Confederate Casualties at Gettysburg John W. Busey, Travis W. Busey, 2017-01-25. This reference book provides information on 24,000 Confederate soldiers killed, wounded, captured, or missing at the Battle of Gettysburg. Casualties are listed by state and unit in many cases with specifics regarding wounds, circumstances of casualty, military service, genealogy, and physical descriptions. Detailed casualty statistics are given in tables for each company, battalion, and regiment, along with brief organizational information for many units. Appendices cover Confederate and Union hospitals that treated Southern wounded and Federal prisons where captured Confederates were interned after the battle. Original burial locations are provided for many Confederate dead, along with a record of disinterments in 1871 and burial locations in three of the larger cemeteries where remains were reinterred. A complete name index is included.
