## **Hachiko The True Story Of A Loyal Dog:**

*Hachiko* Pamela S. Turner, 2004 Imagine walking to the same place every day to meet your best friend Imagine watching hundreds of people pass by every morning and every afternoon Imagine waiting and waiting and waiting For ten years This is what Hachiko did Hachiko was a real dog who lived in Tokyo a dog who faithfully waited for his owner at the Shibuya train station long after his owner could not come to meet him He became famous for his loyalty and was adored by scores of people who passed through the station every day This is Hachiko s story through the eyes of Kentaro a young boy whose life is changed forever by his friendship with this very special dog Simply told and illustrated with Yan Nascimbene s lush watercolors the legend of Hachiko will touch your heart and inspire you as it has inspired thousands all over the world

*Hachiko* Julie Chrystyn, 2009-11-01 In 1924 Hachiko was brought to Tokyo by his owner Hidesaburo Ueno a professor in the agriculture department at the University of Tokyo During his owner s life Hachiko saw him off from the front door and greeted him at the end of the day at the nearby Shibuya Station The pair continued their daily routine until May 1925 when Professor Ueno didn t return on the usual train one evening The professor had suffered a stroke at the university that day He died and never returned to the train station where his friend was waiting Hachiko was given away after his master s death but he routinely escaped showing up again and again at his old home After time Hachiko realized that Professor Ueno no longer lived at the house So he went to look for his master at the train station where he had accompanied him so many times before Each day Hachiko waited for Professor Ueno to return And each day he didn t see his friend among the commuters at the station Hachiko became a permanent fixture at the train station which eventually attracted the attention of commuters Many of the people who frequented the Shibuya train station had seen Hachiko and Professor Ueno together Realizing that Hachiko waited in vigil for his dead master their hearts were touched They brought Hachiko treats and food to nourish him during his wait This continued for 10 years with Hachiko appearing precisely when the train was due at the station Hachiko The Story of the Royal Dogs of Japan and One Faithful Akita is Hachiko s story as well as an informative look at dog culture in Japan and the history and tradition of the Akita ken one of the most ancient beloved and faithful dog breeds **Hachiko**

history and how certain dogs have subtly influenced how that history is told Generously illustrated with both color and black and white images Empire of Dogs shows that human canine relations often expose how people especially those with power and wealth use animals to define regulate and enforce political and social boundaries between themselves and other humans especially in imperial contexts
