The Jeffersonians Kevin R. C. Gutzman, 2022-12-13 The epic chronicle of the Virginia Dynasty Three Presidents who shaped America's destiny and set the stage for modern liberalism A long insightful look at three Founder presidents Political histories are rarely page turners but Gutzman clearly a scholar who has read everything on his subjects writes lively prose and displays a refreshingly opinionated eye for a huge cast of characters and their often unfortunate actions Outstanding historical writing Kirkus starred review Before the consecutive two term administrations of Presidents Bill Clinton George W Bush and Barack Obama there had only been one other trio of its type Thomas Jefferson James Madison and James Monroe Kevin R C Gutzman's *The Jeffersonians* is a complete chronicle of the men known as The Virginia Dynasty who served as president from 1801 to 1825 and implemented the foreign policy domestic and constitutional agenda of the radical wing of the American Revolution setting guideposts for later American liberals to follow The three close political allies were tightly related Jefferson and Madison were the closest of friends and Monroe was Jefferson's former law student Their achievements were many including the founding of the opposition Republican Party in the 1790s the Louisiana Purchase and the call upon Congress in 1806 to use its constitutional power to ban slave imports beginning on January 1 1808 Of course not everything the Virginia Dynasty undertook was a success Its chief failure might have been the ineptly planned and led War of 1812 In general however when Monroe rode off into the sunset in 1825 his passing and the end of The Virginia Dynasty were much lamented Kevin R C Gutzman's compelling narrative details a pivotal time in America when three presidents worked toward common goals to strengthen our republic in a way rarely seen in modern politics [The Memorial History of the City of](#)

Thomas Allen Glenn, 1898 **The Great Jay Gatsby** Renee Kennedy, 2022-12-20 F Scott Fitzgerald sets *The Great Gatsby* around WWI he leaves the reader with a mystery of the true identity and education of his fictional character This novel *The Great Jay Gatsby* supplies the answers and sets the novel in WWII The reader must decide whether Gatsby lived and when Meet the Great Gatsby's beautiful wife in the pages of this story A literary achievement for any writer is to create a fictional character so real that the reader believes they lived In the case of James Bond this fictional character was borrowed by so many writers that the encyclopedia lists James Bond as a living person Renee Kennedy will make you believe Jay Gatsby is a living person in history The story is set in an era when autos and planes among other invented technologies are new to society and adds more interest to the reader The novel promotes good morals and encourages parents to love their children God is love and love softens any heart The inspirational and motivational message for daily living is to cherish every gift of love from God Why Tragedy may strike at any time A loved one can be lost in a moment Many today may enjoy love but have forgotten who the source of love is A hardened heart through force of habit may forget God Gatsby forgets God when he loses his family and forgets his family when he fights in WWII God gave Jay Gatsby victory over the sting of death God is watching
