Jeremiah Spokesman Out Of Time:

Jeremiah : spokesman out of time William L. Holladay,1974 **Jeremiah** William L. Holladay,1974 **The War Between the Two Beasts and the Two Witnesses** Tony Siew,2005-08-07 Siew seeks to examine the events that will unfold within the three and a half years before the dawn of the kingdom of God on earth He argues that John composed the textual unit of Rev 11 1 14 5 as a coherent and unified literary unit structured in a macro chiasm He pays special attention to the fusion of form and content and seeks to elucidate how the concentric and chiastic pattern informs the meaning of the literary units within 11 1 14 5 and proposes that the text of 11 1 14 5 is best analyzed using Hebraic literary conventions devices and compositional techniques such as chiasm parallelism parataxis and structural parallelism The macro chiastic pattern provides the literary structural framework for John to portray that the events of the last three and a half years unfold on earth as a result of what transpires in heaven Specifically the war in heaven between Michael and the dragon has earthly ramifications The outcome of the heavenly war where Satan is defeated and thrown out of heaven to earth results in the war on earth between the two beasts of Rev 13 and the two witnesses of Rev 11 The narrative of the war in heaven 12 7 12 is seen as the pivot of the macro chiastic structure Siew pays close attention to the time period of the three and a half years as a temporal and structural marker which functions to unite the various units in 11 1 14 5 into a coherent and integral whole The events of the last days will be centred in Jerusalem **Africa and the Africans in the Old Testament** David T. Adamo,2001-06-06

The Lure of Transcendence and the Audacity of Prayer Samuel E. Balentine,2022-06-24 The discourse of prayer responds to the abiding lure of transcendence From Gilgamesh to the primordial human beings in Eden to Odysseus the quest for ultimate truths has summoned forth all manner of human effort courageous desperate pious impious successful failed invited forbidden and like all such lures one can never be certain whether the glimmer of transcendence is that of a bright and shining star that illuminates the shadows or only a shiny object that seduces one into an inescapable darkness a fishing lure for example In this study Samuel E Balentine demonstrates how prayer s invocation of God transgresses the limits of human beings The author shows how inviting let alone commanding God to speak may be the acme of bardic pretention but in the ancient world such transgression characterizes the audacity of prayer

Isaiah William L. Holladay,2012-04-04 To the unstructured reader the book of Isaiah can be rather confusing it seems to be composed of poems and narratives combined haphazardly not by one but by several authors Even scholars disagree on its authorship dating structure and meaning William Holladay intends this book to be a study guide for lay people and students In an attempt to answer the perplexing questions raised by reading Isaiah Throughout the book Professor Holladay affirms the theological unity within Isaiah while discerning and emphasizing the variety of voices found there Although there were several Isaiahs each writing with his specific world situation in mind the total picture is of a prophetic tradition which recognizes that God was king of Israel

26-52, Volume 27 Dr. Gerald Keown, Pamela Scalise, Thomas G. Smothers, 2018-05-29 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization Introduction covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes a Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation: the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes: the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure: Setting a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment: verse by verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation: brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: 1. within the context of the book itself; 2. its meaning in the OT or NT; 3. its place in the entire canon; 4. theological relevance to broader OT or NT issues. General Bibliography: occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.
