**Jeremiah's Journey** J Hand, 2012-09-20 This is a story of Jeremiah s rescue of the last Judean king s daughters It has elements of espionage action and adventure It may read like a modern thriller but it is based on the life of the biblical Jeremiah and the histories and traditions of other nations It operates on the assumption that Jeremiah did exactly what God told him that he would do God told Jeremiah that he would see the destruction of his nation but also the replanting and rebuilding in a different land that he did not know The history uses modern dates There are many espionage characteristics because while he loudly proclaimed Gods message of the consequences to his nation of their choices he also had to use secrecy The survival of the culture in the captives taken to Babylonia depended on it Finally he would use secrecy to protect the last descendants of King David The main characters in this story besides Jeremiah are his partner Baruch a black royal guard captain Ebed Meleck and of course the king s daughters It does not conflict with the Bible but get ready to be entertained enlightened and inspired

Every Woman in the Bible gives much needed attention to all women mentioned in the Bible from those with major roles in God's plan of salvation to those who are never named. From the struggles of Rebekah and Rachel to the faithfulness of Mary and Martha and from the ruthless to the remarkable from the most obscure to the most well known this volume vividly portrays the lives and experiences of Bible women. Every Woman in the Bible combines the following features to accurately explain who these biblical women were and the times in which they lived: Organization by period of Bible history; Historical research on women in family society and church; Insights from ancient cultures including laws, beliefs and customs regarding women; Charts, illustrations; Topical scripture indexes; Overview discussion of each woman in the Bible; Discussion of each biblical woman's contribution; Powerful life lessons for today. These elements combine for an exceptional reference for studying biblical women. *KEY TO NORTHWEST EUROPEAN ORIGINS* Raymond F. McNair, 2012-03-22. The Key to Northwest European Origins represents many years of painstaking research by Raymond Franklin McNair, deceased October 11, 2008. Mr McNair's unique book is the result of dedicated research that was undertaken in a range of disciplines including theology, ancient history, anthropology, genetics and mythology. This ground-breaking book seeks to understand why God worked through the little nation of Israel, what happened to the Israelites after the nation fell to the Assyrians, what the original Israelites looked like and how we can prove the Israelites migrated into northwest Europe. Once we know where Israel is located during these last days, we are then able to understand the Biblical prophecies pertaining to them according to Raymond McNair. This stunning book opens up the reader's mind to God's supernatural intervention in world affairs as He guides nations to their allocated lands through subtle and not so subtle maneuverings and intrigues. Reading like a detective story, this easy to read work is a must for all ages.
