Jerri A Black Womans Life In The Media:

Jerri Lange, 2005 In *JERRI A Black Woman's Life In the Media* Jerri Lange has written a personal candid revelation of the situation of a black woman in the early days of media. She reminds us of a time when heroes like Ms Lange challenged powerful institutions no matter the consequences. Armed with her father's admonition to not allow anyone to interfere with her dreams, author Jerri Lange set out on a life's journey that would take her to the pinnacle of San Francisco's media and political power. A single mother, Ms Lange accomplished this while raising three distinguished sons including Michael, a director, producer, and Malcolm X delineator, and Ted, a regular on the television series *Love Boat*. Ms Lange's journalistic career began at the San Francisco Chronicle where she worked alongside such luminaries as Art Hoppe, Charles McCabe, and Count Marco, and her mentor Scott Newhall. She continued with tours at stations KEMO, KBHK, KGO, and KQED Television. The dream ended when Ms Lange delivered her famous speech *Blacks In Broadcasting* in which she criticized the negative images of blacks in the media. After this speech, she found the industry that had formerly welcomed her as the token pioneering African American newswoman and television host began to give her the cold shoulder. She was eventually, in her words, blackballed. But if some members of the segregated San Francisco media thought that they had defeated Jerri Lange, they underestimated the resiliency of Laura and Turner Wilson's daughter. Ms Lange began to tour the world, which provided her with the opportunity to draw revealing portraits of a dictator's wife, Arnold Toynbee, and others. Along the way, she was feted by members of the British aristocracy and was an invited guest to a king's wedding. Ms Lange also gives the reader revealing portraits of Malcolm X, Shirley MacLaine, Sammy Davis Jr, and Daisaku Ikeda. She continued her career at KHET, a public television station in Hawaii. With African American faces disappearing from television news rooms and the media establishment having abandoned their goal of diversifying the industry by the year two thousand, a challenge made by the late Robert Maynard, Ms Lange's effort as a pioneer African American news woman is especially timely. *The Myth of Post-Racialism in Television News* Libby Lewis, 2015-08-27 This book explores the written and unwritten requirements Black journalists face in their efforts to get and keep jobs in television news. Informed by interviews with journalists themselves, Lewis examines how raced Black journalists and their journalism organizations process their circumstances and choose to respond to the corporate and institutional constraints they face. She uncovers the social construction and attempted control of Blackness in news production and its subversion by Black journalists negotiating issues of objectivity, authority, voice, and appearance along sites of multiple differences of race, gender, and sexuality. *Mixing It Up* Ishmael Reed, 2009-07-29 In this latest collection of essays culled from the pages of the New York Times, Playboy, Counter Punch, and elsewhere, MacArthur fellow Ishmael Reed is at his most probing and fearless. Reed tackles subjects ranging from Oakland eugenics and domestic violence to the way gentrification is causing us to lose Black Harlem, and from the media portrayals of Michael Jackson and Kobe Bryant to a profile of legendary jazz saxophonist Sonny Rollins. The collection also includes his landmark essay in the

Baltimore Sun in which he was the first writer to label Bill Clinton a black president In this important and stunning collection one of America s most forceful and ever surprising commentators paints a complex portrait of the media and its place in American culture Publisher DaCapo Press Perseus Mixing It Up (Volume 1 of 2) (EasyRead Super Large 20pt Edition) ,

Griffin,2002-04-11 *A Letter to My Father* is an extraordinary autobiography of a young black man growing up in a loving and supportive close knit family who finds himself struggling through what he sees as the minefields established by the racial and oppressive nature of White America As the title denotes

A Letter To My Father is a revealing conversation of a son to his father. However, the father is deceased and the letter conveys to him what happened to their family after his death. The author shares his personal memories as well as those conveyed to him by his mother, brother, and extended family. He writes his father about a loving and caring mother and her struggle to raise their two sons alone and about a big brother who protects him and tries to become the father they both were without. The book, in its unique format, tells of a young man's experiences while growing up in the streets of Philadelphia, PA, surrounded by racial images and trying to find his place in a struggle for political and economic equality against the odds of being black, poor, and uneducated in the 1960s. When his search leads him to the black nationalist ideology of the Nation of Islam, he becomes involved in both community activism and crime. Soon, this results in his being arrested, charged, and convicted for one of the most heinous crimes ever committed. The case became known as the Washington D.C. Hanafi Muslim Murders, and although he would eventually be acquitted, he still found himself trapped in and swallowed up by a repressive and counterproductive prison system. As the result of governmental manipulations, he is convicted in the jail house murder of a government informant and left to deal with the harsh and brutal realities of prison life. While desperately trying to maintain a positive relationship with his wife and children, he educates himself, helps to establish literacy programs for other prisoners, becomes a teacher, and involves himself in the fight for prison reform. In writing *A Letter To My Father*, the author acknowledges personal responsibility for how his life turns out. He also reveals society's role in arresting the economic, social, and political development of black people in America. Through the eyes of a young black fatherless male, he expresses the frustrations he felt as a member of an outcast minority who, after realizing history's lie, sets out to deal with it in a world full of confused and misguided concepts. The book ends with the deaths of his beloved mother and brother. After being incarcerated for over 26 years and always having their love and support, he has to deal with and accept the loss of both of them in a six-week span. While he reaffirms his fight for freedom, he realizes that not only has his mother and brother taught him how to stand firm and face the harsh realities of life, but also how to stand firm and face the inevitable reality of death.
