**Changespell** Doranna Durgin, 2013-10

Dun Lady's Jess once a horse now learning the ways of the human heart, love, betrayal, and deadly revenge. Jess, once a horse called Dun Lady's Jess, is still struggling to integrate her human and equine selves when the wizard Arlen discovers someone in Camolen is callously turning wild creatures into bewildered and maddened human slaves. It's unsettling enough that Camolen's wizards can't find the rogue magic user, but the trouble has just started. A dangerous wizard escapes Arlen's hold, comes under attack, and an entire company of peacekeepers disappears. Jess soon realizes that she and her friends are at the center of events that threaten to leave her trapped helplessly in equine form while her friends fall victim to revenge, and the Council of Wizards slowly loses control of Camolen.

Dun Lady's Jess, all woman, all heart, all horse. When hikers find a naked and terrified young woman, they're sure she's the victim of foul play. But the truth is much more shocking: she isn't human at all. She's Dun Lady's Jess, a horse transformed by the spell that brought her and her rider to whom she is utterly devoted into this world. Possessed now of human intelligence but still a horse deep inside, Jess desperately searches this world for her master and rider, using her fiery equine spirit to take on human idiosyncrasies and human threats.

Contains: Dun Lady's Jess, Changespell, Changespell Legacy.

Dun Lady's Jess is unique. Durgin has created a character who is utterly believable as both horse and human in human body. The setup is brilliant: the magic that causes the transformation is not in the horse but external, and the creature that is Dun Lady's Jess must adapt, must find an identity that works in both paradigms. Humans who encounter her in either body must also adapt to the reality that created her and that she represents. She cannot be any longer just another mare; she cannot be ever just another woman.
