Gracian De Paul Transforming Americas Youth:

Gracian De Paul Jeanne Sheffield, 2005-02 Rey and Noel are happily married and very much in love In this marriage nothing is out of bounds if it makes the other happy Iliad is employed at the same plant as Rey and they've become friends Because Iliad looks so much like Noel his wife Rey secretly loves him As soon as Noel meets Iliad she realizes her husband's predicament No surprise to her since she's also fallen in love with Iliad Rey and Noel love each other enough that they can be truthful with one another She tells him that she is desperately in love with his friend but asking her husband if he's in love with a man that she's not ready to do Instead she proposes a sex change with a twist Both men willingly accept the suggestion because they love her that much Noel gets Iliad's penis while Iliad becomes the complete woman that he resembles Then Rey can love Iliad openly without embarrassment and their love triangle can progress to what they hope is forevermore Doctor Daymontray Demo is a specialist in microsurgery plastic surgery and sex changes among other specialties He performs the operation that forever alters Noel and Iliad On the way to the Doctor's office one day Iliad stops at Diana's DI gas station for gasoline and runs into Cowboy Homer The meeting was not a happy one for Cowboy who likes to expose himself to the ladies of all ages Iliad does not enjoy Cowboy's antics and squeezing his genitals leaves him bawling on the floor in agony Diana hears the commotion in the men's bathroom when she investigates meets Iliad who was walking out the door and falls in love But Diana is confused because Iliad though dressed like a man was as beautiful as any woman was After recuperating Cowboy begins searching for Iliad to retaliate until he finds her and kidnaps her While working in her garden Diana sees Iliad and Cowboy riding in the same car Knowing the history of the two she grabs her shotgun jumps in her car and gives chase She catches up with them in the middle of a fight where Iliad is on the verge of breaking Cowboy's neck Diana stops Iliad from doing so but when Iliad turns away Cowboy shoots her in the back Thinking Iliad is dead Diana kills Cowboy Seeing that Iliad is still alive Diana takes her home and cares for her until Iliad wakes up some days later with amnesia with no memory of what happened or who she is Diana has no idea who Iliad is either All
