John Bulls Crime Or Assaults On Republic:

John Bull's Crime Webster William Davis,1901 John Bull's Crime Webster William Davis,1901 **John Bull's Crime** Webster Davis,2015-06-24 Excerpt from John Bull s Crime Or Assaults on Republics After a hard campaign tour of six weeks in Ohio and other states during the months of September and October 1899 my physician in Washington D C advised me to take a long sea voyage in order to get rest as I was on the verge of nervous prostration I immediately thought of a trip to Cape Town South Africa as my old friend and neighbor Colonel J G Stowe United States Consul General there had been writing letters for two years urging me to visit him I had been Assistant Secretary of the Interior for three years and had never taken a vacation while the law entitled me to thirty days leave of absence and thirty days sick leave each year therefore it seemed to me that I was entitled to a good long vacation The President said I had certainly earned it and should take it At that time I knew but little about the South African war What little I had read was favorable to the British side It was claimed by British sympathizers that the Boers were uncouth savages and that the war was waged against them for the purpose of civilizing them It was therefore a war for humanity and civilization About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *John Bull's Crime; Or, Assaults on Republics* Webster William Davis,2015-12-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *JOHN BULLS CRIME OR ASSAULTS O* Webster William 1862-1923 Davis,2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries
