

The background of the image is a dramatic sky at sunset or sunrise. The sun is a bright, glowing orb partially obscured by dark, textured clouds. The light from the sun creates a strong lens flare and illuminates the clouds with shades of orange, yellow, and gold. In the foreground, a dark silhouette of a person stands on a hill, their arms outstretched horizontally towards the horizon, mirroring the shape of the sun. The overall mood is one of awe and spiritual significance.

**Joshua Barney, a Forgotten Hero of Blue Water** Ralph Delahaye Paine, 1924      **The Christ Conspiracy** Acharya S., 2012-09-04 In this highly controversial and explosive book archaeologist historian mythologist and linguist Acharya S marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies mystery schools and religions in order to unify the Roman Empire under one state religion In developing such a fabrication this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era and reworked them for centuries into the religion passed down to us today Contrary to popular belief there was no single man who was at the genesis of Christianity Jesus was many characters rolled into one These characters personified the ubiquitous solar myth and their exploits were well known as reflected by such popular deities as Mithras Heracles Hercules Dionysos and many others throughout the Roman Empire and beyond The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior gods Krishna and Horus who for millennia preceding Christianity held great favor with the people The Christ Conspiracy shows the Jesus character as not unique or original not divine revelation Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces The result of this myth making has been The Greatest Conspiracy Ever Sold      *Gettysburg Heroes* Glenn W. LaFantasie, 2008-02-05 The Civil War generation saw its world in ways startlingly different from our own In these essays Glenn W LaFantasie examines the lives and experiences of several key personalities who gained fame during the war and after The battle of Gettysburg is the thread that ties these Civil War lives together Gettysburg was a personal turning point though each person was affected differently Largely biographical in its approach the book captures the human drama of the war and shows how this group of individuals including Abraham Lincoln James Longstreet Joshua Lawrence Chamberlain William C Oates and others endured or succumbed to the war and willingly or unwillingly influenced its outcome At the same time it shows how the war shaped the lives of these individuals putting them through ordeals they never dreamed they would face or survive      The Pentateuch (and Book of Joshua) in contrast with the science and moral sense of our age, by a physician [R.
