Jesus A Disciples Search:

Jesus a Disciple's Search Murray Bodo, Tau Publishing (Phoenix, Ariz.), 2012-04-01 Jesus A Disciples Search by Fr Murray Bodo OFMI needed a voice to match the voice of my own searching and that was the voice I heard vibrating in Nathanael's words Can anything good come from Nazareth And so I huddled beneath an imaginary fig tree near the Sea of Galilee which I have never seen I became Nathanael beneath his tree and he became me and all of us who cannot see Jesus but want to so intensely Murray Bodo **How Can I Find Someone to Disciple Me?** J. Garrett Kell, 2021-03-15 I eagerly commend this series R Albert Mohler Jr President The Southern Baptist Theological Seminary Many new believers have questions about what it means to live as a Christian in the context of a local church and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life Church Questions is a series by 9Marks that seeks to provide Christians with sound and accessible biblical teaching by answering common questions about church life Each booklet offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment Discipleship is an important part of the Christian life As we follow Jesus we learn the importance of pointing unbelievers to Jesus and helping believers grow in their relationship with him But how do you know where to start In this addition to the Church Questions series Garrett Kell explores the Bible's teaching on discipleship and how that plays out practically in the context of the local church **Jesus** Murray Bodo, 1987-03-01 *Search the Scriptures* Alan M. Stibbs, 2013-09-23 The study of God's Word is essential to spiritual growth Still a daily encounter with the Bible can be difficult to sustain This three year daily devotional supports your discipline of daily Bible study using a question and answer approach to help you discover God's truth for yourself Its built in flexibility and clear presentation allow you to use its contents according to your own needs *Searching For Christianity* Norman Thornton, 2011-07-04 Taking a multi purpose and inter denominational approach this is a book addressed to all Christians who in this sceptical age may be experiencing a religious crisis or doubts as to their commitment to Christ's teaching and Revelation Whilst this book is written from the basis of conviction it insists on demonstrating factual evidence Nothing is presented which is contrary to the reason of the ordinary man or woman in arguing the basis of religious truth With this in mind the reader is taken through the Bible from the book of Genesis onwards and answers are offered for many of those difficult questions which usually arouse anxiety in the minds of the faithful from time to time In addition the book offers questions and discussion topics at the conclusion of each chapter This is an ideal handbook which religious teachers and ministers of all denominations will find helpful written by a fully qualified scholar holding a doctorate in theological studies *The Search to Belong* Joseph R. Myers, 2011-01-04 A practical guide for those struggling to build a community of believers in a culture that wants to experience belonging over believing Who is my neighbor Who belongs to me To whom do I belong These are timeless questions that guide the church to its fundamental calling Today terms like neighbor family and congregation are being redefined People are searching to

belong in new places and experiences The church needs to adapt its interpretations definitions and language to make sense in the changing culture This book equips congregations and church leaders with tools to Discern the key ingredients people look for in community Understand the use of space as a key element for experiencing belonging and community Develop the chemical compound that produces an environment for community to spontaneously emerge Discover how language promotes specific spatial belonging and then use this knowledge to build an effective vocabulary for community development Create an assessment tool for evaluating organizational and personal community health

Who am I? How to Find out who you Truly are?

IntroBooks Team, The question Who am I is frequently posed but it can be challenging to respond to People may be able to describe themselves in terms like professional or scholar or whether they are introverts or extroverts However it doesn't really capture who they are at their core Again these traits just reveal the basic level of who they actually are People might also attempt to sum up their finest attributes by claiming they are smart and compassionate Individuals need to dig deeper and make something that is exclusively for them if they want to discover who they really are Therefore it is preferable to respond to questions regarding who humans are from the social point of view or what aspects characterize them by citing illustrations of what makes them the individuals they are on their own The actual selves the real selves the people who were born to be are what persist eternally

including Wilderness Journey Fasting Taking up your cross Discipleship Prayer Temptation When He Shall Appear Terry Marr, 2019-01-18 One evening during my prayer time I found myself thinking about the many patients I have had the opportunity to be with as they made their transition into eternity As a retired registered nurse and as a pastor I have held the hands of many young and old as they stepped into eternity At the end of these journeys I have witnessed mixed emotions from ambivalence and uncertainty to unimaginable fear as they crossed over into uncertainty and darkness Still there were others who seem to embrace the experience as a peaceful and blissful crossing over into the light of His presence as they finally get to behold His face Like many of you I have heard many talk about the rapture of the church and the Second Coming of Jesus as the premier event for all to behold his face But what about the many who cross over every day In this book you will understand that every day we have the opportunity to have Jesus appear to each of us No not as a character in the Bible but as a living Savior who has always been by our side You will find Him in the face of a child in the touch of friend or in the song of a cool breeze He is everywhere you find true love joy and peace Yes that s where He will appear And the more you embrace these moments the more you will find yourself becoming like Him for it is then you will see Him as He is

Following the Lamb Keith T. Marriner II, 2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn t we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost **The Cross** Bob Sorge , 2021-02-12 Kneel again in blood and water and revisit the hill where the two of you first met Understand the great paradox of the cross He suffered so we never have to and He suffered to show us how His cross will make sense of your sufferings Your faith will be strengthened as you believe God for your own resurrection This is the most profound writing on the cross I have ever read The magnitude of this book is almost beyond my ability to describe it s a treasure of truth Don Wilkerson Co Founder Teen Challenge Searching for Enough Tyler Staton, 2021-03-02 Searching for

Enough will help you see doubt not as an emotion to fear but as an invitation to discover the truth that God s presence is enough to hold us in space between faith and disillusionment Do you ever find yourself thinking I m not enough and I m never going to be And I know I m not supposed to say this but God s not enough for me either Whether or not we attend church deep down we wonder if the biblical story of faith is really enough for the complexity of the world in which we live We fill our

lives with other things hoping that maybe the next experience or accomplishment will complete us Yet with every goal we reach we still feel discouraged and anxious In *Searching for Enough* Pastor Tyler Staton draws on ancient and modern insights to introduce us as if for the first time to Jesus disciple Thomas history's most notorious skeptic Like Thomas we are caught between two unsatisfying stories We want to believe in God but can't reconcile his presence with our circumstances and internal struggles But what if there's a better story than shame What if there's redemption so complete that there's nothing left to hide What if there is a God who can heal your resentments fears and loneliness in such a profound way that you feel whole From a place of spiritual companionship and deep authenticity Tyler shows us that it is not an empty tomb that will change our lives but the presence of the living God Whether you are a distant skeptic an involved doubter or a busy but bored Christian *Searching for Enough* invites you to find enough in a God who offers the only promises that never disappoint
