feature of the show From its beginnings Show Boat juxtaposed the talents of black and white performers and mixed the conventions of white cast operetta and the black cast musical Bringing black and white onto the same stage revealing the mixed race roots of musical comedy Show Boat stimulated creative artists and performers to renegotiate the color line as expressed in the American musical This tremendous longevity allowed Show Boat to enter a creative dialogue with the full span of Broadway history Show Boat's voyage through the twentieth century offers a vantage point on more than just the Broadway musical It tells a complex tale of interracial encounter performed in popular music and dance on the national stage during a century of profound transformations
