Jessie Benton Frémont Ilene Stone, Suzanna M. Grenz, 2005-12-01 When Sen Thomas Hart Benton one of Missouri's first two senators and the great uncle of the famous regionalist painter of the same name was expecting his second child in 1824 he hoped it would be a boy Although he was graced instead with a second girl he named her Jessie in honor of his father Jesse and raised her more like a son than a nineteenth century daughter introducing her to the leading politicians of the day and making sure she received an education that emphasized history literature and languages Jessie and her father were close Senator Benton was the main influence in her life until 1841 when at the age of seventeen she married army explorer John Charles Frémont against her parents wishes Some degree of reconciliation occurred when Benton promoted Frémont's famous explorations of the Great West Jessie remained in Missouri with the couple's young daughter Lily but she later helped to write and edit reports of her husband's adventures and these narratives spread the lure of the West to nineteenth century America In 1849 Jessie and Lily made a harrowing and treacherous journey across the Isthmus of Panama to rendezvous with Frémont in San Francisco With income from their gold mines the Frémonts established a home in California In 1856 with the country on the brink of civil war Frémont's antislavery position was instrumental in his being chosen as the Republican Party's first presidential nominee Jessie was a staunch campaigner for her husband's unsuccessful presidential bid which her father a lifelong Democrat refused to endorse When President Lincoln appointed Frémont as the commander of the Department of the West in 1861 Jessie served as his unofficial aide and closest adviser In a particularly dramatic incident she rushed to Washington D C for a meeting with Lincoln in which she argued passionately for her husband's proposal to emancipate the slaves in Missouri After the Civil War the Frémonts financial situation took a downturn Undaunted Jessie supported the family by writing about her

adventures in the American West in such works as *A Year of American Travel* and *Souvenirs of My Time* Like many women of her era Jessie lived her ambitions largely through her husband's career but she also made a name for herself as a writer and a firm opponent of slavery
