Working towards the Monarchy Serhat Ünaldi,2016-05-31 In the twilight years of Thailand s ailing King Bhumibol battles between royalists and their red shirt opponents are increasing and the tectonic shifts that lie beneath Thailand s decade old political crisis have become increasingly apparent Serhat naldi s Working towards the Monarchy sheds new light on recent developments with its bold analysis of urban space in downtown Bangkok buildings the author finds are abstractions of the complexities that shape Thailand s transformation Most criticism of the political role of the Thai monarchy its deep involvement in Thailand s uneven capitalist development Bhumibol s endorsement of military coups and his silent acquiescence to political violence has focused on the role of individuals the king the royal family or privy councilors naldi departs from such limited intentionalist approaches to show instead just how deeply enmeshed the monarchy is in Thai society as a whole He demonstrates how and why Thais from all walks of life drew on royal charisma to advance their individual aims in effect working towards the monarchy naldi s sociological analysis of urban space reveals how buildings and spaces have been constructed for political and economic ends particularly to shore up the monarchy For several decades the architecture in central Bangkok has helped protect the charisma of the monarchy which dominates landholdings and investments in the area Because the sacred aura of the royal family legitimized capitalist expansion and consumerism it was defended and enhanced by those Bangkokians who profited from it Yet politically and geographically marginalized Thais failed to benefit from this royalist led capitalist development and eventually found a new leader business tycoon cum politician Thaksin Shinawatra When Thaksin s followers turned against royal charisma and attacked the architecture that represented and supported it movement away from royal charismatic authority became a real possibility for the first time By combining sociology political science architecture and anthropology Working towards the Monarchy offers a unique interdisciplinary approach It will interest scholars and generalists alike particularly those involved in the comparative study of monarchies

Welcome Thieves Sean Beaudoin, 2016-03-01 Funny and propulsive short stories blending black humor and sharply intelligent imagination Sam Lipsyte author of *The Fun Parts* In twelve virtuosic stories Sean Beaudoin trains his absurdist's eye on the ridiculous perplexities of adult life From muddling through after the apocalypse *Base Omega* Has Twelve Dictates to the knowing smirk of *You Too Can Graduate with a Degree in Contextual Semiotics* Beaudoin's stories are edgy and profane bittersweet and angry bemused and sardonic Yet they're always tinged with heart The author of *Wise Young Fool* *The Infects* and *You Killed Wesley Payne* follows in the tradition of Vonnegut and Saunders with a deviously spellbinding collection of short stories filled with playfulness pathos and a variety of young protagonists struggling to adapt to the bizarre and sometimes brutal world of adulthood Garth Stein The character driven tales are darkly comedic filled with misfits like *Primo* and *The Albatross* *Danny and Steak* *Sad Girl* *Razr* and *Roy Boi* and *Butterfly* and *Cher* characters so compelling that they are at once savage and powerless redemptive and sardonic They fill the pages of *Welcome Thieves* their complexities and frailties enough to recommend Beaudoin as a student and brilliant interpreter of human nature The *Kansas City Star* Thrilling and mercilessly readable the stories in *Welcome Thieves* go off like a string of firecrackers sizzling and popping with a narrative velocity that is equal parts grit and polish Beaudoin is definitely a writer to watch Jonathan Evison author of *This Is Your Life* Harriet Chance

The Villages Within Doug Taylor, 2010-06-10 *The Villages Within* is an irreverent version of Toronto's past that will not improve anyone's knowledge of history but its fabrications and exaggerations may provide an amusing insight into the lives of those who built the town of York It is an exposé of historical untruths a book that no school should ever permit its students to read Discover Lord Dorchester's unusual method of staying warm while his underwear froze during his first winter in Canada Learn about Elizabeth Simcoe's struggle with the intoxicating evils of gooseberry wine During the War of 1812 why did Laura Secord deliver a cow to James Fitzgibbon in the dead of night Why did the residents of York fear an

American invasion in 1813 even though they needed their dollars to support the towns tourist industry Why did the colonists who never bathed at the best of times become truly revolting in 1837 In a more serious vein this book chronicles the history and architecture of the Kings West District the Kensington Market and the proudly tacky Queen Street West The narrative details the events in the life of the old St Andrews Market allowing those who visit the area today to appreciate its rich heritage
