Jena Of Atlantis The Fire Eye:

Jena of Atlantis, the Fire Eye D.W. Anthony, 2004-09-13 Jena is asked to guide a large group of hierophants into the dangerous mountains of Atlantis to perform a religious ceremony Earthquakes are tearing the nation apart and sending carnivorous reptiles into everyones kitchens and this is an attempt to contact the earth elementals to begin a reversal She has the usual wacky group of companions and meets more along the way The clock is ticking as other armies attempt to destroy the temple and its a rough ride for all A thorough exploration of this part of the continent with its even more ancient ruins and underground caverns Jena must turn from weapons to accomplish this with wit and humor **Jena of Atlantis, Legions of Overstar** D.W. Anthony, 2005-03-29 Jena of Atlantis Legions of Overstar is the epic chronicle of the famous slave rebellion of 92 996 b c Our short brown nearsighted hero from the northeast portion of the continent must find a way to the southwest corner with her companions to take part in the civil war This was not a war against nature as was so common then It is a war against ideas and customs Our small group uses ships vehicles and oceans of ingenuity to make their way across the dangerous terrain The battles are carefully detailed and each chapter is illustrated A humor book which does not rely on erotic evil or wizardry to deliver a compelling action tale Jena of Atlantis, the Finger of Power D.W. Anthony, 2004-06-17 D W Anthonys Atlantis Discovery series offers this forth book of explorations and humor in the ruins We follow the spunky Jena as she travels with a converted assassin and an old palace guard to uncover the strange and mysterious ends of intrigue in a plot to put away the first emperor ever sixty five thousand years ago This is a comic tale of ultimate survival at sea and among the cavernous misty hallways and temples of those in power She learns what power is and how it is used The heroes are flawed as usual It is impossible for her to keep her glasses clean and they are always short on weapons but not action For all ages *Fire in the Dragon and Other Psychoanalytic Essays on Folklore* Géza Róheim, 2021-08-10 The only Freudian to have been originally trained in folklore and the first psychoanalytic anthropologist to carry out fieldwork Gza Rcheim 1891 1953 contributed substantially to the worldwide study of cultures Combining a global perspective with encyclopedic knowledge of ethnographic sources this Hungarian analyst demonstrates the validity of Freudian theory in both Western and non Western settings These seventeen essays written between 1922 and 1953 are among Rcheim s most significant published writings and are collected here for the first time to introduce a new generation of readers to his unique interpretations of myths folktales and legends From Australian aboriginal mythology to Native American trickster tales from the Grimm folktale canon to Hungarian folk belief Rcheim explores a wide range of issues such as the relationship of dreams to folklore and the primacy of infantile conditioning in the formation of adult fantasy An introduction by folklorist Alan Dundes describes Rcheim s career and each essay is prefaced by a brief consideration of its intellectual and bibliographical context **The Bars of Atlantis** Durs Grünbein, 2010-04-13 This landmark collection of essays by one of the world s greatest living authors makes Durs Grünbein s wide ranging and multifaceted prose available in English for the first time and is a welcome complement to
