## **John Beloved Apostle:**

The Beloved Disciple James H. Charlesworth, 1995 The Gospel of John refers five times to the disciple whom Jesus loved From the second through the present century scholars have sought to identify this disciple traditionally concluding that he is the author of the Gospel and is indeed none other than John the son of Zebedee In recent phases of research however the identification of the Beloved Disciple with John the son of Zebedee has been exposed as weak and unpersuasive Yet according to James Charlesworth even this new research is problematic in that it tends to ascribe priority in discerning the meaning of the Gospel of John to documents other than the Gospel itself Moreover this research tends to impute historical accuracy to documents that were not primarily intended to present histories Based on extensive research then Professor Charlesworth has concluded that the primary texts in the Gospel of John and the reflections of modern scholars indicate that any identification of the Beloved Disciple whether with one of the disciples specified in the Gospel with one who is anonymous in this Gospel or with some symbolic theme must provide credible answers to eight questions BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Beloved Apostle?** Michael J. Kok, 2017-11-03 Second century Christians had a significant role in shaping the import of the literary sources that they inherited from the first century through their editorial revisions and the church traditions that they appended to them Michael J Kok critically investigates the supposed clues that encouraged select Christian intellectuals to infer that John one of Jesus chosen twelve apostles was the mysterious disciple whom Jesus loved and to ascribe the fourth canonical Gospel as well as four other New Testament books back to him Kok outlines how the image of Saint John of Ephesus was constructed Not all early Christians approved of the fourth canonical Gospel and some expressed strong reservations about its theology preferring to link it with a heretical adversary rather than with an authoritative Christian founder figure Discover how the moves made in the second century were crucial for determining whether this Gospel would be preserved at all for posterity much less as part of the scriptural collection of the developing Orthodox Church **The Testimony of the Beloved Disciple** Richard Bauckham, 2007-11-01 How do historical and literary details contribute to a coherent theological witness to Jesus in the Gospel of John A leading British evangelical New Testament scholar answers that question with studies on themes from messianism to monotheism symbolic actions from foot washing to fish catching literary contexts from Qumran to the Hellenistic historians and figures from Nicodemus to the beloved disciple to Papias Originally published in various journals and collections these essays are now available for the first time in one affordable volume with a substantial new introduction that ties them all together A must have for serious students of the Fourth Gospel **The Disciple Whom Jesus Loved** J. Phillips, 2004 The Bible tells us that the disciple whom Jesus loved was the author of the book that is today called the Gospel of John But the Biblical evidence revealed in the scriptures is actually able to prove that this beloved disciple could not have been the apostle John From the Mount of Transfiguration to Jesus raising Lazarus from the dead from the Last Supper to the

Garden of Gethsemane this Bible study book answers the question who wrote the Gospel of John who was the disciple that Jesus loved using nothing but God's Word 149 pages including a topical index and a scripture index **John** Dorothy Laux,1977-06 Discusses the call training and work of John **John** Beth Moore,2008-09-01 Best selling author Beth Moore has a remarkable gift for crafting insightful Bible character studies Millions have been drawn to her inspired lessons and the media has called her America's Bible teacher The PERSONAL REFLECTIONS series continues to reintroduce Beth's most beloved character driven books expanding them into 90 day experiences that include nearly all of the text from her original work plus thoughtful questions and journal space to engage readers throughout this special time of study John is the new presentation of Moore's enduring favorite The Beloved Disciple The young gospel writer followed Jesus all the years of His ministry experiencing more miracles displays of power and perfect love than he could fathom And just as Christ led John into the depths of His love that same journey is here for us His beloved *The Beloved Disciple* Beth Moore,2003-08-01 John the apostle must have thought he had seen everything Having been with Jesus all the years of his ministry John witnessed more miracles than he could count saw more displays of power than he could comprehend and experienced more love than he could fathom And one unforgettable morning young John outran Peter to his Savior's empty tomb Just as Christ took John on a lifelong journey into the depths of His love He will do the same for you The bridegroom's love is unmatched and inexhaustible and He is waiting to lavish it on you His beloved *John* Beth Moore,2003 *Becoming the Beloved Disciple* Eric D. Huntsman,2018-12-10 The Gospel of John the Beloved isn't like the other Gospels John includes stories details and symbols not found anywhere else in the Bible showcasing models of discipleship from unlikely sources the outcast the unclean the unfaithful and more While there are many ways to be a disciple of Jesus Christ in the end all disciples are united by love for our Savior and willingness to follow Him **The Beloved Disciple** American Sunday-School Union,2016-06-22 Excerpt from *The Beloved Disciple The Life of the Apostle John* Just such was the character of the Lord Jesus himself He was God and God is love All the disciples excepting Judas were good men but none of them appears to have been so much like Christ in this respect as John It was natural therefore that the Lord should feel a particular attachment to him and that he should become known as the disciple whom he loved But whatever may have been the reason for giving him this title the fact that he was so called makes his history the more interesting and it is the object of this work to relate all that is known about the beloved disciple About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Beloved Witness** John the Apostle,Scott C. **Disciple, and John, the Elder** John Howard Reid,2007-11-20 This completely new translation and reconstruction of John s Gospel and his three Letters or Epistles in the New Testament of the Bible presents these books in their entirety and attempts to identify the Gospel contributions of John the priest the beloved disciple and John the elder or presbyter John s Letters of course were all written by the elder Also included in this Good News is the Letter to Christian Exiles by Peter and Silvanus in which it is argued that although the letter known as 1 Peter in English Bibles was issued under Peter s authority he had very little to do with its actual composition 25 pages of Notes are also provided on various topics arising from this new translation and reconstruction including an account of the four men named John who are associated with the Gospel and the exclusive use of the Septuagint Old Testament rather than the Hebrew Bible as the source of all quotations from Scripture by New Testament writers **The Beloved Disciple** ,1835 **The Disciple Whom Jesus Loved** John R.

Hargrove, Th.d.,2016-02-02 The Apostle John referred to himself as The Disciple Whom Jesus Loved That is because he was the best friends with out Lord John knew so much about the love of God and the power of that love He wanted us to experience it as well Bible teacher John R Hargrove shows that all we really have to do is live God s way if we want to be successful And oh what an experience it is to live the love of God through Jesus Christ God loved you enough to give His son to die in your place Jesus took your sin and gave you His righteousness The Apostle John wrote his gospel much later than the other three because he had something to say about the love of God that had not yet been said His is the most profound and deepest of Gospels John the Disciple Whom Jesus Loved set out to prove the Messiahship and Godhood of Jesus Christ by the irrefutable proof of His miraculous signs John wished to convince the Jews that the historical Jesus was the Christ the Jewish Messiah the Savior of mankind Bible scholar John R Hargrove takes you through the Gospel of John verse by verse in a comprehensive and enlightening study that we hope you will find rewarding *The Beloved Disciple. Reflexions on the History of St. John* Mrs. Webb-Peploe (Annie),1848 *The Disciple Whom Jesus Loved* Edward Reaugh Smith,2000-08 12 lectures in various cities March 21 July 11 1922 CW 211 We must understand that if we relate only to dead matter we ourselves become dead and ahrimanic but if we have sufficient courage and love for all the beings around us to relate to them directly not to our dead ideas about them we discover the Christ in everything and victorious spirit everywhere When this happens we may need to speak in ways that seem paradoxical to our contemporaries We may need to speak about the individual spiritual beings that live in the solid and fluid elements and so forth As long as we avoid talking about these beings we are talking about a dead science that is not imbued with the Christ To speak about them is to speak in a truly Christian sense We must imbue all of our scientific activity with the Christ More than that we must also bring the Christ into all of our social efforts all of our knowledge in short into all aspects of our life The Mystery of Golgotha will truly bear fruit only through human strength human efforts and human love for each other In this sense Anthroposophy in all its details strives to imbue the world with the Christ Rudolf Steiner These lectures were given midway between World War I and Steiner s death in 1925 They will be of particular interest to anyone wanting to comprehend Rudolf Steiner s mature understanding of his mission enchristing the world The first two lectures constitute a call to arms or return to basics Steiner speaks existentially and phenomenologically building upon recognizable descriptions of actual experiences His theme is the three states of consciousness waking dreaming and dreamless sleep and he shows how these ordinary human functions have initiatory possibilities The next four lectures deal with the evolution of consciousness in relation to the universal significance of the Christ event Through the resurrection Christ s being entered earthly evolution As a result we see the world differently Where ancient humanity experienced Not I but the divine spirit around me we can experience Not I but the Christ in me With this insight we reach the heart of this volume esoteric Christianity For Steiner our most important task as human beings is to learn to overcome death by uniting with the Christ who overcame death Humanity s survival depends upon the enchristing of

the world It is the purpose of Anthroposophy to bring this reality into world evolution to enable all religions and all human beings to experience the new reality The Sun Mystery and the Mystery of Death and Resurrection is the first complete English translation of Das Sonnenmysterium und das Mysterium von Tod und Auferstehung Exoterisches und esoterisches Christentum GA 211 Eight lectures were published in an earlier English translation as part of Festivals and their Meaning II Easter 1956 Cover image Burial by Ninetta Sombart      The Beloved Disciple.
