Jeffrey Takes On The World:

Banking on Vendetta G. Giuliani, 2011-08-11 **Second Coming** , **The Private Worlds of Dying Children** Myra Bluebond-Langner, 2020-05-05 Winner of the Margaret Mead Award A classic moving study of terminally ill children that emphasizes their agency and shows how we can relate to dying children more honestly The death of a child writes Myra Bluebond Langner poignantly underlines the impact of social and cultural factors on the way that we die and the way that we permit others to die In a moving drama constructed from her observations of leukemic children aged three to nine in a hospital ward she shows how the children come to know they are dying how and why they attempt to conceal this knowledge from their parents and the medical staff and how these adults in turn try to conceal from the children their awareness of the child's impending death In contrast to many parents doctors nurses and social scientists who regard the children as passive recipients of adult actions Bluebond Langner emphasizes the children's role in initiating and maintaining the social order Her sensitive and stirring portrait shows the children to be willful purposeful individuals capable of creating their own worlds The result suggests better ways of relating to dying children and enriches our understanding of the ritual behavior surrounding death

David Lynch Colin Odell, Michelle Le Blanc, 2007-10-28 Internationally renowned David Lynch is America's premier purveyor of the surreal an artist whose work in cinema and television has exposed the world to his highly personalized view of society Examining Lynch's entire body of work from the cult surrealism of his debut feature Eraserhead to his latest mystery Inland Empire this book considers the themes motifs and stories behind his incredible works In Lynch's world the mundane and the fantastical collide often with terrifying consequences It is a place where the abnormal is normal the respectable becomes sinister where innocence is lost redemption gained at a terrible price and where there's always music in the air From the deserts of a distant world to an ordinary backyard at the breakneck speed of Lost Highway or the sedate determination of The Straight Story readers will experience amateur sleuths messiahs giants and dwarves chanteuses psychopaths cherry pie and damn fine coffee

The World's Chronicle Eleanor Atkinson, Francis B. Atkinson, Lewis A. Convis, 1903 **Breaking the Book** Laura Mandell, 2015-05-14 Breaking the Book is a manifesto on the cognitive consequences and emotional effects of human interactions with physical books that reveals why the traditional humanities disciplines are resistant to digital humanities Explores the reasons why the traditional humanities disciplines are resistant to digital humanities Reveals facets of book history offering it as an example of how different media shape our modes of thinking and feeling Gathers together the most

important book history and literary criticism concerning the hundred years leading up to the early 19th century emergence of mass print culture Predicts effects of the digital revolution on disciplinarity expertise and the institutional restructuring of the humanities *Night Passages* Elisabeth Bronfen,2013 In the beginning was the night All light shapes language and subjective consciousness as well as the world and art depicting them emerged from this formless chaos In fantasy we seek to return to this original darkness Particularly in literature visual representations and film the night resiliently resurfaces from the margins of the knowable acting as a stage and state of mind in which exceptional perceptions discoveries and decisions play out Elisabeth Bronfen follows nocturnal spaces in which extraordinary events unfold enabling the irrational exploration of desire transformation ecstasy transgression spiritual illumination and moral choice She begins with classical myths depicting the creation of the world and moves through nocturnal scenes in Shakespeare and Milton Gothic figurations Hegel s romantic philosophy and Freud s psychoanalysis In modern times she shows how literature and film particularly film noir transmit that piece of night the modern subject carries within From Mozart s Queen of the Night to Virginia Woolf s oscillation between day and night life and death and chaos and aesthetic form Bronfen renders something visible conceivable and tellable from the dark realms of the unknown **World's Best Cocktails** Tom Sandham,2012-10-01 World s Best Cocktails is an exciting global journey providing the secrets to successful cocktail making their history and provenance and where to seek out the world s best bars and bartenders from London to Long Island and beyond Cocktail and liquor connoisseur Tom Sandham provides a comprehensive appraisal of global cocktail culture highlighting the trends and techniques that make the finest drinks popular in their native climes and across the world Cocktail lovers will appreciate personal tips from key bartenders such as Jim Meehan and Dale de Groff in New York and Tony Conigliaro and Salvatore Calabrese in London while cutting edge recent award winners point to the future with their new daring flavor combinations At last discerning drinkers can learn more about what to drink and where then bring back their coolest cocktail experiences to enjoy at home *Bridges* Leatha J. Patton,2013-11 Because their lives have always been overshadowed by the residual effects of a horrific ordeal from the post Civil War era life for the Beckfords consistently remains somewhat tentative But then in relatively modern times a specifically horrendous event occurs on their sprawling thousand acres which will cause cleavage within the family to persistently linger for years The plot then thickens as the youngest Beckford siblings Ned and Estelle are confronted with an exacerbating family situation which influences their decision to seek new beginnings Chicago provides the backdrop for many circumstances that introduce both especially Estelle to numerous challenges Through them all she courageously manages to retain resilience tenaciously searching for the best that life can offer her She instills the same optimism and resourcefulness in her children Clare and Jeffrey Clare encounters all obstacles with stubborn persistence to eventually become the main focus of this novel Because of her marriage to Grady Mayfield that family also becomes woven into the widening narrative that extends into the 21st century *Give and Take* Nitsan Chorev,2019-12-10

Give and Take looks at local drug manufacturing in Kenya Tanzania and Uganda from the early 1980s to the present to understand the impact of foreign aid on industrial development While foreign aid has been attacked by critics as wasteful counterproductive or exploitative Nitsan Chorev makes a clear case for the effectiveness of what she terms developmental foreign aid Against the backdrop of Africa s pursuit of economic self sufficiency the battle against AIDS and malaria and bitter negotiations over affordable drugs Chorev offers an important corrective to popular views on foreign aid and development She shows that when foreign aid has provided markets monitoring and mentoring it has supported the emergence and upgrading of local production In instances where donors were willing to procure local drugs they created new markets that gave local entrepreneurs an incentive to produce new types of drugs In turn when donors enforced exacting standards as a condition to access those markets they gave these producers an incentive to improve quality standards And where technical know how was not readily available and donors provided mentoring local producers received the guidance necessary for improving production processes Without losing sight of domestic political economic conditions historical legacies and foreign aid s own internal contradictions Give and Take presents groundbreaking insights into the conditions under which foreign aid can be effective Jeff Brigg's Love Story, and Other Tales Bret Harte,1880

Hitchcock's Rear Window John Fawell,2004-11-22 In the process of providing the most extensive analysis of Alfred Hitchcock s Rear Window to date John Fawell also dismantles many myths and clich s about Hitchcock particularly in regard to his attitude toward women Although Rear Window masquerades quite successfully as a piece of light entertainment Fawell demonstrates just how complex the film really is It is a film in which Hitchcock the consummate virtuoso was in full command of his technique One of Hitchcock s favorite films Rear Window offered the ideal venue for the great director to fully use the tricks and ideas he acquired over his previous three decades of filmmaking Yet technique alone did not make this classic film great one of Hitchcock s most personal films Rear Window is characterized by great depth of feeling It offers glimpses of a sensibility at odds with the image Hitchcock created for himself that of the grand ghoul of cinema who mocks his audience with a slick and sadistic style Though Hitchcock is often labeled a misanthrope and misogynist Fawell finds evidence in Rear Window of a sympathy for the loneliness that leads to voyeurism and crime as well as an empathy for the film s women Fawell emphasizes a more feeling humane spirit than either Hitchcock s critics have granted him or Hitchcock himself admitted to and does so in a manner of interest to film scholars and general readers alike ...But They Call Me Sonny Pamela A. Clark,2011-01-31 Pamela lost her dad when she was three Later she begins a search to find a grandfather presented by such a loss Armed with a mission to find him the facts start to skew Clues twist and turn and then entwine to such a degree she bumps into her dad s story and learns the only way to find the man fate chose to leave behind is that first she must go through her dad Both in the search both on the same path but forty years apart do the gods lead them to the one they want so desperately to find Fourteen and growing up in the streets Sonny cant wait to leave he lives for the day he can

put all the shame behind him But with the hard times that have hit the country and the fact all the kids depend on him where would he go Its not as if he has a direction All he has in this world is his brother Paul and even though Paul has him by a few years the big guy depends on him too Naw labeled bastards since as far back as they can remember its just he and Paul against the rest of them Forced to be the responsible one he will bide his time and deal with the chaos and turmoil as it comes That is until he finds out the secret kept one that ignites a fire so strong that without thought leads him on a journey that will take him to all but two of the forty eight states in the Union Join him on his mission Share his thoughts Share his dreams Life now his school meet those that help shape the man he grows up to be Travel with him through a period of time when millions of Americans are on the same path A period of history now known as the Great Depression they re all looking for a better life all that is except one Sonny isnt looking for a better life he is looking for his life but they call me Sonny is a book based on a real life Does he have a dad If so where is he Why would the man take off and leave him alone with Susie Can he fill the void that aches in his heart and is it true was he robbed of the life he was born to live Who are these strangers standing over your grave not knowing your story and you not knowing theirs We are the ones that know where you lie yet we are the ones that wont let you die Maybe this story will comfort our hearts to bring us closer and not so far apart We always wondered we were always sad and all we could do is call you Dad **Jeff Briggs's Love Story and Other Tales** Bret
