roommate for the weekend an obnoxious novelist known as Panossian turns up dead his face neatly removed What's more unsettling is that in the aftermath of the murder there is little concern among the convention goers The Summer Tentacular continues uninterrupted except by a few bumbling police Everyone at the convention is a possible suspect but only Colleen seems to show any interest in solving the murder So she delves deep into the darkness where occult truths have been lurking since the beginning of time A darkness where Panossian is waiting spending a lot of time thinking about Colleen narrating a new Lovecraftian tale that could very well spell her doom
