## Graham Swift:

*Reading Graham Swift* Tomasz Dobrogoszcz, Marta Goszczynska, 2019-11-22 This collection of essays on Graham Swift's fiction brings together the perspectives of renowned Swift scholars from around the world. Authors look at the Swift's oeuvre from different interpretative angles combining a variety of critical and theoretical approaches. This book covers all of Swift's fiction including his novels and short stories. Special emphasis, however, is on his most recent books. By approaching Swift's work from a number of perspectives, the volume offers a synthetic overview of his literary output. In particular, it searches for thematic and formal continuities between his early and more recent fiction and attempts to emphasize its new developments and interests.

*Conversations with Graham Swift* Donald P. Kaczvinsky, 2020-06-04 Conversations with Graham Swift is the first collection of interviews conducted with the author of the Booker Prize winning novel *Last Orders*. Beginning in 1985 with Swift's arrival in New York to promote *Waterland* and concluding with an interview from 2016 that appeared in the *Sydney Morning Herald*, the collection spans Swift's more than thirty-five year career as a writer. The volume also includes interviews first printed in English as well as translated from the French or Spanish and covers a wide range of formats from lengthier interviews published in standard academic journals to those for radio newspapers and more recently podcasts. In these interviews, Graham Swift, b. 1949, offers insights into his life and career including his friendships with other contemporary writers like Ted Hughes and the group of celebrated novelists who emerged in Britain during the eighties. With remarkable clarity, Swift discusses the themes of his novels and short stories: death, love, history, parent-child relationships, the power of the imagination, the role of storytelling, and the consequences of knowing. He also notes the influences literary and personal that have helped shape his writing career. While quite ordinary in his life and daily habits, Swift reveals his penetrating intellect and rich imagination, an imagination that can craft some of the most engaging and formally complex stories in the language.

**Here We Are** Graham Swift, 2020-09-22 This novel of love in the world of 1950s vaudeville is a masterwork of literary magic from the Booker Prize winning author of *Last Orders* and *Mothering Sunday*. It is 1959 in Brighton, England, and the theater at the end of the famous pier is having its best summer season in years. Ronnie, a brilliant young magician, and Evie, his dazzling assistant, are top of the bill, drawing a full house every night. And Jack is everyone's favorite master of ceremonies, holding the whole show together. But as the summer progresses, the drama among the three begins to overshadow their success on stage, setting in motion events that will reshape their lives. Vividly realized, tenderly comic, and quietly shattering, *Here We Are* is a masterly work of literary magic.

*Making an Elephant* Graham Swift, 2009-06-23 In his first ever work of nonfiction, Graham Swift, Booker Prize winning author of *Waterland* and *Last Orders*, gives us a highly personal book, a singular and open-spirited account of a writer's life. Here, Kazuo Ishiguro advises on how to choose a guitar, Salman Rushdie arrives for Christmas, under guard, Caryl Phillips shares a beer with the author at a nightclub in Toronto. There are private moments with Swift's father and with his own younger self, as well as musings on history, memory, and

imagination that illuminate his work As generous in its scope as it is acute in its observations Making an Elephant brings together a richly varied selection of essays portraits poetry and interviews full of insights into Swift s passions and motivations and wise about the friends family and other writers who have mattered to him over the years *Waterland and Last Orders* Graham Swift,1999 In *Waterland* Tom Crick a history teacher in the Fenlands is driven by a marital crisis and the provocation of one of his pupils to forsake his teaching and relate the story of his family who have lived in the Fens since the eighteenth century In *Last Orders* four men once close to Jack Dodds a London butcher meet to carry out his peculiar last wish to have his ashes scattered into the sea For reasons best known to herself Jack s widow Amy declines to join them On the surface the tale of a simple if increasingly bizarre day s outing *Last Orders* is Graham Swift s most poignant exploration of the complexity and courage of ordinary lives *England and Other Stories* Graham Swift,2015-05-19 From the Booker Prize winning author of *Last Orders* and *Wish You Were Here* his first new book of short fiction in nearly thirty years beautifully crafted piercingly observant stories that unite into a richly peopled vision of a country that is both a crucible of history and a maze of contemporary confusions Meet Dr Shah who has never been to India and Mrs Kaminski on her way to Poland meet Holly and Polly who have come to their own Anglo Irish understanding and Charlie and Don who have seen the docks turn into Docklands Daisy Baker who is terrified of Yorkshire and Johnny Dewhurst stranded on Exmoor Graham Swift steers us effortlessly from the seventeenth century to the present day from world shaking events to the secret dramas lived out in rooms workplaces homes With these open eyed eloquent and often comic stories Swift charts a human geography that moves us profoundly *Tomorrow* Graham Swift,2008-05 On a midsummer s night Paula lies awake Mike her husband of twenty five years asleep beside her her two teenage children Nick and Kate sleeping in nearby rooms The next day she knows will define all their lives As morning approaches Paula recalls the years before and after her children were born Her story is both a celebration of love possessed and a moving acknowledgement of the fear of loss the fragilities illusions and secrets on which even our most intimate sense of who we are can rest A triumph This is Graham Swift at his impressive best *Times Literary Supplement* Paula talks the way that people actually talk this is part of Swift s overwhelming honesty as a writer he writes the way that life goes Anne Enright *Guardian* The rhythms of long term partnership become the rhymes of the narrative itself a subtle picture emerges of how coupledness is deepened by parenthood Robert MacFarlane *Sunday Times* As assured and subtle as ever Swift artfully reminds us that no set of relationships is ever free from complication and concealment *Spectator* Paula s anguish is beautifully captured as is her tenderness towards her loved ones *Mail on Sunday* *Out of this World* Graham Swift,1988 Harry Beech an aerial photographer surveys his scarred memories his career as a photojournalist abruptly terminated the death by terrorists of his father and his marriage Meanwhile his daughter Anna tries to piece together the fragments of her life *Making an Elephant* Graham Swift,2009 As a novelist Graham Swift delights in the possibilities of the human voice imagining his way into the minds and hearts of an extraordinary range of characters In

Making an Elephant the voice is his own As generous in its scope as it is acute in its observations this highly personal book is a singular and open spirited account of a writer s life Swift brings together a richly varied selection of essays portraits poetry and interviews full of insights into his passions and motivations and wise about the friends family and other writers who have mattered to him over the years Kazuo Ishiguro advises on how to choose a guitar Salman Rushdie arrives for Christmas under guard and Ted Hughes shares the secrets of a Devon river There are private moments too with long dead writers as well as musings on history and memory that readers of Swift s novels will recognize and love A journey through place and time Making an Elephant is a book of encounters between a son and his father between an author and his younger selves between writer and reader and between friends It brims with charm and candour and tells of alertness to experience and a true engagement with words in short with what it means to feel that writing and reading are an essential part of living

**Ever After** Graham Swift,2012-09-19 Dazzling in its structure and shattering in its emotional force Graham Swift s Ever After spans two centuries and settings from the adulterous bedrooms of postwar Paris to the contemporary entanglements in the groves of academe It is the story of Bill Unwin a man haunted by the death of his beautify wife and a survivor himself of a recent brush with mortality And although it touches on Darwin and dinosaurs bees and bridge builders the true subject of Ever After is nothing less than the eternal question Why should things matter Ever After is explicitly concerned with historical investigation love death family affairs It moves quickly and it vibrates with feeling and thought Wall Street Journal

Contemporary Writers Book Trust,Graham Swift,British Council,1988      **The Light of Day** Graham Swift,2012-02-21 The Light of Day combines a powerful love story and a narrative of intense suspense into a brilliant and tender novel about what drives people to extremes of emotion As in his Booker winning novel Last Orders Swift transforms ordinary lives through extraordinary storytelling This new novel from Graham Swift his first since the Booker Prize winning Last Orders is the work of a master storyteller The Light of Day is a luminous and gripping tale of love murder and redemption George Webb is a divorced ex policeman turned private investigator a man whose prospects seemed in ruins not so long ago Following the course of a single dazzling day in George s life the novel illuminates not only his past but his now all consuming relationship with a former client Intimate and intricate in its evocation of daily existence The Light of Day achieves a singular intensity and almost unbearable suspense Tender and humorous in its depiction of life s surface Swift explores the depths and extremities of what lies within us and how for better or worse it s never too late to discover what they are Excerpt from The Light of Day Two years ago and a little more October still but a day like today blue and clear and crisp Rita opened my door and said Mrs Nash I was already on my feet buttoning my jacket Most of them have no comparisons to go on it s their first time It must feel like coming to a doctor They expected something shabbier seedier more shaming The tidy atmosphere Rita s doing surprises and reassures them And the vase of flowers White chrysanthemums I recall Mrs Nash please have a seat I could be some high street solicitor A fountain pen in my fingers Doctor solicitor marriage guidance counsellor You have
