Hail Mary Its Meaning:

The Hail Mary René Laurentin, 1991 Messenger of the Sacred Heart of Jesus , 1896 **Matthew: Jimmy Swaggart Bible Commentary** Jimmy Swaggart, 1996 MATTHEW BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God **Behold the Lamb of God** Patrick J. Miron, 2004 Like all of us I have been given a number of gold coins to invest by and for our Savior Jesus Christ This manual on our faith and the current state of our Church is I pray a multiplication and proper use of the gifts loaned to me Now there are varieties of gifts but the same Spirit and there are varieties of service but the same Lord and there are varieties of working but it is the same God who inspires them all in every one To each is given the manifestation of the Spirit for the common good 1 Corinthians Chapter 12 4 8 I am compelled to write and compile this work for a variety of reasons Foremost is the urgent need for an Orthodox compelling easy to read comprehensive source for all those who desire to teach and share our faith with our family and in our Church It is an ideal Catechesis resource Working part time with a strong sense of dedication it has taken about five years to complete this work My mentor Father John A Hardon S J Deceased may he rest in peace was fond of reminding us that we can t teach what we ourselves don t know or understand If you wish to know a lot more about your Roman Catholic faith you will find what you re seeking in this manual Included are bites of the collective Wisdom of Christ and the Church Fathers of the past and present There are a wide variety of topics and subjects to expose issues and topics seldom taught discussed or explained in today s often permissive catholic church We cover topics from prayer to Popes Sacraments to Crucifixion Truth to Saints the proper role of the laity include a Catholic resource guide and much more We explain how our current Church culture came to be and how and where it s heading The news is not all good This is a book I pray my kids and grandkids will read and take to heart Read it you ll likely feel the same way There are many things despite our attempts and desires that we must leave to the Holy Spirit That too is a gift from God To be clear and fair this is not a novel it is a manual formatted as mini books that explain faithfully and clearly who we as Roman Catholics are called to be and how we are to live and share our faith It is Traditional
