The Miracles of Jesus According to John Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus' question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus' miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God's message and His messenger's In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the

Christianity Signs of Continuity intervenes in this debate by exploring a largely overlooked element of similarity between the two men the place of miracles in their ministries In his close analysis of the miracles performed by Jesus and Paul Greg Rhodea points to signs of continuity between these two historical figures of Christianity He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom Based on these similarities Rhodea concludes that Paul the apostle knew of Jesus s miracles and that he imitated Jesus in his own ministry of miracle working In highlighting this previously unexplored area of continuity Rhodea makes a significant contribution to the debate over the relationship between Jesus and Paul Biblical scholars and students interested in this debate will find Signs of Continuity enlightening and informative

Presbyterian Church in Milwaukee **More than His God Card** Brian Onken,2014-10-15 Many readers of the Bible assume that when Jesus did a miracle it was fundamentally to prove that He was God Jesus was pulling out His God Card What is startling is that Jesus never made the case that this was the primary purpose of His miracles What if Jesus was intending to reveal something different something more something beyond merely proving His identity Seeing as Jesus miracles were such a significant part of His ministry if we miss what His miracles do reveal we may be missing out on great insights into the One who loves us and came to rescue us Like the restoration of a great Old Master s painting Brian leads his readers to a fresh vision of what is conveyed in the Gospel accounts of Jesus miracles Uncovering what is there in the text we see the miracles in a reinvigorated vibrant way You will never read about the miracles in the same way and you will catch a renewed and compelling glimpse of Jesus **Messiah's Miracles** Milton Goh,2020-01-28 I have prayed for others and seen instant healing miracles and received supernatural words of knowledge about them I have also received miracles through prayer and

others praying for me I believe in a living God who has shown me through personal experience that He is real The Bible clearly reveals God's will for every believer to walk in the miraculous If you're tired of a Christian walk that has no evidence of God's manifested power all it takes is to replace some wrong beliefs so that unbelief can be cast out This is what I believe the Holy Spirit wants to do through this book Messiah's Miracles The Power of Having Faith in Jesus Christ Under the New Covenant of Grace every blessing is received by faith If you have been trying to earn your miracles by showing your devotion to God by your works it's no wonder you don't see any miracles Faith comes by hearing about Jesus and this book is all about Jesus and designed to impart faith to the reader During Jesus' ministry on earth He didn't work any miracles by His own authority as God He relied completely on faith in His Father and the power of the Holy Spirit The Holy Spirit purposefully chose 37 of Jesus' miracles to be recorded in the four gospels This is no coincidence Each miracle reveals something powerful about our Lord Jesus I believe that as you read about the 37 miracles of Jesus in the four gospels faith will arise in your heart to receive miracles in your own life As you behold Jesus in His love goodness and grace you will see transformation in yourself and in your circumstances No self-help book can do that Only the preached Gospel has God's power to save in all ways As you set aside time to read about Jesus in all His majesty and beauty I'm trusting that God will honor your faith and command a chain of long-awaited breakthroughs in your life

The Miracles of Jesus and Their Flip Side Jerry L.

Schmalenberger, 2000 The miracles of Jesus are some of the most striking passages in the New Testament they bring the power of God up close and personal by dramatically rearranging human situations and teaching us great spiritual truths But how can we translate the sometimes arcane historical content of the miracle stories in a way that will be meaningful to contemporary sensibilities Jerry Schmalenberger has come up with an original solution in these thirteen well-crafted sermons on miracle stories contained in the Revised Common Lectionary Using the analogy of old 45 rpm records which were usually released with a hit side and a flip side Schmalenberger shares a structure for presenting the miracles in narrative form He initially focuses on the traditional approach to each miracle the A or hit side and then offers a fresh look at the other side of the story the B or flip side Schmalenberger's punch contemporary language and narrative style produce hard-hitting and inspirational messages that offer a unique twist in the interpretation of these fascinating stories Jerry L. Schmalenberger has taught speech and communication at Wittenberg University and Urbana College and was a parish pastor for 29 years serving some of the nation's largest Lutheran congregations Recently retired as professor of parish ministry and president of Pacific Lutheran Theological Seminary in Berkeley California he now serves as a Global Mission Volunteer for the Evangelical Lutheran Church in America Schmalenberger has preached and taught throughout the world most recently teaching with the faculty of the Lutheran Seminary in Hong Kong Schmalenberger has also taught at seminaries in Germany Jamaica Argentina Surinam Indonesia and Liberia A graduate of Wittenberg University and Hama School of Theology in Springfield Ohio where he received his D Min degree Schmalenberger was honored by Wittenberg with a D Div degree
