John Currin Selects Museum of Fine Arts, Boston, William Stover, John Currin, 2003 How can one understand what the artist's eye sees In this volume the first in an occasional series of monographs the Museum of Fine Arts Boston confronts the specific vision of a contemporary artist publishing reproductions of artwork chosen by that artist alongside his own pieces The celebrated young figurative painter John Currin has here selected some 30 works of portraiture ancient to modern from the MFA's permanent collection evaluating them as one might a friend enemy or lover subjectively passionately at times irrationally but always with a visceral sense of connection and personal insight Currin pairs these portraits which in their juxtaposition become a composite self portrait with commentary on the works and the ways in which they relate to his own painting *Art Now Gallery Guide*, 2003-05 Director's Choice Malcolm Rogers, Museum of Fine Arts, Boston, 2004 Malcolm Rogers director of the Museum of Fine Arts Boston here takes the reader on a virtual tour of the MFA's most outstanding masterworks The objects presented cover a full range of times and cultures from Yorumba veranda posts Mayan drinking vessels and Asian decorative arts to paintings sculptures and prints by the likes of Hopper O Keeffe Pollock Homer Rubens Turner and many other old and modern masters Based on the Director's Choice Audio Tour one of the museum's most popular attractions Director's Choice presents the best of the best allowing both frequent visitors and those who have never set foot in the museum to enjoy its most notable treasures at leisure Nothing can replace an actual visit of course but the combination of Rogers's authoritative and enthusiastic commentary and the large full color reproductions of each object bring one as close as any book can come Not only that but the experience can be replayed again and again A perfect souvenir and an ideal introduction Director's Choice informatively and enjoyably demonstrates why the Museum of Fine Arts Boston is one of the world's leading cultural institutions *John Currin*, 2003 **John Currin**, *100 Artistes Contemporains* Hans Werner Holzwarth, 2009 100 Contemporary Artists brings together the most outstanding influential and therefore most important artists from 10 years of the highly successful TASCHEN series Art Now Formative figures of that time feature alongside prominent representatives of a younger generation which's blazing in its own trials **Report from the Select Committee on Tobacco Trade Together with the Minutes of Evidence, Appendix, and Index** Groot-Brittannië House of Commons, 1844 **The Art Assassin** Albert Wang, 2010-07-12 In this provocative and groundbreaking nonfiction novel Albert Wang who is an investigative reporter in the tradition of Hunter Thompson and Norman Mailer reinvents his fictional alter ego qi peng as a Utah conceptual artist who is trying to make it into the contemporary art world particularly New York City from a relative unknown This mystery novel begins with qi peng's suicide within his future and leads down a darker path into this emerging artist's sordid past as he aspires to find love and appreciation from his fellow artists characters celebrities Wang's controversial reportage as an act of performance art focuses on the spiritual murder of the soul as a counterpart to Truman Capote's classic book In Cold Blood that looks at physical murder of humans *Official Congressional Directory*
