The Forbidden Archives Shade Raven,2025-03-18 What If Everything You Knew About History Was a Lie Beneath the surface of the history you were taught lies a world of secrets shocking chilling and deliberately erased from the pages of time The Forbidden Archives unlocks the hidden corridors of history exposing the darkest cover ups the most mind blowing conspiracies and the forbidden truths buried by those in power Inside this book you ll discover The horrific war crimes and massacres the world was meant to forget Lost civilizations and ancient technologies that defy logic Shocking government experiments assassinations and mind control programs The hidden power of secret societies and their influence on world events Censored history so controversial it was wiped from textbooks This is not your typical history book this is the raw unfiltered truth that historians fear to publish Every page will challenge what you believe make you question reality and leave you hungry for more Are you ready to uncover what they never wanted you to know Read The Forbidden Archives now before it disappears

Mirror Man Ronald A.Fenn,2011-07-20 The book is a compilation of short vignettes describing certain seen observations from the point of view of one living in an unreal environment and unreal reality except for sometimes far too much of both It tries to explain through a mental split of thinking the disorder of being black and white on a red and white flag which the flag of Nigeria was used to make a new flag for a young nation at peace Some of the book is autobiographical and some more involved in detailed analysis of control by technology and the human animal Man It may seem to be rather complex and hard to read but one must understand I wrote the book in a psychiatric hospital being brainwashed to get back on my feet again It spans a life time of observation in the nation of Canada as seen through an african who is white blinded by so many mindsets about colour and race and origins Leaving everything behind that was most precious in Africa I have had to live this nation s reality as my own sight seen or unseen often misplaced or taken for granted or isolated and or used and abused *Main Currents in American Thought: 1620-1800. ,1902 **Wisdom from the Greater Community Volume II** Marshall Vian Summers,2013-09-28 In this second volume of Wisdom from the Greater Community you will take another great step towards learning what Knowledge and Wisdom mean in the larger arena of life that is called the Greater Community This will bring you to a new beginning and a new threshold a

beginning and a threshold that were never available before to humanity Humanity is now at the threshold of the Greater Community of which it has always been a part Now humanity has an opportunity to learn its true heritage the nature of its evolution and its greater challenge and promise of life within a larger arena that contains intelligent life in uncountable forms and expressions You are here at this new beginning This is no accident You were sent here for this purpose This is the meaning of your being here The world s emergence into the Greater Community is the context within which you can fully experience and learn to express the nature of your greater purpose and your greater identity Humanity is emerging into the Greater Community Greater Community forces are in the world today This is the reality in which you now live and for this you will need a greater Knowledge and a greater Wisdom You already possess this Knowledge within you for the Creator has endowed you with the Knowing Mind which you will need to experience and to call upon increasingly as the revelation of your real purpose and the meaning of your existence here unfold step by step In this second volume of Wisdom from the Greater Community we introduce to you new thresholds of learning new arenas of application and a greater opportunity to experience the reality of Knowledge and the importance of its expression and contribution in the world Here you will have the opportunity to begin to learn about the Greater Community about the mental environment about the meaning of discernment and discretion and the great application of The Greater Community Way of Knowledge as it pertains to every aspect of your life as you know it today and as you will need to know it in the future We bring this great Teaching to you from the Creator for this Teaching represents a new testament of the Creator s presence and will within the world and a new expression of your Divinity and your intrinsic association and relationship with life around you We bring with us a promise a confirmation and a great challenge The promise is that your purpose and your calling in the world may become fully realized within the context of the world s emergence into the Greater Community Here you will finally come to understand why you have a unique nature and a unique design This will enable you to discover who your Designer is The confirmation is that you will come to realize what you know and what you have always known and this will restore to you your self respect your ability to love and the greater strength that has been given to you And yet we bring you a challenge as well a challenge to learn what Knowledge and Wisdom mean within the Greater Community and why they are necessary both to heal the great problems that humanity faces within the world and to face the greater challenge of encountering intelligent life from the Greater Community Come with us then Come to receive and come to give Come to learn and come with the willingness to experience and to explore with an open mind The Greater Community Way of Knowledge is not here to fulfill the past or even to explain the past It is here to bring you into the present and to prepare you for the future This is why you have come into the world and this will give meaning and direction to all that you have done thus far The Greater Community Way of Knowledge will give you a new foundation to fully realize why you are here and who sent you *The Economist* ,1887

The Hero of Budapest Bengt Jangfeldt,2013-11-28 The story of Raoul Wallenberg the Swedish businessman who at

immense personal risk rescued many of Budapest's Jews from the Holocaust and subsequently disappeared into the Soviet prison system is one of the most fascinating episodes of World War II Yet the complete story of his life and fate can only be told now and for the first time in this book following access to the Russian and Swedish archival sources previously not used Born into a wealthy Swedish family Wallenberg was a moderately successful businessman when he was recruited by the War Refugee Board to manage the rescue mission of thousands of Hungarian Jews Once in Budapest he created and distributed so called protective passports or Schutz Pass among the Jewish population thus managing to save up to 8 000 people Through the safe houses and clandestine networks that he established around the city many thousands more were saved from the concentration camps Yet when Budapest was liberated by the Red Army in January 1945 Wallenberg was arrested and taken to Moscow One of the reasons for his arrest was that the Soviets could not understand the nature of his mission formally he was a Swedish diplomat but he worked for an American agency On the basis of previously unseen Soviet sources Jangfeldt has been able to reconstruct the events surrounding Wallenberg's arrest almost hour by hour and for the first time he presents a highly plausible theory about the reasons why Wallenberg was arrested and what happened to him after he disappeared With access to previously unpublished material Bengt Jangfeldt provides the first complete account of Wallenberg's life from his childhood in Sweden to his disappearance in a Russian jail and sheds important new light on one of the greatest heroes of World War II This is a thrilling tale of intrigue espionage and heroism which will captivate all readers of modern European history
