Oppenheimer, 2021-09-30 Young heiress Jeanne de la Mesurier has returned to London to rejoin her stepmother following a childhood in a French convent where she has been since her father's death. Despite her high status, young Jeanne is poor and so together with the nefarious Major Forrester, Jeanne sets out to scam and prey on her young suitors. A humorous novel full of mystery and cheats, this is a wonderful introduction to the author E. Phillips Oppenheim. E. Phillips Oppenheim (1866-1946) was a hugely prolific and highly popular British author of novels and short stories. Born in Tottenham, London, Oppenheim left school as a teenager and worked for his leather merchant father for 20 years prior to launching his literary career. Oppenheim published five novels under the pseudonym Anthony Partridge before establishing his reputation as a writer under his own name. An internationally successful author, Oppenheim's stories revolved mainly around glamorous characters, luxurious settings, and themes of espionage, suspense, and crime. He is widely regarded as one of the earliest pioneers of the thriller and spy fiction genre, as it is recognised today. Oppenheim's incredible literary success meant that his own life soon began to mirror that of his opulent characters. He held lavish Gatsby-style parties at his French Villa and was rumoured to have had frequent love affairs aboard his luxury yacht. Oppenheim's success earned him the cover of Time magazine in 1927. Some of his most well-known novels include *The Great Impersonation*, *The Long Arm of Mannister*, and *The Moving Finger*.

**Jeanne Of The Marshes** E. PHILLIPS OPPENHEIM, 2024-01-02 The novel *Jeanne of the Marshes* was written by the well-known English novelist E. Phillips Oppenheim. He is best known for his mystery and espionage books. The story, which was published in 1910, centres on the enigmatic disappearance of wealthy Englishman Sir Philip Dorylton and the mystery surrounding his friends and family. The story takes place in the stunning English countryside and centres on Jeanne, a youthful and attractive French woman who lives in the marshes. As Jeanne learns of Sir Philip's disappearance and the ensuing investigation, she gets caught up in a convoluted web of secrets and ulterior intentions. The book looks at themes including love, betrayal, and the conflict between what society expects of you and what you want for yourself. Readers are introduced to a cast of characters with competing interests as the tale develops, including Lady Dorylton, Sir Philip's wife, and some other people who might have reasons for his disappearance. Romance, mystery, and suspense are all interwoven throughout the novel to keep readers interested as they follow the plot's many turns. **Jeanne of the Marshes** E.
