from a lady in Milan Italy telling of the way the Lord had blessed her through reading that article The letter I kept it reads as follows May a stranger thank you for your living inspired article in The Christian Advocate For years I have known much of that amazing grace It has enabled me to sing my way through many a tunnel Over and over by the dying beds of my dearest ones and even by their graves it has filled me with the very joy of heaven Loneliness loss of property exile from my own country and the friends of a life time the anxieties which come with motherhood the temptations to worry about the future in all these things it has been more than conqueror and my soul has winged its flight above the clouds and exulted in the light of His countenance But for some weeks past under strange and very trying conditions I had gotten into the dark and had begun to cherish thoughts and feelings which I knew could not be pleasing to God and yet which seemed to entangle me in a web of fine spun steel in which I seemed to have little heart to struggle or even pray a veritable snare of the enemy Yesterday morning I was reading your article aloud to a member of my family when I came to the verse from Gospel Power I was immediately carried back to an old fashioned camp meeting I could see the flare of the oil lamps on hundreds of faces the rough platform the straw in and around the simple altar rail and I stopped in my reading to recall the old tune not heard in many many years It came back to me immediately that music by no means classical or artistic but with a lilt a holy charm a thrill of hope and victory in it the vehicle that homely tune of God s Promise of Love Triumphant I sung it over and over went about my work still singing it for as I sang the grace of God again flowed into my life restoring my soul To day I am again proving yet as often of old With Thee conversing we forget All time and toil and care Labour is rest and pain is sweet If Thou my God art there You will pardon this long personal letter I am sure It seems to me that no matter how useful and honored and busy a Christian man may be a word of gratitude for help rendered cannot be unacceptable for we so often sow in tears and never know here if someone has gathered food or sweetness where we toiled with weary feet So I venture to thank you from my heart The testimony itself is not confidential but my name I would have you please consider as a confidence Yours cordially _____ The hymn Amazing Grace is a great favorite of mine and I have chosen it as the title of my book in which I aim to set forth some of the wonders of Grace and attempt to write upon some aspects of the deeper things of God G W R Asbury College Wilmore Kentucky Esther Karen H. Jobes, Janet Nygren, 2009-10-06 A series of Bible study guides following the format and content of the NIV Application Commentaries Series Each study looks at the original meaning bridging contexts and contemporary significance of the text and offers small group participants a better understanding and relevant application of the biblical material to their daily lives **Unpacking John 1** Julie Guggino, 2015-01-07 Unpacking John 1 was conceived at my kitchen table I had just finished an intense study the previous morning Feeling somewhat aimless that morning I said to myself It s been a while since I studied one of the gospels Guess I ll read John Two and a half years later I finished John 1 The first chapter of John s gospel starts in the beginning and concludes with a picture of heaven opening That struck me as significant As I explored what was contained between the beginning and the end I was stunned to

count seventeen themes in just that one chapter Unpacking John 1 is a topical study of the seventeen themes I discovered that morning while eating breakfast As I wrote I envisioned three primary audiences people who were curious about the Bible and wanted an overview of some of its important themes people who were interested in studying John 1 and pastors and teachers preparing to teach about John's gospel or any of the themes found in John 1 What sets this book apart from other studies of John 1 is that the scriptures themselves become the commentary for the topics Each theme is a chapter Creation and the Word Life Light and Darkness John the Baptist and His Message Children of God Glory The One and Only Grace Truth Lamb of God Baptism The Holy Spirit Following the Rabbi The Messiah The Law and the Prophets The Son of God The King of Israel and Open Heaven **When We Talk about God, Let's Be Honest** R. Kirby Godsey, 2006 This is a thought provoking book that deals with practical issues of the Christian faith It illuminates a number of misconceptions based on social customs or traditions regarding grace faith salvation judgment and other basics of the Christian religion

Mission in Marginal Places: The Praxis Michael Pears, Paul Cloke, 2016-09-01 The second book in the series focuses on participation and practice and discusses a range of ways in which Kingdom centred mission can be embedded in the actually existing realms of activity and need in marginal places The book explores five different realms of practice each presenting opportunities for innovative expressions of incarnational attentiveness to marginalized communities and people It seeks to inspire prayerful and discerning activity that tunes into what Jesus is doing in local places rather than providing any kind of off the shelf checklist of prefigured mission tactics It challenges readers to take their faith praxis beyond orthodox congregational settings and out into the everyday realms of life in marginal places
