Graham Greene

Graham Greenes Fictions:

The Man Within Graham Greene, 2005-04-26 Greene had wit and grace and character and story and a transcendent universal compassion that places him for all time in the ranks of world literature John le Carré Graham Greene's first published novel tells the story of Andrews a young man who has betrayed his fellow smugglers and fears their vengeance Fleeing from them with no hope of pity or salvation he takes refuge in the house of a young woman also alone in the world Elizabeth persuades him to give evidence against his accomplices in court but neither she nor Andrews is aware that to both criminals and authority treachery is as great a crime as smuggling The first step in a brilliant career The Man Within offers a foretaste of Green's recurring themes of religion the individual's struggles against cynicism and the indifferent forces of a hostile world This Penguin Classics edition features an introduction by Jonathan Yardley For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *The Portable Graham Greene* Graham Greene, 1977-01 This cross section of Graham Greene's work was originally selected with the author's help in 1973 and has now been extensively revised and updated It includes the complete novels *The Heart of the Matter* and *The Third Man* along with excerpts from ten other novels short stories selections from Greene's memoirs and travel writings essays on English and American literature and public statements on issues that range from repression in the Soviet Union to torture in Northern Ireland to the paradoxical virtue of disloyalty A long critical and biographical introduction headnotes chronology and bibliography make *The Portable Graham Greene* as invaluable for scholars as it is essential for any traveler through Greene's richly menacing and strangely seductive literary landscapes **BOOK JACKET** **Graham Greene's Fictions** Cates Baldridge, 2000 *A Sort of Life* Graham Greene, 1971 An autobiography covering the early part of Graham Greene's life to about the mid twenties **The Heart of the Matter** Graham Greene, 1969 In this widely acclaimed modern classic Graham Greene delves deep into character to tell the dramatic suspenseful story of a good man's conflict between passion and faith A police commissioner in a British governed war torn West African state Scobie is bound by the strictest integrity and sense of duty both for his Colonial responsibilities and for his wife whom he deeply pities but no longer loves Passed over for a promotion he is forced to borrow money in order to send his despairing wife away on a holiday When in her absence he develops a passion for a young widow the scrupulously honest Catholic finds himself giving way to deceit and dishonor Enmeshed in love and intrigue he will betray everything he believes in with tragic consequences *The Heart of the Matter* is one of Graham Greene's most enduring and tragic novels *The Human Factor* Graham Greene, 2008-09-30 Maurice Castle is a high level operative in the British secret service during the Cold War He is deeply in love with his African wife who

escaped apartheid South Africa with the help of his communist friend Despite his misgivings Castle decides to act as a double agent passing information to the Soviets to help his in laws in South Africa In order to evade detection he allows his assistant to be wrongly identified as the source of the leaks But when suspicions remain Castle is forced to make an even more excruciating sacrifice to save himself Originally published in 1978 *The Human Factor* is an exciting novel of espionage drawn from Greene s own experiences in MI6 during World War II and ultimately a deeply humanistic examination of the very nature of loyalty This edition features a new introduction by Colm T ib n For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Heart of the Matter Graham Greene,1948 Graham Greene Robert Hoskins,2004-11-23 This study reveals Greene in a dual role as author one who projects literary experience into his view of life and subsequently projects both his experience and its literary interpretation into his fiction and it defines two phases of Greenes novels through the changing relationship between writer and protagonists The first phase progresses from acutely sensitive self divided young men somewhat like the young Greene to embittered alienated characters ostensibly at great distance from their creator The second phase 1939 includes a series of portraits of the artist through which Greene confronts more directly the tensions and conflicts of his private life *Graham Greene* Michael G. Brennan,2010-03-18 In this significant rereading of Graham Greene s writing career Michael Brennan explores the impact of major issues of Catholic faith and doubt on his work particularly in relation to his portrayal of secular love and physical desire and examines the religious and secular issues and plots involving trust betrayal love and despair Although Greene s female characters have often been underestimated Brennan argues that while sometimes abstract symbolic and two dimensional these figures often prove central to an understanding of the moral personal and spiritual dilemmas of his male characters Finally he reveals how Greene was one of the most generically ambitious writers of the twentieth century experimenting with established forms but also believing that the career of a successful novelist should incorporate a great diversity of other categories of writing Offering a new and original perspective on the reading of Greene s literary works and their importance to English twentieth century fiction this will be of interest to anyone studying Greene

The Living Room Graham Greene,2018-08-07 The illicit affair of a devout woman in London ignites a shattering family crisis in the author s ruthlessly honest first play *The Guardian* In a dour Holland Park house with rooms and secrets long shuttered live three unyielding forces for morality rigidly religious sisters Helen and Teresa and their brother a Roman Catholic priest Into the lives of this insular trio comes their young grandniece Rose Pemberton following the death of her mother To the mortification of her aunts Rose has also brought her lover Michael Dennis who is twenty five years Rose s senior married and a psychology lecturer dictated by reason not

faith In a home that reeks of sanctimony Rose and Michael are as welcome as sin But it s the arrival of Michael s distraught wife armed with righteous emotional blackmail and worse that ignites an unexpected fury and makes real the family s greatest fears Premiering in London in 1953 and moving to Broadway one year later Graham Greene s debut as a dramatist was hailed by Kenneth Tynan as the best first play of its generation **The Captain and the Enemy** Graham Greene,2011 A young boy Victor is collected from school by a stranger in a bowler hat The stranger says he has won Victor in a game of backgammon with Victor s father The stranger known as the Captain takes Victor to live with the sweet but withdrawn Lisa where he serves as her conduit to the outside world From mysterious beginnings Graham Greene s final novel becomes a twisting thriller of smuggling jewel theft and international espionage which culminates in a dramatic showdown in Panama

Graham Greene Graham Greene,1994 He combined his abilities as a wonderful storyteller and a master craftsman to bring respectability to the thriller genre or what the author himself called entertainments In his writings Greene expressed serious and controversial views on religious political and social issues **The Collected Novels Volume Two** Graham Greene,2018-07-31 From the most ingenious inventive and exciting of our novelists Three brilliant novels exploring colonialism faith and the mysteries of desire V S Pritchett This collection features three classic novels that explore Graham Greene s most important themes Catholicism international intrigue and the never ending struggle to know oneself From West Africa to Vietnam to Mexico these stories prove that no serious writer of the twentieth century has more thoroughly invaded and shaped the public imagination than Graham Greene Time The Heart of the Matter In a British colony of West Africa Henry Scobie is a pious man of modest means charged with securing borders But when he s passed over for a promotion the humiliation hits hard for his wife To make it up to her Henry accepts a loan from a black marketeer to secure Louise s passage out of Africa His single indiscretion quickly leads him one moral compromise after another into a web of blackmail adultery and murder A powerful deep striking novel of a spirit lost in the darkness of the flesh New York Herald Tribune The Quiet American Vietnam 1955 British journalist Thomas Fowler is covering the insurgency against French colonial rule and doing what he can to protect his Vietnamese lover Phuong Alden Pyle of the CIA believes in bringing American democracy to Vietnam by any means necessary But when his ideas of conquest come to include Phuong pride passion and blind moral conviction collide with terrible consequences A heartrending romance Haunting and profound All Things Considered NPR The Power and the Glory In 1930s Tabasco Mexico Catholicism is being outlawed As churches are razed and devotees are executed a member of the clergy known only as the whisky priest flees He now travels as one of the hunted attending in secret to the spiritual needs of the faithful When a peasant begs him to return to Tabasco to hear the confessions of a dying man the whisky priest knows it s a trap But it s also his duty and possibly his salvation A thriller but also a novel of ideas A book I would have simply died to write Scott Turow New York Times bestselling author **The End of the Affair** Graham Greene,2018-03-13 Graham Greene s masterful novel of love and betrayal in World War II London is undeniably a major work

of art The New Yorker Maurice Bendrix a writer in Clapham during the Blitz develops an acquaintance with Sarah Miles the bored beautiful wife of a dull civil servant named Henry Maurice claims it s to divine a character for his novel in progress That s the first deception What he really wants is Sarah and what Sarah needs is a man with passion So begins a series of reckless trysts doomed by Maurice s increasing romantic demands and Sarah s tortured sense of guilt Then after Maurice miraculously survives a bombing Sarah ends the affair quickly absolutely and without explanation It s only when Maurice crosses paths with Sarah s husband that he discovers the fallout of their duplicity and it s more unexpected than Maurice Henry or Sarah herself could have imagined Adapted for film in both 1956 and 1999 Greene s novel of all that inspires love and all that poisons it is singularly moving and beautiful Evelyn Waugh *Characters and Plots in the Fiction of Graham Greene* Robert L. Gale,2006-09-29 This encyclopedia includes an introductory essay about Greene s work A chronology lists events of his literary career military work travels and life Alphabetical entries follow summarizing the plots of novels and short stories indicating movies and television dramas adapted from them describing fictional characters and relating them to his own experiences family members and real life figures Provided by publisher **A Study in Greene** Bernard Bergonzi,2006-09-07 Bernard Bergonzi has been reading Graham Greene for many years he still possesses the original edition of *The End of the Affair* that he bought when it was published in 1951 After so much recent attention to Greene s life he believes it is time to return to his writings in this critical study Bergonzi makes a close examination of the language and structure of Greene s novels and traces the obsessive motifs that recur throughout his long career Most earlier criticism was written while Greene was still alive and working and was to some extent provisional as the final shape of his work was not yet apparent In this book Bergonzi is able to take a view of Greene s whole career as a novelist which extended from 1929 to 1988 He believes that Greene s earlier work was his best combining melodrama realism and poetry with *Brighton Rock* published in 1938 a moral fable that draws on crime fiction and Jacobean tragedy as the masterpiece The novels that Greene published after the 1950s were very professional examples of skilful story telling but represented a decline from this high level of achievement Bergonzi challenges assumptions about the nature of Greene s debt to cinema and attempts to clarify the complexities and contradictions of his religious ideas Although this book engages with questions that arise in academic discussions of Greene it is written with general readers in mind **Graham Greene** Richard Michael Kelly,Richard Kelly,1984 *In Search of Character* Graham Greene,2011-04 To Graham Greene Africa will always be the Africa of the Victorian atlas the blank unexplored continent the shape of the human heart IN SEARCH OF A CHARACTER contains two African notebooks Congo Journal which records Graham Greene s travels in 1959 and his stay at the Yonda leper colony in the jungle which inspired the story for *A Burnt Out Case* Convoy to West Africa describes Greene s voyage in a cargo boat during the Second World War from Liverpool to Freetown Sierra Leone the setting for *THE HEART OF THE MATTER*

The Third Man and The Fallen Idol Graham Greene,2010-10-02 Graham Greene has wit and grace and character and

story and a transcendent universal compassion that places him for all time in the top ranks of world literature John le Carré
The Third Man Graham Greene's most iconic tale takes place in post war Vienna a smashed dreary city occupied by the four
Allied powers Rollo Martins a second rate novelist arrives penniless to visit his friend and hero Harry Lime But Harry has
died in suspicious circumstances and the police are closing in on his associates The Fallen Idol is the chilling story of a small
boy caught up in the games that adults play Left in the care of the butler and his wife whilst his parents go on a fortnight's
holiday Philip realises too late the danger of lies and deceit But the truth is even deadlier WITH AN INTRODUCTION BY IAN
THOMSON **The Tenth Man** Graham Greene, 1985 Graham Greene's The Tenth Man is one of his most startling and
unexpected major novels Set in wartime occupied France it is about a man who buys a life in a moment of fear It begins in
the depths of a Gestapo prison where ten men have been taken hostage by the Germans Three of them must die but it makes
no difference to the Germans which three the ten must choose among themselves by ballot

Embracing the Melody of Phrase: An Psychological Symphony within **Graham Greenes Fictions**

In a global taken by monitors and the ceaseless chatter of fast interaction, the melodic splendor and mental symphony developed by the published word frequently diminish in to the back ground, eclipsed by the relentless noise and disturbances that permeate our lives. Nevertheless, located within the pages of **Graham Greenes Fictions** a stunning literary value full of fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this charming masterpiece conducts readers on an emotional trip, well unraveling the hidden songs and profound influence resonating within each carefully crafted phrase. Within the depths with this poignant assessment, we will examine the book is main harmonies, analyze their enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
