Broukal,2004-09-01      **The Power of God in Paul's Letters** Petrus J. Gräbe,2008 The concept of God s power is a leading motif in Pauline theology It functions in key passages of Paul s letters and is intrinsically linked to his theology of the cross and its soteriological explication in the message of justification Because this concept is so closely related to the message of the cross Paul often speaks of power in a paradoxical context Although power is generally assumed to be an important motif in Pauline theology the concept has not yet been fully explored Petrus J Grabe investigates the concept of God s power in Paul s letters He also gives an overview of God s power in the broader New Testament context in order to distinguish more clearly the specific Pauline interpretation of the power of God The investigation comprises three sections A lexico and conceptual historical overview of the concept of power an exegetical investigation of the concept of God s power in Paul s letters and a theological scope of the concept of God s power in the Pauline letters In the last section Petrus J Grabe distinguishes between a theological christological and a pneumatological emphasis The concept of God s power plays an important role in the way Paul views his apostolic ministry In the concluding chapter the author therefore deals with Paul s ministry within the christological perspective on weakness and power The work is an important contribution to Pauline

studies and is a well researched thorough and scholarly study Jeffrey R Asher in The Catholic Biblical Quarterly vol 64 2002 page 762 This book is a useful refresher course on Paul with a valuable dialogue with the most recent monographs and commentaries on his letters Benedict T Viviano in Zeitschrift fur Missions und Religionswissenschaft Jahrgang 86 2002 p 74
