Mahoney, 2014-06-23 This volume of the Arthurian Characters and Themes series is the only one dealing with theme rather than character Essays include both newly commissioned and reprinted articles that explore a variety of issues regarding the Arthurian search for the Holy Grail Topics include analysis of the Grail as vessel Perceval's sister in the Grail quest the symbolism of the Grail in Wolfram chivalric nationalism and investigations of the use of the Grail in poetry and literature by authors such as Tennyson T S Eliot and Walker Percy Barnes Noble *Sources of the Grail* John Matthews, 1997 Still stands the destined Knight aloof in his passionate patience His hand over his eyes Is he doomed to fulfil or fail Shall he dare the hells and the heavens of the strange illuminations Initiate at last of the dread mysterious Graal The editor John Matthews tells us that at the beginning of the twelfth century the poet Chrétien de Troyes composed a poem he called *Il Conte del Graal* The Story of the Grail It told the story of a search taken up by a simple young man who was brought up away from the ways of ordinary people His search was for a mysterious object known as the Graal but Chrétien left the poem unfinished dying before he could complete it thus creating a mystery that has stirred the imagination of countless seekers ever since The Grail may be almost anything or it may be something that has no form at all or even exist in our world The important thing is that it provides an object for personal search for growth and human development We are dealing here with high things with a Mystery that is almost too much for us But we can learn and grow from studying it and by sharing the adventure of the Quest *Sources of the Grail* is the most complete anthology of Grail texts available Organized into three parts the first deals with the Celtic sources the second presents the medieval quest and part three continues the search and represents some of the most far reaching and deepest contemporary Grail seekers Anyone interested in Western spiritual traditions will find this a valuable thought provoking resource **Arthurian Literature by Women** Alan Lupack, 1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company **A Bibliography of Modern Arthuriana (1500-2000)** Ann F.
