## John Cage:

**The Music of John Cage** James Pritchett, 1996-03-14 The first book to examine fully the work of John Cage leading figure of the post war musical avant garde     *John Cage* Rob Haskins, 2013-02-15 American writer composer artist and philosopher John Cage 1912-92 is best known for his experimental composition 4 33 a musical score in which the performer does not play an instrument during the duration of the piece The purpose Cage said was for the audience to listen to the sounds of the environment around them while the piece was performed Groundbreaking pieces such as 4 33 as well as Sonatas and Interludes not only established Cage as a leading figure in the postwar avant garde movement but also cemented the enduring controversy surrounding his work In this new biography Rob Haskins explores Cage's radical approach to art and aesthetics and his belief that everyday life and art are one and the same Scrutinizing Cage's emphasis on chance over intention which rejected traditional artistic methods and caused an uproar among his peers Haskins elucidates the ideas that lay behind these pillars of Cage's work Haskins also demystifies the influence of Eastern cultures particularly Zen Buddhism on Cage including his use of the Chinese text I Ching as his standard composition tool in all his work after 1951 Adding to our understanding of the art music and ideas of the twentieth century this book provides an engaging look at a man who continues to challenge and inspire artists worldwide     **John Cage** David W. Patterson, 2013-10-28 John Cage seeks to explore the early part of the composer's life and career concentrating on the pre chance period between 1933 and 1950 that is crucial to understanding his later work The essays consider Cage's influences his evolving aesthetic and his movement toward ideology that would later shape his work     **John Cage (ex)plain(ed)** Richard Kostelanetz, 1996 No composer was more controversial prolific or more misunderstood than John Cage 1912-1992 No critic has spent more years defending Cage and his work than Richard Kostelanetz This work summarizes a lifetime's study of Cage's music literary works art and philosophy It both introduces Cage to the neophyte and offers valuable insights for the seasoned listener

**Silence** John Cage, 1961-06 John Cage is the outstanding composer of avant garde music today The Saturday Review said of him Cage possesses one of the rarest qualities of the true creator that of an original mind and whether that originality pleases irritates amuses or outrages is irrelevant He refuses to sermonize or pontificate What John Cage offers is more refreshing more spirited much more fun a kind of carefree skinny dipping in the infinite It's what's happening now The American Record Guide There is no such thing as an empty space or an empty time There is always something to see something to hear In fact try as we may to make a silence we cannot Sounds occur whether intended or not the psychological turning in direction of those not intended seems at first to be a giving up of everything that belongs to humanity But one must see that humanity and nature not separate are in this world together that nothing was lost when everything was given away     *The Roaring Silence: John Cage: A Life* David Revill, 2012-02-07 Composer John Cage is often described as the most influential musician of the last half century He has defined and continues to define our whole concept of avant garde not just

in music but increasingly as writer and visual artist *The Roaring Silence* is the first full length biography of Cage It documents his life in unrivalled detail interweaving a close account of the evolution of his work with an exploration of his aesthetic political and philosophical ideas David Revil maintains that Cage s extraordinary productivity and versatility are best understood in the light of his inner development His life work and ideas have clarified refined and reinforced one another and thereby Cage has made himself what he is While never assuming specialist knowledge this book discusses all of Cage s works in depth and sets them in the context of his compositional theoretical and personal development Also included are the most comprehensive worklist discography and bibliography available to date as well as many previously unpublished photographs The author draws judiciously on extensive library and archive material and on exclusive interviews and conversations with Cage and many of his friends and associates The result is a true to life and true to form appreciation of a genuine original of interest not only to the serious researcher and the musician but to everyone interested in the cultural influences that have shaped and are shaping 20th century thought Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

*No Such Thing as Silence* Kyle Gann, 2010-03-23 First performed at the midpoint of the twentieth century John Cage s 4 33 a composition conceived of without a single musical note is among the most celebrated and ballyhooed cultural gestures in the history of modern music A meditation on the act of listening and the nature of performance Cage s controversial piece became the iconic statement of the meaning of silence in art and is a landmark work of American music In this book Kyle Gann one of the nation s leading music critics explains 4 33 as a unique moment in American culture and musical composition Finding resemblances and resonances of 4 33 in artworks as wide ranging as the paintings of the Hudson River School and the music of John Lennon and Yoko Ono he provides much needed cultural context for this fundamentally challenging and often misunderstood piece Gann also explores Cage s craft describing in illuminating detail the musical philosophical and even environmental influences that informed this groundbreaking piece of music Having performed 4 33 himself and as a composer in his own right Gann offers the reader both an expert s analysis and a highly personal interpretation of Cage s most divisive work

**Conversing with Cage** Richard Kostelanetz, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company

CageTalk Peter Dickinson, 2014 John Cage was one of America s most renowned composers from the 1940s until his death in 1992 But he was also a much admired writer and artist and a uniquely attractive personality able to present his

ideas engagingly wherever he went As an interview subject he was a consummate professional The main source of CageTalk Dialogues with and about John Cage is a panoply of vivid and compulsively readable interviews given to Peter Dickinson in the late 1980s for a BBC Radio 3 documentary The original BBC program lasted an hour but the full discussions with Cage and many of the main figures connected with him were not published until the first edition of this book CageTalk also includes earlier BBC interviews with Cage including ones by the renowned literary critic Frank Kermode and art critic David Sylvester And Dickinson the editor of this volume contributes little known source material about Cage s Musicircus and Roaratorio as well as a substantial introduction exploring the multiple roles that Cage s varied and challenging output played during much of the twentieth century and continuo to play in the early twenty first Apart from the long interview with Cage himself there are discussions with Bonnie Bird Earle Brown Merce Cunningham Minna Lederman Otto Luening Jackson Mac Low Peadar Mercier Pauline Oliveros John Rockwell Kurt Schwertsik Karlheinz Stockhausen Virgil Thomson David Tudor La Monte Young and Paul Zukovsky Most of the interviews were given to Peter Dickinson but there are others involving Rebecca Boyle Anthony Cheevers Michael Oliver and Roger Smalley Peter Dickinson British composer and pianist is Emeritus Professor University of Keele and University of London and has written or edited several books about twentieth century music including Copland Connotations Boydell Press 2002 and The Music of Lennox Berkeley Boydell Press 2003

X John Cage, 1983-12 One of a series of experimental texts in which Cage tries to find a way of writing which comes from ideas is not about them but which produces them he attempts in X to create looser structures in both life and art to free my writing from my intentions

**The Selected Letters of John Cage** John Cage, 2013-10-22 This annotated selection of more than five hundred letters by the groundbreaking composer and avant garde icon covers every phase of his career This volume reveals the intimate life of John Cage with all the intelligence wit and inventiveness that made him such an important composer and performer The missives range from lengthy reports of his early trips to Europe in the 1930s through his years with the dancer Merce Cunningham They shed new light on his growing eminence as an iconic performance artist of the American avant garde Written in Cage s singular voice by turns profound irreverent and funny these letters reveal Cage s passionate interest in people ideas and the arts They include correspondence with Peter Yates David Tudor and Pierre Boulez among many others Readers will enjoy Cage s commentary about the people and events of a transformative time in the arts as well as his meditations on the very nature of art This volume presents an extraordinary portrait of a complex brilliant man who challenged and changed the artistic currents of the twentieth century

**John Cage** Sara Haefeli, 2017-12-06 This annotated bibliography uncovers the wealth of resources available on the life and music of John Cage one of the most influential and fascinating composers of the twentieth century The guide will focus on documentary studies archival resources scholarly research and autobiographical materials and place the composer and his work in a larger context of postmodern philosophy art and theater movements and contemporary politics It will support emerging scholarship and inquiry for future research on

Cage with carefully selected sources and useful annotations     *John Cage, Writer* John Cage, Richard Kostelanetz, 1993-01-01

In August 1992 John Cage died suddenly just a month before he would have celebrated his eightieth birthday The passing of one of the greatest avant garde figures of the century was mourned around the world and brought a new recognition of his achievements in music and art and a reconsideration of the Cage legacy that will long continue An essential part of this legacy are the writings gathered here which span more than fifty years of Cagean thought and creativity Generally unfamiliar they demonstrate that Cage was highly skilled in using language not only to provide insight into his own work but also to convey his response to the music of others his ideas about art film and dance and in An Autobiographical Statement his reflections on his own life career and self fulfillment Written between the late 30 s and the early 90 s these pieces here acquire the permanence they deserve Some have never been published before Many appeared only in magazines journals and catalogues others in concert programs and on record covers Also included are the texts of lectures and of crucial importance to an appreciation of his music Cage s notes on the performance of his compositions courtesy of his music publisher C F Peters Taken together these writings from their diverse sources and in their rich variety reveal a lessknown but central aspect of the genius of a mild mannered deeply courageous pioneer in the arts Dance critic Nancy Dalva has written John Cage taught us to listen to the world In this book we can learn what he heard     John Cage Marjorie Perloff, Charles Junkerman, 1994-08 John Cage Composed in America is the first book length work to address the other John Cage a revisionist treatment of the way Cage himself has composed and been composed in America Cage as these original essays testify is a contradictory figure A disciple of Duchamp and Schoenberg Satie and Joyce he created compositions that undercut some of these artists central principles and then attributed his own compositional theories to their tradition An American in the Emerson Thoreau mold he paradoxically won his biggest audience in Europe A freewheeling Californian artist Cage was committed to a severe work ethic and a firm discipline especially the discipline of Zen Buddhism     *A John Cage Reader* Peter Gena, Jonathan Brent, 1982     *John Cage and David Tudor* Martin Iddon, John Cage, David Tudor, 2013-03-07 Martin Iddon discusses one of the twentieth century s most provocative musical collaborations between composer John Cage and pianist David Tudor     *Writings about John Cage* Richard Kostelanetz, 1996 Distinguished composers performers and critics offer views of one of the most important figures in twentieth century music     **John Cage** John Cage, 1978     **John Cage, Essay, Music** John Cage, 2006     John Cage Composing, Computing, and Curating Sandra Skurvida, 2025-01-31 This study reassesses Cage s multifaceted practice from a transdisciplinary perspective using text as a premise for his musical visual lingual and museal compositions In his compositions John Cage opened the structures of music language and the museum to change perpetuated by chance operations His correspondences across history with an extended circle of creators including Erik Satie Marcel Duchamp and Henry David Thoreau among many others erased single minded authorship via methodical processing of source material Foreshadowing ecological recycling Cage s late compositions for

museum opened perspectives for posthuman mediation in curating and contemporary art He conceived of anarchy as the coexistence of mutually aiding yet autonomous self determinate entities This book introduces Cage to the twenty first century as a composer whose work intersects different temporalities and modes of being the past and the present the human and the non human and the individual and the communal The book will be of interest to scholars of art history music curatorial studies and museum studies
