significances and excellence the Hajj<sup>1</sup> is the best means to strengthen religious communication and coordination among the Muslims of the whole world hailing from different countries with their separate nationality race language and colour and to collect them on a single platform thereby making them rally round the banner of Kalimah Tauheed the Code of Oneness of Allah which is the pivot of Islaam

3 It envisages projection of the glory and truthfulness of Islaam besides earning believers the benefits and gains of the air land and sea travels

4 It also embraces the aims and objectives which kings and rulers achieve by holding grand courts an association or organization achieve by holding annual meetings and chamber of commerce achieve by holding international fairs

5 Hajj also satisfies the inquisition of anthropologists archaeologists geologists historians and geographers

6 Most of Hajj's sites are either prominent symbols of Allah or have attachments with the Messengers and Prophets which refresh the memory of the sacred traditions and remind of the events of Divine blessings and mercy attached with these signs

In short the Divine Law which the Holy Prophet brought with him is so comprehensive and practical that it covers all temporal and spiritual affairs. It's each and every word abounds with wisdom and reasons which is evident from the fact that the worldly and spiritual benefits and objectives of Islamic commands and worships are before the whole world and will continue coming to the fore until the Doomsday.

**A Guide to Hajj and Umrah** Anis Matthews,Daud Matthews,2014-04-24 Th e authors have drawn on their own experience of living in Saudi Arabia for 23 years to write A Guide for Hajj and Umrah It is an enlightening spiritual and practical guide for the sacred journeys of Hajj and Umrah Its a guided tour through a number of very meaningful emotional and religious experiences But its also so much more It is a journey of self discovery as well as the discovery of Islam Its a primer on Islamic practices that will undoubtedly intrigue and captivate both Muslim and Non Muslim audiences through engaging story telling Th e text itself is well written and simple getting straight to the heart of the matter of proper religious observance and practice on what may rightly be called the pilgrimage of a lifetime Th e photographs displayed near the end of the book are astounding and original especially for readers from Non Muslim countries who have in all probability never before seen such sights as the spellbinding pure as snow brightness of Masjid Nabawi at night or the sober splendor of the Prophet s Mosque Interspersed with the practical maps tips and guides that all pilgrims will appreciate are the most beautiful and heartfelt invocations and prayers to Allah the Most Powerful and Compassionate as well as a thrilling narration of Islam s early history and lore Particularly moving and evocative is the beautifully retold beginning of sa ee the struggle as an act of absolute trust in Allah as displayed by a desperate and lonely Hajar Especially touching and profound is the authors recommendation to work hard on understanding the du as recited as a pilgrim instead of simply carrying pamphlets and reciting them in blind fashion without understanding their meaning Such a warning is a necessity as casualness might well impair the sincerity of the appeal which should come straight from the pilgrim s heart In short this book is truly the perfect companion for a deeply spiritual and personal pilgrimage to the heart of Islam
