Hans-Peter Geiser

Grammar Of Christian Faith Systematic Explorations In Christian Life And Doctrine:

A Grammar of Christian Faith Joe R. Jones, 2002-06-03 A Grammar of Christian Faith is a two volume set that aims to confront the widespread disarray in the language and practices of Christian faith today As a grammar it explains how Christian faith provides special ways of speaking and acting that make sense of human life by giving it meaning practicality and hope It advances the thesis that learning how to speak Christian language in worship and life is crucial to learning how to be a Christian Rather than supposing that Christian language and theology need continual updating in order to be relevant to the world Jones urges the church to recover anew how Christian concepts and understanding are intended to form Christian life in all its rich depths Construing theology as confessional theology in the context of the church Jones understands the church as that liberative and redemptive community called into being by the Gospel of Jesus Christ to witness in word and deed the triune God for the benefit of the world The full range of doctrinal themes that are deemed essential to the witness of the church are explored including clear explanations of why they are essential and how they are to be understood In pursuit of a truthful and beneficial witness of the church the work centers on a trinitarian understanding of God in which God freely and lovingly interacts with the world as Creator Reconciler and Redeemer The work throughout affirms the belief that the gracious triune God is the Ultimate Companion who will redeem all creation

A Grammar of Christian Faith Joe R. Jones, 2002 Volume II of A Grammar of Christian Faith aims to confront the widespread disarray in the language and practices of Christian faith today As a grammar it explains how Christian faith provides special ways of speaking and acting that make sense of human life by giving it meaning practicality and hope *The Community of the Weak* Hans-Peter Geiser, 2013-03-28 Social postmodernism and systematic theology can be considered the new pair in some of the most creative discussions on the future of theological method on a global scale Both in the academy and in the public square as well as in the manifold local and pastoral moments of ministry and community social activism the social the postmodern and the theological intermingle in engaging and border crossing ways The Community of the Weak presents a new kind of jazzy fundamental theology with a postmodern touch using jazz as a metaphor writing ethnographically messy texts out of the personal windows of lived experiences combining fragments of autobiography with theological reconstruction A comparative perspective on North American and European developments in contemporary systematic theology serves as a hermeneutical horizon to juxtapose two continents in their very different contexts The author proposes a systematic and fundamental theology that is more jazzy global and narrative deeply embedded in pastoral ministry to tell its postmodern story

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an

arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Chalice Introduction to Disciples Theology Peter Heltzel,2008 **A Lover's Quarrel** Joe R. Jones,2014-01-07 Joe Jones a retired and well known systematic theologian confesses he has a lover's quarrel with the church In wide ranging writings mostly dating since 2006 he forthrightly argues for a theologically sound understanding of the church And he pursues a multi faceted critique of the feckless ways in which actual churches ministers and laity balk and betray their rightful calling to witness in word and deed to God He is especially critical of the practical ways in which congregations become no more than mirror images of their sociopolitical milieu whether to the right or to the left Hence the quarrel trenchantly pursued in major essays blogs and spiritual reflections on his own past But it remains crystal clear to Jones in his learned and profound confession that it is his beloved church with which he quarrels and about which he still has extravagant hopes A Lover's Quarrel is a book appropriate for ministers and laity students and professors and learned skeptics

The Trinity in the Stone-Campbell Movement Kelly D. Carter,2015-05-10 An assessment of Trinitarian thought in the two hundred year old Stone Campbell Movement including suggestions for ways in which the renewal of Trinitarian doctrine can revitalize the church's life and mission Throughout its history the Stone Campbell Movement has noticeably neglected Trinitarian doctrine prohibiting a biblical understanding of God as Trinity from significantly impacting the movement's churches This book attempts to rectify this weakness in three ways First a focus on the Trinitarian positions of Thomas Campbell Alexander Campbell and Barton W Stone sheds new light on the early shapers of the movement Second the book lays out specific ways in which the movement would benefit by a biblically grounded Trinitarianism and the contributions of contemporary trinitarian theologians And third it presents a plan for the advancement of biblical Trinitarian doctrine among Stone Campbell churches Significant contributions of this study include the most thorough examination to date of Trinitarian doctrine in Stone Campbell thought an original presentation of the historical theology that stands behind the Trinitarian positions of Thomas Campbell Alexander Campbell and Barton W Stone and a fresh proposal regarding the roots of Barton Stone's quasi Arianism

Theologies of Childhood and the Children of Africa Jan Grobbelaar,Gert Breed,Alfred Brunsdon,Marcia J. Bunge,Sam Ndogo,Hannes (J.J.) Knoetze,Nico Vorster,2016-12-31 The purpose of this book is to combine

perspectives of scholars from Africa on Child Theologies from a variety of theological sub disciplines to provide some theological and ministerial perspectives on this topic The book disseminates original research and new developments in this study field especially as relevant to the African context In the process it addresses also the global need to hear voices from Africa in this academic field It wants to convey the importance of considering Africa s children in theologising The different chapters represent diverse methodologies but the central and common focus is to approach the subject from the viewpoint of Africa s children The individual authors varied theological sub disciplinary dispositions contribute to the unique and distinct character of the book Almost all chapters are theoretical orientated with less empirical research although some of the chapters refer to empirical research which the authors have done in the past Most of the academic literature in the field of Theologies of Childhood is from American or British European origin The African context is fairly absent in this discourse although it is the youngest continent and presents unique and relevant challenges This book was written by theological scholars from Africa focussing on Africa s children It addresses not only theoretical challenges in this field but also provides theological perspectives for ministry with children and for important social change Written from a variety of theological sub disciplines the book is aimed at scholars across theological sub disciplines especially those theological scholars interested in the intersections between theology childhood studies and African cultural or social themes It addresses themes and provide insights that is also relevant for specialist leaders and professionals in this field No part of the book was plagiarised from another publication or published elsewhere before

Recapturing an Enchanted World John D. Rempel, 2020-01-28

While the Free Churches rightly sought to cleanse the church of the abuses of sacramentalism in that process they also set aside some of the church s historic practices and theology In response to this liturgically thin space Mennonite theologian and minister John D Rempel considers the role of the sacraments and ritual within the Free Church tradition helping us perceive the sacramental nature of our faith and worship

On Being the Church of Jesus Christ in Tumultuous Times

Joe R. Jones, 2005-08-22 This collection of essays sermons and prayers urges the church today to be the sort of community that sustains a vigorous and continuing conversation within itself as to who has called it into being to whom it is responsible and what it is called to be and to do Jones reminds the church that it is an alternative political community called into being by the Gospel This collection explores what it means to be such an alternative community in tumultuous times in times when it is tempting to look to the world for answers and to confuse loyalty to the nation state with loyalty to God A theme throughout all the writings is that the church is the necessary context for becoming and being a Christian

Calvin's Salvation in Writing William A. Wright, 2015-04-14

Academic writing is not a neutral medium for conveying truth its powers and faults must be exposed before theology entrusts its mysteries to the academic text To that end William Wright en route to putting Calvin s Salvation in Writing institutes a new theological genre theography theology that confesses its academic parameters with both gratitude and repentance He delineates those parameters by contrasting the philosophical rationales for writing

found in Hegel and Derrida Drawing on their insights into dialectic and difference Wright sets out Calvin's doctrine of justification and sanctification across a shifting written terrain Observing Calvin's doctrinal structure thus becomes a path to save academic writing from claiming for itself either too much or too little Calvin's Salvation in Writing A Confessional Academic Theology is the philosophically boldest employment of Calvin to date Through innovatively mining Calvin's theology William Wright designs a new method of theology that will enliven the field Church in Ordinary Time Amy Plantinga Pauw, 2017 Much of Christian theology is focused on the story of Jesus and the promised consummation of all things but the church spends its life in the gap between them How can we live more faithfully as Christians in this gap between the resurrection of Christ and the eschaton In Church in Ordinary Time Amy Plantinga Pauw argues that the liturgical season of ordinary time aptly symbolizes the church's existence as God's creature in this time between the times Pauw presents a compact Trinitarian ecclesiology that is attuned to church life in this era of ordinary time Formal ecclesiologies have largely neglected this ordinary time dimension of Christian life she says and in so doing have virtually ignored the ongoing graciousness of God's work as Creator Drawing on the seasons of the church year and the creation theology elaborated in Job Proverbs and Ecclesiastes Pauw offers wisdom for daily life in Christian communities of faith

The Poetics of Grace: Christian Ethics as Theodicy Jeph Holloway, 2013-04-09 What is God doing about a world marked by conflict and division What about a world in which our technologies promise great good but also threaten our existence What is God doing in a world where the demands for accumulation and acquisition create division and despair Can Christians hope to be of positive influence in a world that does not always support reflect or even understand Christian commitments Christian ethics often raises such questions as these and the possible answers vary widely Paul's Letter to the Ephesians is a tremendous resource for exploring a faithful response to perhaps the toughest question of all what is God doing about evil The role of Christian ethics is to take seriously the challenge that whatever God is doing God calls us to participate in a distinctive task that embraces our own commitments and labors within the divine purpose Ephesians says that God has taken the initiative to pursue that purpose and remarkably offers that we ourselves are part of the answer to the question what is God doing about evil Christian Fruit--Jewish Root John D. Garr, 2015-04-13 Christian Fruit Jewish Root is an in depth scholarly examination of the Hebraic foundations of the major tenets and practices of Christianity This volume confirms the truth that the inherent Jewishness of the Christian faith is simply an undeniable historical and theological fact By evaluating Christian doctrine and polity through the Jewish mindset of Jesus and the apostles this book uncovers a veritable treasure of Hebraic truth For every authentic Christian fruit there is a Jewish root This truth is demonstrated across a wide spectrum of theological truth including Scripture Messiah Salvation Faith Baptism Gospel Grace and Discipleship Christianity owes a profound debt of gratitude to the Jewish people and to biblical and Second Temple Judaism for the foundations of the truths and practices that it holds dear As you read this challenging informative and inspirational book you

will be amazed at just how Jewish Christianity the other Jewish religion actually is Jonathan Edwards as Contemporary
Don Schweitzer, 2010 Bibliography of the works of Sang Hyun Lee on Jonathan Edwards P **Gathered on the Road to Zion** Daniel Lee Hill, 2021-04-26 Churches are filled with human beings It is as a community of human creatures that the church gathers together on Sunday mornings to worship the triune God and it is as a community of creatures that its members participate in the church's liturgical life However merely noting that the church and human beings are related to one another leaves the nature of this relationship unresolved and undefined And this raises an important question How should the doctrine of the church inform our understanding of what it means to be human This project is an exercise in ecclesio anthropology albeit from a Free Church perspective In it Daniel Lee Hill seeks to discover how the nature practices mission and telos of the church robustly inform our understanding of the human creature American Providence Stephen H. Webb, 2004-10-22 The relationship between America and Christianity has never been so hotly contested as it is today September 11 2001 and the war on terror have had an almost schismatic impact on the Church American Christians have been forced to ask the really hard questions about faith and politics While some Christians would rather not ask these questions at all they are unavoidable for a religion that seeks to speak to the whole world with the expectation of nothing less than global transformation Like it or not Christians have to take a stand on the issue of America's alleged imperialism not only because America is largely a product of the Christian imagination but also because the converse is true the growth of Christianity worldwide is largely shaped by American values and ideals American Providence makes the case that American Christianity is not an oxymoron It also makes the case for a robust doctrine of providence a doctrine that has been frequently neglected by American theologians due to their reluctance to claim any special status for the United States Webb goes right to the heart of this reluctance by defending the idea that American foreign policy should be seen as a vehicle of God's design for history Feminist and Womanist Essays in Reformed Dogmatics Amy Plantinga Pauw, Serene Jones, 2006-04-17 This book is a collection of essays by thirteen feminist and womanist authors who locate themselves within the Reformed tradition Topics explored include the Trinity creation election atonement the church fear resistance and vocation This book will be of great interest to scholars and students interested in feminist theology The Columbia Series in Reformed Theology represents a joint commitment by Columbia Theological Seminary and Westminster John Knox Press to provide theological resources from the Reformed tradition for the church today This series examines theological and ethical issues that confront church and society in our own particular time and place The Theological Anthropology of David Kelsey Gene Outka, 2016 David Kelsey's two volume masterwork *Eccentric Existence* A Theological Anthropology has been recognized as a major achievement the culmination of decades of probing theological thought about what it means to be a human being in relationship with God Ten distinguished scholars respond to and interact with *Eccentric Existence* in this book celebrating both Kelsey and his landmark study with essays on theological anthropology as it relates to the Bible Catholic tradition

theological education and other subjects CONTRIBUTORS Shannon Craigo Snell David F Ford Joy Ann McDougall Cyril O Regan Gene Outka Amy Plantinga Pauw John E Thiel Edwin Chr van Driel Barbara G Wheeler Charles M Wood John Howard Yoder Mark Nation, 2006-01-05 John Howard Yoder 1927 1997 was a leading Christian witness against violence articulating a theology from his own tradition so powerful that it compelled people from many other traditions to take notice The war on terror the temptations of nationalism and the painful divisions between those who call themselves followers of Jesus signal our need to hear Yoder s voice again at the beginning of the twenty first century In his book Mark Thiessen Nation provides an insider s introduction to Yoder demonstrating how a committed Mennonite could also be profoundly evangelical in his witness and broadly catholic in his Christian sensibilities Taking us into Yoder s life and writings Nation explores Yoder s context his keen interest in the Anabaptist tradition his sustained engagement with other Christians and other faiths and his claim that pacifism is inherent to Jesus message

Grammar Of Christian Faith Systematic Explorations In Christian Life And Doctrine Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Grammar Of Christian Faith Systematic Explorations In Christian Life And Doctrine PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Grammar Of Christian Faith Systematic Explorations In Christian Life And Doctrine PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Grammar Of Christian Faith Systematic Explorations In Christian Life And Doctrine free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Grammar Of Christian Faith Systematic Explorations In Christian Life And Doctrine Books

1. Where can I buy Grammar Of Christian Faith Systematic Explorations In Christian Life And Doctrine books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
