Jesus Against The Rapture Seven Unexpected Prophecies:

Jesus Against the Rapture Robert Jewett, 1979 The historical Jesus would have strongly disagreed with the new apocalyptic mood of many current writers In seven vivid New Testament studies Dr Jewett demonstrates what Jesus really had to say about the end of the world as we know it He shows how unexpectedly different Jesus message was from common hopes and how opposed it is to the teaching of modern sensationalists who speak of the Rapture as about to usher in a new dispensation This is a book for every reader who is puzzled by the great popularity of books about the end times among both laity and the leaders of the churches Through the use of contemporary literature and illustration Dr Jewett reveals how Jesus teaching can affect our lives He says I am convinced that if we would get Jesus message straight we would conclude that the future is still open and that there is a great deal we can do because it is not Satan but God who is alive and well on planet Earth *Rapture, Revelation, and the End Times* B. Forbes, J. Kilde, 2004-06-12 An indispensable exploration of the runaway bestselling series From Left Behind to Glorious Appearing the books in the Left Behind series have sold over 60 000 000 copies worldwide and their popularity continues to grow What makes the books about the apocalypse so popular What is it about the end times that fascinates millions around the globe And what does the Bible really say about the end of the world In Rapture Revelation and the End Times six experts gather to answer these provocative questions and more guiding readers through the different Christian millennialist views and how they developed They explore the historical biblical social and political issues raised by the Left Behind series religious perspective present broad questions that curious readers might ask and encourage us to reflect on the issues the series raises An entertaining and informative book for fans as well as skeptics this is a top notch resource you won't want to be without Rapture Revelation and the End Times answers some of the most often asked questions about this fascinating series of books How popular are the Left Behind books and why What does the Bible say about the end times How did Left Behind's particular vision of the end times develop When do Christians think the end times will happen How are other religions treated in the Left Behind series What social and political messages appear in the Left Behind books This MUST HAVE book also includes a READER'S GUIDE with Reader's Group Discussion Questions Full Glossary of Religious Terms Suggestions For Further Reading from a Variety of Perspectives This book has not been approved licensed or sponsored by any of the writers publishers or distributors of the books in the Left Behind series nor by any person or entity involved in the creation production or distribution of any media based on the series [Why the End of the World is Not in Your Future](#) Gary DeMar, 2008 **Arguing the Apocalypse** Stephen D. O'Leary, 1998 Armageddon and a map of millennial consciousness [Reading the Bible for All the Wrong Reasons](#) Russell Pregeant, 2011-01-01 Russell Pregeant shows that reading the Bible without interpretation is impossible The right question is which assumptions are appropriate from publisher description *The Shame Factor* Robert Jewett, Wayne Alloway, John G. Lacey, 2010-10-15 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources

Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis

An Elegant Ending Samuel Cocar,2022-11-30 Millions of Christians the world over hold strong convictions about what happens to humankind at the end of history Jesus will rapture the church away Non Christians will suffer eternal conscious torment in hell We will play harps on clouds forever But what if conventional Christian ideas don t align with what the Bible actually teaches By scrutinizing the faulty assumptions and shaky exegetical foundations found in dispensationalism An Elegant Ending offers believers an eschatological vision that is simpler clearer and more strongly grounded in the biblical canon

Hope Revealed Robert P. Vande Kappelle,2013-08-23 Hope Revealed sets the record straight Revelation is not as bizarre and vindictive as many have imagined Its message is hopeful not pessimistic world affirming not world denying and thoroughly congruent with the biblical emphasis on love reconciliation and forgiveness Revelation invites us to drink deeply from its metaphors of promise and warning vision and blessing While Revelation s method and theological conceptuality are relatively different from the rest of the New Testament once they are appreciated in their own right they contribute to make this book not only one of the finest literary works in the Christian canon but also one of the greatest theological achievements of early Christianity

The Fundamentalist Mind Stephen Larsen,2014-05-27 We are all fundamentalists whether we acknowledge it or not We were born into a world of myth and metaphor and have come to internalize the stories we were told as children as the literal interpretations of much greater and deeply symbolic lessons When we fall into such patterns according to author and psychotherapist Stephen Larsen we lose all flexibility and freedom of thought We become split by dualistic thinking bad versus good black versus white and are weighted down by definitive concretistic principles and behaviors that alienate us from one another Dr Larsen explains that we can avoid such pitfalls by identifying our inner fundamentalist and becoming more open minded individuals
