<u>Tellin'!</u> Rev. Muriel Taylor, 2021-04-27 The nuts and bolts of this book is to encourage exhort and actively engage the reader to readily see the goodness of God in their everyday life experiences There are no coincidents or incidentals in the daily life of the born again believer Life is like a stage play which consists of plots twists and turns in various plots we just walk through the script as it has been assigned to us God is our Director he writes the script we are just the players or actors Sometimes we are not in full agreeance with the way everything seems to be playing out crazy scenes dark spots pits escalators roller coasters illness and we wonder why we re even a part of the whole scene Yet we re trusting the Director knows what He is doing because all scripts under His direction has NEVER faltered or failed Then the passage takes a turn or twist if you will and the fog begins to lift and we began to see a little more clearly Ah ha and as we continue to walk through the script we see the ending though it may not have turned out the way we would have written the script turned out exceptionally well This book shares my testimonies of how my Director God always came through for me I just had to keep walking through the script knowing He did it before and He ll do it again I m Tellin **Spiritual Terrorism** Boyd C.
