as a major North American travel destination in the decades leading up to Expo 67 The first comprehensive history of Quebec tourism promotion and travel writing From Old Quebec to La Belle Province details changing marketing strategies and shows how these efforts consistently mirrored and strengthened French Quebec's evolving national identity Nicole Neatby also takes into account the contentious role of English speaking promoters in Montreal belying the view that Quebec was unvaryingly represented and appreciated for being old Taking a comparative approach Neatby draws on books and a wide array of newspapers popular and specialized magazines and written and visual sources from outside the tourist genre to reveal how the distinct national and cultural identities of English Canadians Americans and French Quebecers profoundly shaped their expectations and reactions to the province From Old Quebec to La Belle Province traces and explains shifting promotional priorities for tourism and travel writers varying reactions over the course of four decades and how these attitudes harmonized with evolving national identities **Community Besieged** Garth Stevenson, 1999 Stevenson examines how these changes altered anglophone relations with the major political parties as well as the role of newer entities such as Alliance Quebec and the Equality Party He concludes with a look at the future for anglophones in Quebec **Bourassa to Bourassa** Ian MacDonald, 2002-09-05 Robert Bourassa a pariah after losing power to the separatist Parti Qu b cois in the 1976 election emerged a decade later from political exile to lead his party back to power As he said I succeeded my successor Claude Ryan formerly the respected publisher of Le Devoir had led the Quebec Liberal Party and the federalist coalition to a decisive victory in the 1980 referendum on Quebec sovereignty but the uneasy alliance of Ryan and Pierre Trudeau did not survive the prime minister's unilateral patriation of the Canadian constitution This contributed to Ryan's defeat in the 1981 Quebec election and to Bourassa's restoration First published to critical acclaim in 1984 this second edition of From Bourassa to Bourassa brings the story up to date recounting Bourassa's landslide election victory in 1985 and his subsequent role in the Meech Lake Accord and the Canada U S Free Trade Agreement the two issues that largely defined **Changing Federal Constitutions** Arthur Benz, Felix the decade of the 1980s for Quebec and for Canada Knüpling, 2012-05-30 This book analyses constitutional change in federal and decentralizing countries from a comparative perspective The authors identify structures processes and strategies which have proven to favour successful constitutional amendment Thereby the book enables public officials scholars and students to learn from the constitutional reform experiences of other federal democracies and from practical suggestions how future reforms could be designed From the Contents The Relevance of Constitutional Change Constitutional Reform in Co operative Federalism Constitutional Reform in Federal Systems with Divided Societies Devolution and Regionalisation in Federalising States Processes of Ratification Evolution after a Constitutional Reform Conclusion **Rights in Divided Societies** Colin Harvey, Alex Schwartz, 2012-07-20 This collection examines the role and value of rights in divided and post conflict societies approaching the subject from a comparative and theoretical perspective Societies emerging from violent conflict often opt for a bill of rights as part of a

wider package of constitutional reform Where conflict is fuelled by longstanding ethno national divisions these divisions are often addressed through group differentiated rights Recent constitutional settlements have highlighted the difficulties in drafting a bill of rights in divided post conflict societies where the aim of promoting unity is frequently in tension with the need to accommodate difference In such cases a bill of rights might be a rallying point around which both minorities and the majority can articulate a common vision for a shared society Conversely a bill of rights might provide merely another venue in which to play out familiar conflicts further dividing an already divided society The central questions that animate the collection are 1 Can constitutional rights provide a basis for unity and a common human rights culture in divided societies If so how 2 To what extent should divided societies opt for a universalistic package of rights protections or should the rights be tailored to the specific circumstances of a divided society providing for special group sensitive protections for minorities 3 Is a divided society more or less likely to adopt a bill of rights 4 How does the judiciary figure in the management or resolution of ethno national conflict 5 What are the general theoretical and philosophical issues at stake in a rights based approach to the management or resolution of ethno national divisions or other conflicts Institutional Issues Mal Leicester, Sohan Modgil, 2005-08-02 Volume II considers values and culture at the institutional level What constitutes a good whole school approach in this arena The book discusses key issues and reports on whole school initiatives around the world Several contributions focus on the vital issue of teacher education Ordinances Made and Passed by the Administrator of the Government and Special Council for the Affairs of the Province of Lower Canada ,1839 Statuts Provinciaux de Bas-Canada Québec (Province), 1817 The Provincial Statutes of Lower-Canada Québec (Province), 1817 et la restructuration du Canada, 1980-1992 Louis Balthazar, Guy Laforest, Vincent Lemieux, 1991 La nature et les cons quences d'une restructuration constitutionnelle du Canada qui s'est faite sans le Qu bec en 1982 les conceptions de l'identit nationale et de la communaut politique qui se sont entrechoqu es dans l'aventure du lac Meech guelques sc narios pour d limiter les fronti res du possible pour le Canada et le Ou bec en 1991 1992 Grossières indécences Domenic Dagenais, 2020-07-23 Apr s avoir cofond la premi re revue homosexuelle canadienne la po te Elsa Gidlow 21 ans d cide de quitter Montr al en 1920 due par le manque de possibilit s amoureuses que lui offre alors la ville Le r seau damis masculins homosexuels qu'elle a int grau cours des ann es prodentes ne manque toutefois pas d'occasions de trouver des partenaires En effet m me si l homosexualit est consid r e comme un crime depuis l poque coloniale une culture gaie masculine qui tait pratiquement inexistante avant 1880 s est largement panouie depuis le d but du si cle Grossi res ind cences retrace les origines de cette culture clandestine complexe et fascinante Dominic Dagenais a consult rebours des archives produites en grande partie par la surveillance et la pers cution soit des dossiers judiciaires des articles de journaux de la correspondance des archives personnelles des publications m dicales et des dossiers d enqu tes publiques pour mettre au jour le contexte r pressif dans lequel les identit s'homosexuelles contemporaines se sont construites et pour d'couvrir les espaces publics

<u>Countercurrents</u> Amanda Ricci,2023-06-15 In the decades following the Second World War women from all walks of life became increasingly frustrated by the world around them Drawing on long standing political traditions these women bound together to revolutionize social norms and contest gender inequality In Montreal women activists inspired by Red Power Black Power and Quebec liberation among other social movements mounted a multifront campaign against social injustice

Countercurrents looks beyond the defining waves metaphor to write a new history of feminism that incorporates parallel social movements into the overarching narrative of the women's movement Case studies compare and reflect on the histories of the Quebec Native Women's Association the Congress of Black Women the Front de lib ration des femmes du Qu bec various Haitian women's organizations and the Collectif des femmes immigrantes du Qu bec and the political work they did Bringing to light previously overlooked archival and oral sources Amanda Ricci introduces a new cast of characters to the history of feminism in Quebec The book presents a unique portrait of the resurgence of feminist activism demonstrating its deep roots in Indigenous and Black communities its transnational scope and its wide ranging inspirations and preoccupations Advancing cross cultural perspectives on women s movements Countercurrents looks to the history of women s activism in Montreal and finds new ways of defining feminist priorities and imagining feminist futures Why Did We Choose to *Industrialize?* Robert C.H. Sweeny, 2015-07-01 The choice to industrialize has changed the world more than any other decision in human history And yet the three prevailing explanations the technical new energy sources the Marxist new social relations and the neo liberal people became more industrious are inadequate in making sense of this fundamental change In mid nineteenth century Montreal as in other early industrializing societies change occurred as a result of the choices people made when faced with unprecedented opportunities and constraints Montreal was the first colonial city to industrialize Its overlapping French and English legal traditions mean that people's actions were exceptionally well documented for a North American city Robert Sweeny's novel reading of sources like city directories ordinance surveys monetary protests and apprenticeship contracts leads him to develop important critiques of both mainstream and progressive historiography He shows how the choice to industrialize was tied to the development of completely new ways of thinking about the world on three inter related levels how should we relate to each other to property and to nature In Montreal as in all the other early industrializing societies thought preceded action Sweeny illuminates the personal and familial decisions that tens of thousands of people made by the mid nineteenth century which already prefigured much of what industrialized Montreal would look like in 1880 At a moment when global conflict is tied to resources and climate change Sweeny shows how fundamental decision making can determine widespread social change Informed by four decades of scholarship Why Did We Choose to Industrialize Is a politically engaged argument about history a sustained reflection on sources and method in historical practice and a singular vantage point on the ideas that have shaped historical understandings of industrialization Film/video Canadiana ,1986
