Grammaticalization and English Complex Prepositions

What is a grammatical unit? How does grammatical structure evolve? How can we best investigate the mental representation of grammar? What is the connection between language use and language structure? This book aims to help answer such questions by presenting a detailed analysis of English complex prepositions (e.g. *in spite of* or *with respect to*) on the basis of large amounts of authentic language data from the Middle Ages up to the present day.

This work addresses the debate on the grammatical status of complex prepositions by investigating both diachronic and Present-day English corpus data within the framework of grammaticalization theory. Taking such a usage-based approach, the study offers ample empirical support for the claim that complex prepositions form meaningful elements of grammar, refuting those who maintain that complex prepositions as a grammatical class do not exist.

Few studies carried out within the grammaticalization framework have drawn so extensively on language corpora as suitable sources of authentic data, and the investigation here reveals that such an application can lead to new insights about the mechanisms of grammaticalization. This is a must-read for linguists interested in grammaticalization and corpus linguistics.

Sebastian Hoffmann is Lecturer in Linguistics at Zurich University, Switzerland.

Grammaticalization And English Complex Prepositions:

   Grammaticalization and English Complex Prepositions Sebastian Hoffmann,2007-04-11 What is a grammatical unit How does grammatical structure evolve How can we best investigate the mental representation of grammar What is the connection between language use and language structure This book aims to help answer such questions by presenting a detailed analysis of English complex prepositions e g in spite of or with respect to on the basis of large amounts of authentic language data dating from the Middle Ages until today **Corpus Approaches to Grammaticalization in English** Hans Lindquist,Christian Mair,2004-01-01 Grammaticalization is an important concept in general and typological linguistics and a prominent type of explanation in historical linguistics For historical corpus linguists grammaticalization theory provides a frame of orientation in their effort to analyze and systematize a fast accumulating mass of data Students of grammaticalization have become increasingly aware of the potential of existing corpora and established corpus linguistic methodology for their work This book continues and develops the dialogue between the two fields All the contributions are based on extensive use of various electronic corpora Relating corpus practices to recent theoretical concerns of grammaticalization studies they deal with grammaticalization and historical sociolinguistics lexicalization and grammaticalization layering frequency grammaticalization and dialects degrammaticalization and grammaticalization in a contrastive perspective The papers show that a synthesis of corpus methodology and grammaticalization studies leads to new and interesting insights about the mechanisms of language change and the communicative functions of language

   Complex Adpositions in European Languages Benjamin Fagard,José Pinto de Lima,Dejan Stosic,Elena Smirnova,2020-10-26 While much attention has been devoted to simple nominal relators especially prepositions and case markers complex nominal relators have not yet been the focus of a systematic and cross linguistic study The chapters of this volume provide not only a working definition of such constructions but also a description of complex adpositions and other complex nominal relators in a variety of European languages both Indo European and non Indo European including some languages for which this phenomenon had received little attention such as Breton and Albanian Building on synchronic and diachronic corpus based investigations the authors show commonalities and specificities of these linguistic items across languages trying to explain why and how they emerged The research presented in this volume confirms the wide spread use of complex adpositions in Europe and the data reviewed in the final discussion suggests it might be the same in other parts of the world as well This book thus offers not only detailed descriptions of complex nominal relators in fifteen languages but also indications of what to look for in other languages and how to distinguish between a syntactically free sequence and a genuine complex nominal relator **Digitally-assisted Historical English Linguistics** Carolina P. Amador-Moreno,Dagmar Haumann,Arne Peters,2023-12-22 This collection features different perspectives on how digital tools are changing our understanding of language varieties language contact sociolinguistics pragmatics and dialectology

through the lens of different historical contexts With a clear focus on English chapters in the volume showcase a broad range of digital methods and approaches that can contribute to advancing the study of historical linguistics Visualization tools and corpus linguistic techniques are part of the methodologies included in the volume The chapters present empirically based research and discuss theoretical aspects that emphasize how digitalization is changing our analysis of different domains of language going from phonology to specific grammatical morphosyntactic and lexical features to discourse related issues more broadly This book will be of interest to scholars of the history of the English language historical linguistics corpus linguistics and digital humanities   *The Oxford Handbook of Construction Grammar* Thomas Hoffmann,Graeme Trousdale,2013-04-18 This Handbook is the first authoritative reference work solely dedicated to the theory method and applications of Construction Grammar and will be a resource that students and scholars alike can turn to for a representative overview of its many sub theories and applications   **English Historical Linguistics** Laurel J. Brinton,2017-07-03 Written by an international team of leading scholars this engaging textbook on the study of English historical linguistics is uniquely organized in terms of theoretical approaches and perspectives Each chapter features textboxes case studies suggestions for further reading and exercises enabling students to understand the strengths and weaknesses of each approach and guiding them on undertaking further research The case studies and exercises guide students in approaching and manipulating empirical data providing them with hands on experience of conducting linguistic research An extensive variety of approaches from traditional to contemporary is treated including generative approaches historical sociolinguistic and pragmatic approaches psycholinguistic perspectives grammaticalization theory and discourse based approaches as well as perspectives on standardization and language variation Each chapter applies the concepts discussed to data from the history of English and a glossary of key terms enables easy navigation and quick cross referencing An essential resource for advanced undergraduate and graduate students of the history of English linguistics   **Gradience, Gradualness and Grammaticalization** Elizabeth Close Traugott,Graeme Trousdale,2010-02-24 This volume which emerged from a workshop at the New Reflections on Grammaticalization 4 conference held at KU Leuven in July 2008 contains a collection of papers which investigate the relationship between synchronic gradience and the apparent gradualness of linguistic change largely from the perspective of grammaticalization In addition to versions of the papers presented at the workshop the volume contains specially commissioned contributions some of which offer commentaries on a subset of the other articles The articles address a number of themes central to grammaticalization studies such as the role of reanalysis and analogy in grammaticalization the formal modelling of grammaticalization and the relationship between formal and functional change using data from a range of languages and in some cases from particular electronic corpora The volume will be of specific interest to historical linguists working on grammaticalization and general linguists working on the interface between synchrony and diachrony   **English Historical Linguistics. Volume 2** Alexander Bergs,Laurel J. Brinton,2012-10-01

Noun-Based Constructions in the History of Portuguese and Spanish Patrícia Amaral,Manuel Delicado Cantero,2022-04-28 This book explores syntactic and semantic change in three types of construction in Spanish and Portuguese i complex determiner phrases with clausal adjunction el hecho de o facto de ii complex prepositions complementizers and complex connectives sin embargo de sem embargo de so b pena de and iii complex predicates containing light verbs dar consejo conselho de While these constructions are syntactically different they are all clause taking complex expressions containing a noun followed by the functional preposition de of This book is the first work to use a systematic comparative corpus study to explore these expressions together this approach allows individual changes to be distinguished from general changes as well as emphasizing the chronological clustering of changes that involve complex constructions in both languages By studying mechanisms of language change and their outcomes in two sister languages Patr cia Amaral and Manuel Delicado Cantero address questions such as How do complex constructions evolve How does the meaning of the noun change when considered in isolation and when compared to the meaning of the whole construction And how do syntactic categories change over time This study of two closely related languages reveals distinct developments occurring in parallel and provides a crucial test case for theories of language change   On Ancient Grammars of Space Silvia Kutscher,Daniel A. Werning,2013-12-18 This volume presents new research by the Topoi group The Conception of Spaces in Language on the expression of spatial relations in ancient languages The six articles in this volume discuss static and dynamic aspects of the spatial grammars of Ancient to Medieval Greek Akkadian Hittite and Hieroglyphic Ancient Egyptian as well as field data on eight modern languages Arabic Hebrew English German Russian French Italian and Spanish Among the grams discussed are spatial particles motion verbs case and most prominently spatial prepositions All ancient language data are fully explained in linguistic word by word glosses and are therefore accessible to scholars who are not themselves experts on the respective languages Taken together these contributions extend the scope of research on spatial grammar back to the third millennium BCE   The Bloomsbury Companion to Historical Linguistics Silvia Luraghi,Vit Bubenik,2013-03-07 Originally published as the Continuum Companion to Historical Linguistics this book brings together a number of leading scholars who provide a combination of different approaches to current and new issues in historical linguistics while supplying an exhaustive and up to date coverage of sub fields traditionally regarded as central to historical linguistics research The editors aim to build a solid background for further discussion and to indicate directions for new research on relevant open questions The book includes coverage of key terms a list of resources and sections on history of research methodology phonology morphology grammatical categories syntax grammaticalization semantics etymology language contact sociolinguistics causes of language change It is a complete resource for researchers working on historical linguistics   **The Dynamics of the Linguistic System** Hans-Jörg Schmid,2020 This book offers a model of language that can be characterized as functionalist usage based dynamic and complex adaptive Schmid argues that linguistic structure is

not stable but continually refreshed by usage conventionalization and entrenchment This wide ranging volume will be of interest to linguists from a wide range of fields **Entrenchment and the Psychology of Language Learning** Hans-Jörg Schmid,2016-12-19 In recent years linguists have increasingly turned to the cognitive sciences to broaden their investigation into the roots and development of language With the advent of cognitive linguistic usage based and complex adaptive models of language linguists today are utilizing approaches and insights from cognitive psychology neuropsychology social psychology and other related fields A key result of this interdisciplinary approach is the concept of entrenchment the ongoing reorganization and adaptation of communicative knowledge Entrenchment posits that our linguistic knowledge is continuously refreshed and reorganized under the influence of social interactions It is part of a larger ongoing process of lifelong cognitive reorganization whose course and quality is conditioned by exposure to and use of language and by the application of cognitive abilities and processes to language This volume enlists more than two dozen experts in the fields of linguistics psycholinguistics neurology and cognitive psychology in providing a realistic picture of the psychological and linguistic foundations of language Contributors examine the psychological foundations of linguistic entrenchment processes and the role of entrenchment in first language acquisition second language learning and language attrition Critical views of entrenchment and some of its premises and implications are discussed from the perspective of dynamic complexity theory and radical embodied cognitive science **The Routledge Handbook of Historical Linguistics** Claire Bowern,Bethwyn Evans,2015-03-24 The Routledge Handbook of Historical Linguistics provides a survey of the field covering the methods which underpin current work models of language change and the importance of historical linguistics for other subfields of linguistics and other disciplines Divided into five sections the volume encompass a wide range of approaches and addresses issues in the following areas historical perspectives methods and models language change interfaces regional summaries Each of the thirty two chapters is written by a specialist in the field and provides a introduction to the subject an analysis of the relationship between the diachronic and synchronic study of the topic an overview of the main current and critical trends and examples from primary data The Routledge Handbook of Historical Linguistics is essential reading for researchers and postgraduate students working in this area Chapter 28 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 3 0 license https www routledgehandbooks com doi 10 4324 9781315794013 ch28 Corpus Perspectives on Patterns of Lexis Hilde Hasselgård,Jarle Ebeling,Signe Oksefjell Ebeling,2013-06-15 A hallmark of corpus linguistics is the study of patterns of language use The studies presented in this volume all use corpora to investigate patterns of lexis from various perspectives The first section Sequence and Order presents theoretical and practical aspects of the linguist s task of uncovering the principles that determine such patterns The next section Competing Constructions discusses the relationship between lexical patterns with similar meanings in the light of diachronic regional and register variation New developments in terms of lexicogrammatical meaning and patterning are

dealt with in the section Emerging Patterns The final section Correlating patterns and meaning discusses ways in which meaning can be studied in corpus data despite the lack of narrowly defined search terms Though situated at different points on a continuum between lexical and grammatical emphasis the studies all confirm the inseparability of lexis and grammar

The Routledge Handbook of Semantics Nick Riemer,2015-07-30 The Routledge Handbook of Semantics provides a broad and state of the art survey of this field covering semantic research at both word and sentence level It presents a synoptic view of the most important areas of semantic investigation including contemporary methodologies and debates and indicating possible future directions in the field Written by experts from around the world the 29 chapters cover key issues and approaches within the following areas meaning and conceptualisation meaning and context lexical semantics semantics of specific phenomena development change and variation The Routledge Handbook of Semantics is essential reading for researchers and postgraduate students working in this area   Collocational and Idiomatic Aspects of Composite Predicates in the History of English Laurel J. Brinton,Minoji Akimoto,1999-03-15 The focus of this carefully selected volume concerns the existence frequency and form of composite complex predicates the take a look construction in earlier periods of the English language an area of scholarship which has been virtually neglected The various contributions seek to understand the collocational and idiomatic aspects of these structures as well as of related structures such as complex prepositions e g on account of and phrasal verbs e g look up in their earliest manifestations Moreover study of these constructions at the individual stages of English leads to diachronic questions concerning their development raising issues pertaining to grammaticalization lexicalization and idiomaticization processes which are not always clearly differentiated nor fully understood   **English Historical Syntax and Morphology** Teresa Fanego,María José López-Couso,Javier Pérez-Guerra,2002-01-01 This volume offers a selection of papers from the Eleventh International Conference on English Historical Linguistics held at the University of Santiago de Compostela From the rich programme over 130 papers were given during the conference the present twelve papers were carefully selected to reflect the state of current research in the fields of English historical syntax and morphology Some of the issues discussed are the emergence of viewpoint adverbials in English and German changes in noun phrase structure from 1650 to the present the development of the progressive in Scots the passivization of composite predicates the loss of V2 and its effects on the information structure of English the acquisition of modal syntax and semantics by the English verb WANT or the use of temporal adverbs as attributive adjectives in the Early Modern period Many of the articles tackle questions of change through the use of methodological tools like computerized corpora The theoretical frameworks adopted include among others grammaticalization theory Dik s model of functional grammar construction grammar and Government Binding Theory   Constructions Collocations Patterns Thomas Herbst,Hans-Jörg Schmid,Susen Faulhaber,2014-10-14 This volume which has textbook character is intended to provide an in depth introduction to different theoretical and methodological research frameworks concerned with the role of item specific

grammatical and lexical behaviour   Negative Theology and Modern French Philosophy Arthur Bradley,2024-11-01 This book provides a significant and insightful exploration of the so called theological turn in contemporary French thought The philosopher Jacques Derrida speaks of a deeply ambiguous desire to save the name of God in his work on negative theology and this desire resonates in different ways in the work of his contemporaries This turn to religion within the work of a group of thinkers who have been stereotypically identified as relativists or nihilists prompts a series of questions which form the background to this study Negative Theology and Modern French Philosophy advance a reading of negative theology as an ancient name for something that is essential not simply to modern French thought but to all responsible thought and action whatsoever It will be of essential interest to theologians and philosophers and will also interest those concerned with the work of Derrida and his contemporaries

Recognizing the quirk ways to acquire this book **Grammaticalization And English Complex Prepositions** is additionally useful. You have remained in right site to begin getting this info. acquire the Grammaticalization And English Complex Prepositions link that we meet the expense of here and check out the link.

You could purchase lead Grammaticalization And English Complex Prepositions or get it as soon as feasible. You could speedily download this Grammaticalization And English Complex Prepositions after getting deal. So, later you require the ebook swiftly, you can straight get it. Its for that reason certainly easy and therefore fats, isnt it? You have to favor to in this song

Grammaticalization And English Complex Prepositions Introduction

Grammaticalization And English Complex Prepositions Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Grammaticalization And English Complex Prepositions Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Grammaticalization And English Complex Prepositions : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Grammaticalization And English Complex Prepositions : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Grammaticalization And English Complex Prepositions Offers a diverse range of free eBooks across various genres. Grammaticalization And English Complex Prepositions Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Grammaticalization And English Complex Prepositions Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Grammaticalization And English Complex Prepositions, especially related to Grammaticalization And English Complex Prepositions, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Grammaticalization And English Complex Prepositions, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Grammaticalization And English Complex Prepositions books or magazines might include. Look for these in online stores or libraries. Remember that while Grammaticalization And English Complex Prepositions, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Grammaticalization And English Complex Prepositions eBooks for free, including popular titles.Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.Authors Website Occasionally, authors provide excerpts or short

stories for free on their websites. While this might not be the Grammaticalization And English Complex Prepositions full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Grammaticalization And English Complex Prepositions eBooks, including some popular titles.

FAQs About Grammaticalization And English Complex Prepositions Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Grammaticalization And English Complex Prepositions is one of the best book in our library for free trial. We provide copy of Grammaticalization And English Complex Prepositions in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Grammaticalization And English Complex Prepositions. Where to download Grammaticalization And English Complex Prepositions online for free? Are you looking for Grammaticalization And English Complex Prepositions PDF? This is definitely going to save you time and cash in something you should think about.
