The Case for Easter Lee Strobel, 2004 Of the many world religions only one claims that its founder returned from the grave The resurrection of Jesus Christ is the very cornerstone of Christianity But a dead man coming back to life In our sophisticated age when myth has given way to science who can take such a claim seriously Some argue that Jesus never died on the cross Conflicting accounts make the empty tomb seem suspect sHow credible is the evidence for the resurrection Focusing his award winning skills as a legal journalist on history s most compelling enigma Lee Strobel retraces the startling findings that led him from atheism to belief Drawing on expert testimony first shared in his blockbuster book The Case for Christ Strobel examines The Medical Evidence Was Jesus death a sham and his resurrection a hoax The Evidence of the Missing Body Was Jesus body really absent from his tomb The Evidence of Appearances Was Jesus seen alive after his death on the cross Written in a hard hitting journalistic style The Case for Easter probes the core issues of the resurrection Jesus Christ risen from the dead superstitious myth or life changing reality The evidence is in The verdict is up to you Book jacket

The Glory of Easter Glenn Pease, 2015-12-18 What is the Glory of Easter Easter is what Being a Christian is all about The significance of the morning Jesus first rose from the grave is that it shows the morning is a new day the payment for our sins is paid our sins were forgiven forever Easter is about the hope of things that are happening on earth that more and more people will join us in heaven for eternity Everything connected with Easter is showing the reality of why we have faith in the future with optimism and hope for eternal life with God in Heaven

We need to learn to be positive in the face of all the difficulties we deal with on Earth We must always be actively advancing in our quest to serve Christ The difficulties we face are real Our faith in Jesus that he is with us all the time and holding us up so we can get through whatever we need too Why is it hard to get people to believe in Jesus It is hard for a couple of reasons The main reason is that people don't want to give up sin We are all sinners and many people like to sin and therefore don't want to believe that it's wrong The other main reason is people have a hard time believing in things they can't see even the disciples were so distraught about Jesus being crucified they didn't even believe that he really rose from the dead until they actually saw him and touched him Unbelief is a natural thing it's a natural response to the supernatural It takes work and faith to convince unbelievers We need to do less proving more proclaiming the great news and showing them there is something better No amount of proof will convince someone who has no desire to believe That's why there are atheists atheists have no desire to believe so they deny God exists The disciples' reaction after they saw Christ had risen shows it was real They suddenly turned from depressed broken men into men that gave their lives to spread the word of the Savior Why is Easter so special The resurrection of Christ was so radical because it changed everything The Resurrection is the entire basis for Christianity without the resurrection Christianity would not exist We need to believe that every day of your life is a new beginning working towards the final goal spreading the word of the free gift from Jesus to everyone so everybody can have eternal life in heaven with God Jesus rising from the grave was very special The resurrection of Jesus was much different than all other resurrection miracles All the others were people that were brought back to life but they all died again Jesus' resurrection was permanent never to die again Jesus could have come back from the dead and went after the Pharisees to get revenge He didn't do that he came back and his message was love He died to save the sins of all of us so we could have salvation His focus was on the future not the past Scroll up and grab a copy today

The Week That Changed the World Timothy Dean Roth, 2009-09-01 Beginning with Palm Sunday the gospels record every day of Jesus' life up to the time of his death and resurrection These eight days are unparalleled in the canon of Scripture for their narrative power their detail and their focus A unique synthesis of the four gospel accounts of the passion and resurrection of Christ is provided in this seamless and elegant narrative account of the Easter events including every detail mentioned in all four Gospels but without any unnecessary repetition or distracting references A chapter is assigned to each of these days to facilitate devotional reading and study during the days leading up to Easter Two chapters are added on either side of the eight days to round out the story A study guide is also included The book invites reader to experience the events of Christ's passion as they happened thus fully entering into the drama of the Easter story More than anything this book is an invitation to join Jesus and the disciples in walking the road that leads to Jerusalem and to experience the events that happened there in an intimate and life-changing way

Why Jesus Didn't Resurrect on Easter Sunday Clarence Boykin, 2017-04-14 This book not only explains why Jesus didn't resurrect on Easter Sunday But

it proves it using Israel's original calendar with the Scriptures' verses beginning from six days before the Passover John 12:1 to the true death, burial and resurrection of Jesus Christ *This Risen Existence* Paula Gooder, 2015-03 Following the pattern of her Advent book *The Meaning Is in the Waiting* Paula Gooder leads us on a biblical exploration of the resurrection accounts in each of the Gospels and in Paul's writings as well as the account of the Ascension and coming of the Spirit at Pentecost in Acts Arranged for daily reading through the seven weeks of Eastertide *This Risen Existence* opens with an extended reflection on ancient and contemporary understandings of resurrection *Hope in Times of Fear* Timothy Keller, 2021-03-09 The Resurrection accounts of Jesus in the Gospels are the most dramatic and impactful stories ever told One similarity unites each testimony that none of his most loyal and steadfast followers could see it was him back from the dead The reason for this is at the very foundation of the Christian faith She turned around and saw Jesus standing there but she did not realize that it was Jesus John 20:14 *Hope in the Time of Fear* is a book that unlocks the meaning of Jesus's resurrection for readers Easter is considered the most solemn and important holiday for Christians It is a time of spiritual rebirth and a time of celebrating the physical rebirth of Jesus after three days in the tomb For his devoted followers nothing could prepare them for the moment they met the resurrected Jesus Each failed to recognize him All of them physically saw him and yet did not spiritually truly see him It was only when Jesus reached out and invited them to see who he truly was that their eyes were open Here the central message of the Christian faith is revealed in a way only Timothy Keller could do it filled with unshakable belief, piercing insight and a profound new way to look at a story you think you know After reading this book the true meaning of Easter will no longer be unseen *Easter Faith* Gerald O'Collins, 2003 Belief in the resurrection of Jesus is central to the Christian faith But how sure can we be that this belief is well founded In *Easter Faith* one of the most distinguished Catholic biblical scholars and theologians of our time draws on a lifetime's study and research to review the evidence for the credibility of the resurrection The result is a lucid and elegant work that brings together biblical scholarship, theology and lived experience into a unique and compelling portrait of the Easter faith of the Christian community *Why Easter?* Barbara Reaoch, 2012-02-17 Easter is a celebration of the life, death and resurrection of Jesus Christ But how many children know why Jesus died and came to life again This illustrated devotional contains 28 lessons, one for each day of the four weeks leading up to Easter in a short, focused format designed to help parents show the Christ of Easter to their children A companion volume *Why Christmas* is available to help parents teach their children about Jesus' incarnation **Easter Stories and Sermons** S. I. Avana, 2003 Easter is not about mauve hats nor chocolate Easter bunnies What it is about is joy the joy and therefore hope of the resurrection from death of the Lord Jesus Christ The thought behind this book was to gather stories related to Easter's message and blend them with some particularly piercing sermons given on Easter Day when perhaps some inspiration might have seeped through the cobblestones of society's day to day clatter And surely life, society and daily thinking have changed immensely during the last 20 centuries, 20 years and perhaps even 20 minutes Yet if

one reads the biblical texts the overriding concerns of the people of that time do not differ much from our own Jesus Christ's resurrection from death brought about a large scale change in life's equation however The message is not hard to understand even in today's world It is hoped that this modest book will remind readers of what they should already know *The Easter*

Chaffey,2014-03 Without the Resurrection there is no hope We would still be in our sins and the Christian faith could not exist Jesus would be a fraud since He frequently predicted His own Resurrection even designating it as His sign for an unbelieving world Skeptics and critics understand the magnitude of the Resurrection and they have developed numerous theories in their desperate attempts to explain away the wealth of evidence The early Christians focused uniquely on Christ's conquering of death Yet many in the church today only discuss this vital doctrine at Easter time and some fail to mention it entirely when attempting to share the gospel with unbelievers In Defense of Easter is a biblical and timely apologetic resource that teaches readers How history and archaeology support the Resurrection Why skeptical explanations come up short How the Resurrection provides hope and comfort Whether Easter is a pagan holiday Equip yourself to answer today's skeptical challenges and strengthen your confidence in the risen Savior Discover why everything hinges on the Resurrection of Jesus Christ Dr Gary Habermas endorsed In Defense of Easter Challenges to Jesus Resurrection are frequently made on the popular level and answers must be forthcoming Tim Chaffey's volume responds to many of these contemporary questions as well as moving beyond arguments and evidences to the application of Resurrection truth What difference can belief in the resurrection mean for believers today This volume is an accessible handbook that covers a wide range of issues both more theoretical as well as practical I very much enjoyed my time with it and recommend it to those who love this topic and are interested in material that is not readily available elsewhere **Jesus Calling Easter Prayers** Sarah Young,2022-12-27
