

Jazz Postcard

Chris Gibson

Jazz Postcard:

Lee Tanner's Jazz Photographs/a Book of Postcards Lee Tanner, 1990-06 Lee Tanner began documenting East Coast jazz sessions about fifty years ago Down Beat Jazz Magazine Paris and Rolling Stone have published his intimate jazz portraits which also grace many album and CD covers Tanner observes of his work and that of other jazz photographers We re shooters We re photographing the moment That s what the essence of jazz is the moment Abbey Lincoln Art Blakey Joe Williams Dizzy Gillespie Jimmy Rushing Gerry Mulligan and Illinois Jacquet are among the thirty musicians who populate this book of postcards

American Dreamscapes: Postcards from the Past Pasquale De Marco, 2025-08-10 American Dreamscapes Postcards from the Past is a journey through the world of American postcards From the bustling streets of New York City to the serene landscapes of the American West postcards have documented the people places and events that have shaped our nation s history In this book we will explore the different types of postcards that were produced the people who created them and the stories that they tell Along the way we will learn about the social and cultural history of the United States and we will gain a new appreciation for the power of the postcard Postcards were first introduced in the United States in the late 1800s At first they were used primarily as a way to send short messages to friends and family However as the popularity of postcards grew they began to be used for a variety of purposes Businesses used postcards to advertise their products and services schools used postcards to promote their programs and organizations used postcards to raise funds The golden age of postcards was the early 1900s During this time postcards were produced in vast quantities and they were sold everywhere from drug stores to department stores Postcards were also very affordable which made them accessible to people of all income levels As a result of their popularity postcards became a powerful force in American culture They helped to spread news and information they promoted tourism and they helped to create a sense of national identity Postcards also played a role in social and political movements For example postcards were used to promote the women s suffrage movement and the civil rights movement Today postcards are still produced and used although their popularity has declined somewhat in the digital age However postcards remain a valuable historical record of American life They offer a unique glimpse into the past and they can help us to understand the present American Dreamscapes Postcards from the Past is a celebration of the American postcard It is a book that will appeal to anyone interested in American history popular culture or photography If you like this book write a review

Small Graphics Cheryl Dangel Cullen, 2000 Small Graphics is a reference guide providing insight and inspiration for designs where space is at a premium See how expert designers make

the most of the space they have creating small graphics that communicate in a big way Learn how to maximize the impact of the message in keeping with its size no matter how small Includes design work and designer insights on projects including business cards postcards business accessories and a few small but unexpected design projects of the top design talent from around the world **Jazz Times** ,1998 **The Nonconformists** Brian K. Goodman,2023-06-20 The Cold War was an era of surprising connections between American and Czech literary cultures Major writers met behind the Iron Curtain while others smuggled translated and adapted works from the other side Brian K Goodman explores the artistic and political consequences arguing that the movement of literature inspired new forms of dissent **The Secrets of Bones** Kylie Logan,2020-05-05 Second in a new series from national bestselling author Kylie Logan The Secrets of Bones is a riveting mystery following Jazz Ramsey as she trains a cadaver dog Assembly Day at St Catherine s dawns bright and cloudless as professional woman gather from all around Ohio to talk to the schoolgirls about their careers ranging from medicine to NASA to yoga Jazz Ramsey has also signed up to give the girls a taste of her lifelong passion cadaver dog training Her adorable new puppy Wally hasn t been certified yet so she borrows the fully trained Gus from a friend and hides a few bones in the unused fourth floor of the school for him to find The girls are impressed when Gus easily finds the first bone but then Gus heads confidently to a part of the floor where Jazz is sure no bones are hidden at least not any that she s put there But Gus is a professional and sure enough behind a door that no one has opened in ages is a human skeleton Jazz recognizes the necklace the skeleton is wearing and that it belonged to Bernadette Quinn an ex teacher at the school who d quit her job abruptly one Christmas break But now it seems Bernadette never left the school at all and her hiding place makes it clear this was murder Bernadette in life had been a difficult personality and so there are a plethora of suspects inside the school and out of it As Jazz gets closer to the truth she can t help but wonder if someone might be dogging her footsteps **Live Music in America** Steve Waksman,2022 When the Swedish concert singer Jenny Lind toured the U S in 1850 she became the prototype for the modern pop star Meanwhile her manager P T Barnum became the prototype for another figure of enduring significance the pop culture impresario Starting with Lind s fabled U S tour and winding all the way into the twenty first century Live Music in America surveys the ongoing impact and changing conditions of live music performance in the U S It covers a range of historic performances from the Fisk Jubilee Singers expanding the sphere of African American music in the 1870s to Benny Goodman bringing swing to Carnegie Hall in 1938 to 1952 s Moondog Coronation Ball in Cleveland arguably the first rock and roll concert to Beyonc s boundary shattering performance at the 2018 Coachella festival More than that the book details the roles played by performers audiences media commentators and a variety of live music producers promoters agents sound and stage technicians in shaping what live music means and how it has evolved Live Music in America connects what occurs behind the scenes to what takes place on stage to highlight the ways in which live music is very deliberately produced and does not just spontaneously materialize Along the way author Steve Waksman uses previously unstudied

archival materials to shed new light on the origins of jazz the emergence of rock n roll and the rise of the modern music festival *The Stories of Jazz* Mario Dunkel,2021-09-22 New Orleans jazz Dixieland Chicago jazz swing bebop cool jazz hard bop and free jazz up until today the history of jazz is told as a tradition consisting of fixed components including a succession of jazz styles How did this construction of music history emerge What were the alternative perspectives And why did the narrative of a fixed tradition catch on In this study Mario Dunkel examines narratives of jazz history from the beginnings of jazz until the late 1950s According to Dunkel the jazz tradition is simultaneously an attempt to approach historical reality and the product of competition between different narratives and cultural myths From the middlebrow culture of the 1920s to the New Deal the African American civil rights movement and the role of the U S in the Cold War Dunkel shows in detail how the jazz tradition as a global narrative of the twentieth century is intertwined with greater social and cultural developments

Blackface, White Noise Michael Rogin,1996 The tangled connections that have bound Jews to African Americans in popular culture and liberal politics are at the heart of this text It explores blackface in Hollywood films as an aperture to various broader issues **The Jazz Discography** Tom Lord,1992 Hungry Beat Douglas MacIntyre,Grant McPhee,2022-09-15 Hungry Beat is the story of an all too brief era where the short circuiting of that industry seemed viable But hell the times were luminous as was the music these artists made The songs and many of the players remain and here they tell their story and lick their wounds Ian Rankin The immense cultural contribution made by two maverick Scottish independent music labels Fast Product and Postcard cannot be underestimated Bob Last and Hilary Morrison in Edinburgh followed by Alan Horne and Edwyn Collins in Glasgow helped to create a confidence in being Scottish that hitherto had not existed in pop music or the arts in general in Scotland Their fierce independent spirit stamped a mark of quality and intelligence on everything they achieved as did their role in the emergence of regional independent labels and cultural agitators such as Rough Trade Factory and Zoo Hungry Beat is a definitive oral history of these labels and the Scottish post punk period Covering the period 1977 1984 the book begins with the Subway Sect and the Slits performance on the White Riot tour in Edinburgh and takes us through to Bob Last shepherding the Human League from experimental electronic artists on Fast Product to their triumphant number one single in the UK and USA Don t You Want Me Largely built on interviews for Grant McPhee s Big Gold Dream film with Last Hilary Morrison Paul Morley and members of The Human League Scars The Mekons Fire Engines Josef K Aztec Camera The Go Betweens and The Bluebells Hungry Beat offers a comprehensive overview of one of the most important periods of Scottish cultural output and the two labels that changed the landscape of British music **Charlie Parker & Jazz Club Memorabilia** Ken Vail,2007 Neapolitan Postcards Goffredo Plastino,Joseph Sciorra,2016-06-22 Neapolitan Postcards gathers a diverse group of international scholars to investigate unexplored transnational aspects of the intimate yet globally popular canzone napoletana Performed and beloved worldwide in almost every language the style had hits such as Funicul funicul 1880 and O sole mio 1898 which sold millions of copies

These hits fueled the tradition's spread across the world over the course of the twentieth century with the eventual popularity of covers by singers and musicians of all music genres and styles from popular music to opera and jazz. This book is the first scholarly work that considers the specific complexities of the international Neapolitan Song scenes through case studies from Argentina, England, Greece, and the United States, employing analyses of compositions, iconographical sources, international films, mechanical musical instruments, performances, and recordings devoted to the *canzone napoletana*.

JazzTimes, 1994-12: JazzTimes has been published continuously since 1970 and is the recipient of numerous awards for journalism and graphic design. In addition to insightful profiles of emerging and iconic stars, each issue contains over 100 reviews of the latest CDs, books, and DVDs. Published ten times annually, JazzTimes provides uncompromising coverage of the American jazz scene.

Working with Youth Violence Tamara Blakemore, Louise Rak, Chris Krogh, Shaun McCarthy, Graeme Stuart, 2023-12-01: Relevant for experienced and emerging social work and human service practitioners alike, this book explores the uniquely challenging yet seemingly ubiquitous issue of youth violence. It provides an authentic and accessible discussion of the theories and evidence that inform practice with youth violence alongside the voices of practitioners and the young people they work with. These voices are drawn from work with the Name Narrate Navigate (NNN) program for youth violence. NNN provides a trauma-informed, culturally safe preventive intervention for young people who use and experience violence and specialist training for the workers who support them. The program embraces creative methods as a bridge between contemporary evidence on trauma and violence and Aboriginal healing practice. The dual focus of the program is informed and interconnected by action research involving Aboriginal Elders and community members, practitioners, and key service stakeholders, including young people with a lived experience of violence. This book is ideal for use in professional cross-disciplinary programs such as criminology, sociology, social work, and psychology across post-secondary, vocational, and university sectors.

Marking Modern Movement Susan Funkenstein, 2020-10-26: Imagine yourself in Weimar Germany; you are visually inundated with depictions of dance. Perusing a women's magazine, you find photograph after photograph of leggy revue starlets clad in sequins and feathers, coquettishly smiling at you. When you attend an art exhibition, you encounter Otto Dix's six-foot-tall triptych *Metropolis* featuring Charleston dancers in the latest luxurious fashions, or Emil Nolde's watercolors of Mary Wigman with their luminous blues and purples evoking her choreographies, mystery, and expressivity. Invited to the Bauhaus, you participate in the Metallic Festival and witness the school's transformation into a humorous, shiny, technological total work of art; you costume yourself by strapping a metal plate to your head, admire your reflection in the tin balls hanging from the ceiling, and dance the Bauhaus signature step in which you vigorously hop and stomp late into the night. Yet behind the razzle-dazzle of these depictions and experiences was one far more complex involving issues of gender and the body during a tumultuous period in history: Germany's first democracy, 1918-1933. Rather than mere titillation, the

images copiously illustrated and analyzed in *Marking Modern Movement* illuminate how visual artists and dancers befriended one another and collaborated together In many ways because of these bonds artists and dancers forged a new path in which images revealed artists deep understanding of dance their dynamic engagement with popular culture and out of that a possibility of representing women dancers as cultural authorities to be respected Through six case studies *Marking Modern Movement* explores how and why these complex dynamics occurred in ways specific to their historical moment Extensively illustrated and with color plates *Marking Modern Movement* is a clearly written book accessible to general readers and undergraduates Coming at a time of a growing number of major art museums showcasing large scale exhibitions on images of dance the audience exists for a substantial general public interest in this topic Conversing across German studies art history dance studies gender studies and popular culture studies *Marking Modern Movement* is intended to engage readers coming from a wide range of perspectives and interests
