scholars students and pastors interested in Pauline soteriology and gospel hermeneutics will find this volume helpful in their own research teaching and ministry The New Testament Arthur J. Bellinzoni,2016-02-10 This is not your typical introduction to the New Testament Rather Bellinzoni invites the reader to understand how biblical scholars employ the historical method to understand better who Jesus of Nazareth really was and how and why oral and then written tradition about Jesus developed into the New Testament Instead of simply summarizing the results of biblical scholarship Bellinzoni discusses the rules of evidence and the tools of the historical method that scholars use He then approaches the text of the New Testament by leading the reader step by step through relevant biblical texts in order to illustrate some of the tools of New Testament study and how these tools work textual criticism literary criticism and philology source criticism form criticism redaction criticism etc This volume doesn't just describe the conclusions of biblical scholarship it invites the reader to actually do biblical scholarship and thereby draw the best possible conclusions about what happened when and why This volume is not limited to the twenty-seven books of the New Testament but discusses relevant extra-canonical early Christian literature which is critical to an understanding of the history of the early church and the development of the New Testament canon

Johannine Christianity D. Moody Smith,2014-06-04 Brings together ten important essays on the sources setting and theology of the Gospel of John This book provides an overview of the setting for Johannine Christianity and a survey of the

different approaches that scholars have used to integrate these three aspects of the gospel

This book delves into Johannine Christianity. Johannine Christianity is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Johannine Christianity, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to Johannine Christianity
- Chapter 2: Essential Elements of Johannine Christianity
- Chapter 3: Johannine Christianity in Everyday Life
- Chapter 4: Johannine Christianity in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of Johannine Christianity. This chapter will explore what Johannine Christianity is, why Johannine Christianity is vital, and how to effectively learn about Johannine Christianity.
3. In chapter 2, this book will delve into the foundational concepts of Johannine Christianity. This chapter will elucidate the essential principles that must be understood to grasp Johannine Christianity in its entirety.
4. In chapter 3, this book will examine the practical applications of Johannine Christianity in daily life. The third chapter will showcase real-world examples of how Johannine Christianity can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of Johannine Christianity in specific contexts. The fourth chapter will explore how Johannine Christianity is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about Johannine Christianity. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Johannine Christianity.

Johannine Christianity Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Johannine Christianity PDF books and manuals is the internet's largest free library. Hosted online,

this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Johannine Christianity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Johannine Christianity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Johannine Christianity Books

1. Where can I buy Johannine Christianity books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Johannine Christianity book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Johannine Christianity books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Johannine Christianity audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Johannine Christianity books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
